MONTHLY PLANNER FOR OCTOBER
Grade VIII (2021- 22)

Put your heart, mind, and soul into even your smallest acts. This is the secret of success.

-Swami Sivananda

Dear Parents,

Let's spark up October and make it better than September. Welcome to a new and fresh month of October which is full of festivities. October is a month of vibrant festivals and bountiful celebrations. Starting from Navratri Puja, the festive mood lingers on till Diwali and Bhai Dooj. The large number of festivals in October makes it a joyous month when spirits are high.

The month of September focused on the holistic development of children. During this month, students of Grade VIII got an opportunity to participate in various activities. They did a hindi activity on value based stories. During the activity they learnt about the importance of friendship, the responsibilities and duties associated with being a true friend. Through these stories they also learnt how to keep themselves safe during this pandemic time by following the rule "do gaj ki duri mask hai jaroori". Students also did an activity on "muhavre", in which they made pictures depicting a given muhavra using their imagination and creativity. Students also celebrated SWACHTA PAKHWADA 2021 for which they made posters, paintings, cartoons, slogans etc. on Swachhata.

September was not all play for students. They appeared for UT assessment and are gearing up for their term 1 examination that commenced from 27th September.
