

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR NOVEMBER
Grade II (2021-2022)

“Put your heart, mind, and soul into even your smallest acts. This is the secret of success.”

Dear Parents,

Greetings and good wishes!

The month of October was full of National Festivals and Religious Festivals. Gandhi Jayanthi, celebrated on 2nd October- the birth anniversary of the Father of the Nation Mahatma Gandhi, one of history’s most transformative and inspirational figures. He advocated that we should always choose the right path and speak the truth. Durga Puja is a Hindu celebration of the Mother Goddess and the victory of the revered warrior Goddess Durga over the evil buffalo demon Mahishasura. The festival honors the powerful female force (shakti) in the Universe. It's believed that the goddess comes to earth during the festival. The large number of festivals in October makes it a joyous month when spirits are high.

October focused on the holistic development of children. During this month, students of Grade II got an opportunity to participate in various activities. On the academic front students learnt various concepts like Division and Fractions in Mathematics. Hands on activity was also done in order to ensure the clarity of concept. Students also learnt new concept of “Adjective” in English through an activity where they had to describe their friend. The value for the month of October was “Sharing and Caring” where children shared nutritious food with the underprivileged people living in their neighbourhood. This activity helped children understand the nutritional levels in the society, but also imbibe a sense of social responsibility, inclusion and volunteerism.

The month saw a plethora of activities and competitions. Students participated enthusiastically in Show and Tell class competition in which they presented various community helpers and sensitized others about their role and importance in our society. World Animal Welfare Day was organized in school. This global initiative for animal rights is aimed at raising awareness about their importance in the ecosystem and improving their welfare standards. We also celebrated World Post Office Day to bring awareness about the role of people engaged in postal service and teach the students that before the digital communication came into our lives, sending letters by post was the only option. To make the festival of Dussehra more interesting finger puppets of Ramayana characters were made by students.
