Dear Parents,  
Greetings!

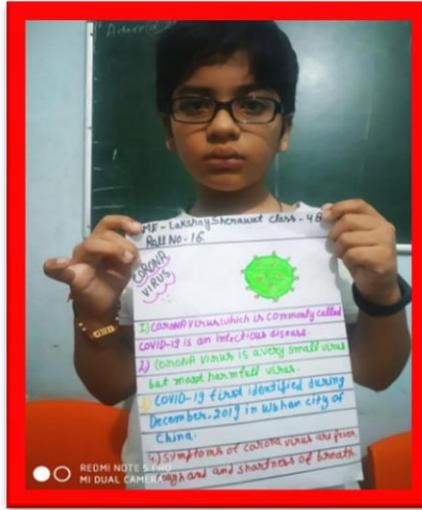

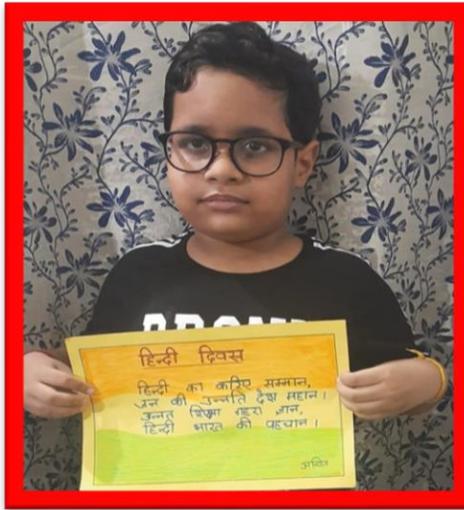

The month of September was full of new learning, opportunities and many activities which were planned throughout the month. It commenced with the children appearing for online assessment. Teacher’s Day was celebrated with enthusiasm and fervor. The school opened its doors and the corridors once again resonated with chuckles and giggles as we started hybrid teaching. A plethora of activities were planned to celebrate ‘Hindi Diwas’. Children did different activities to understand the importance and significance of our official language. They wrote Dohas and recited them in class where the teacher also talked about taking pride in learning and using Hindi. Cleanliness and hygiene are an part integral of our lives but during the pandemic it has become our top priority. Children learnt about the same through videos and PPTs during the Swatchhta Pakhwada, 2021. They also wrote an essay about the measures school must take during these times as students have started coming to school. Children also prepared a class presentation on the topic of ‘Waste Management’ wherein they displayed their understanding of the concept and showcased their talent and creativity. It was a wonderful sight to see all students participating confidently and enthusiastically. Overall, the month brought a lot of fun and fruitful learning.

We anticipate towards an equally thrilling October!

It’s that wonderful time of year again... Welcoming October, the festive season, full of joy & love!

A time for celebration, a time for victory of good over bad, a time when world see the example of power of good. Let us continue the same true spirit.
