Dear Parents,

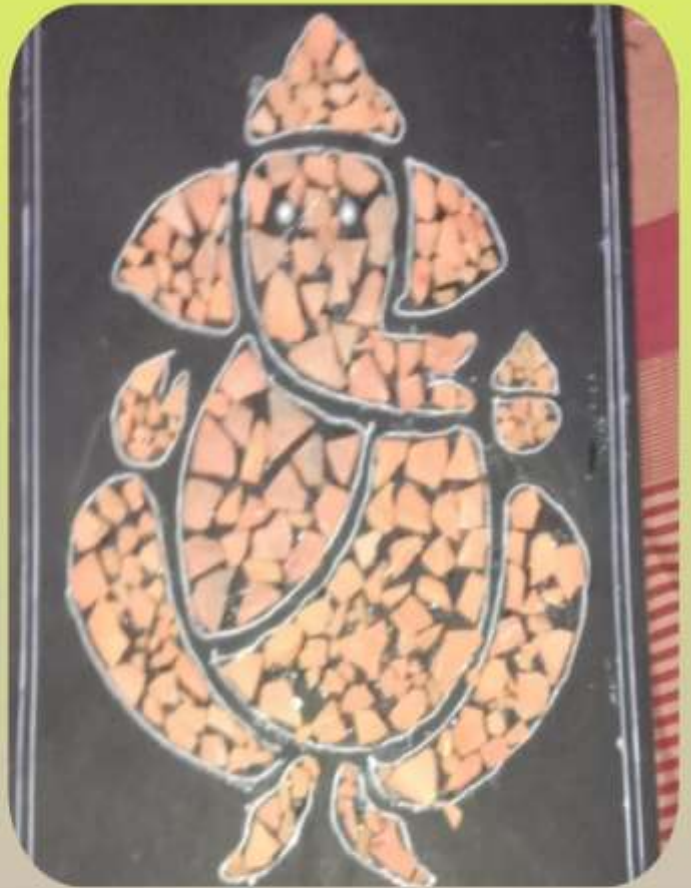

October is best known for its festivals. Festivals are an expressive way to celebrate glorious heritage, culture and traditions. This month is loaded with national and global celebrations. We have a number of festivals and events in the upcoming month such as Gandhi Jayanti, Navratri, Durga pooja, Dussehra, Eid, Valmiki Jayanti and Halloween.

The month of September was full of excitement, hands on activities, revision for term examination and completion of planned syllabus. This month was full of academics that kept the spirits high among the students as the pandemic continues. September started with UT-2 thereafter students were engaged in completion and revision of the syllabus planned for Term -1.

Swachh Bharat Abhiyan was launched by the Government of India to solve the problems of sanitation and waste management in India by ensuring hygiene across the country. Students came up with lot of innovative ideas to keep their surroundings clean. They made posters, articles made out of waste materials, artistic dustbins etc. Hindi Diwas is celebrated every year on 14<sup>th</sup> September. It marks the day on which Hindi language was declared as the official language of Union of India. To celebrate this occasion students of IHS enthusiastically participated in an interactive activity, they spoke about the importance of Hindi language.

On the academic front students learnt various concepts like reproduction in plants, structure of flower. Hands on activity was also done in order to ensure the clarity of the concept. Students also learnt new concept of subject verb agreement and tenses in English. Moreover, the concept of mensuration was explained in Maths.
