MONTHLY PLANNER FOR NOVEMBER
Grade IV (2021-2022)

“Education is the movement from darkness to light”

– Allan Bloom

Dear Parents, Greetings!

“Success is the sum of small efforts- repeated day in and day out.”

With the successful completion of Term -I, we have stepped into Term- II. The month of October was full of joyful learning. Health is the greatest possession, hence to inculcate the health conscience attitude in students a PowerPoint presentation on Healthy Vs Junk food was shown to the students. They learnt the benefits of eating fruits and vegetables, importance of washing hands and much more.

Festivals bring a sense of exhilaration and fervor that couldn't be felt otherwise. Children wait eagerly for festivals. Students did a puppet making activity in their art and craft class and showcased their skills by making puppet of 'Ravana'.

To remember our great freedom fighters who sacrificed their lives to free our Motherland, students prepared posters of freedom fighters.

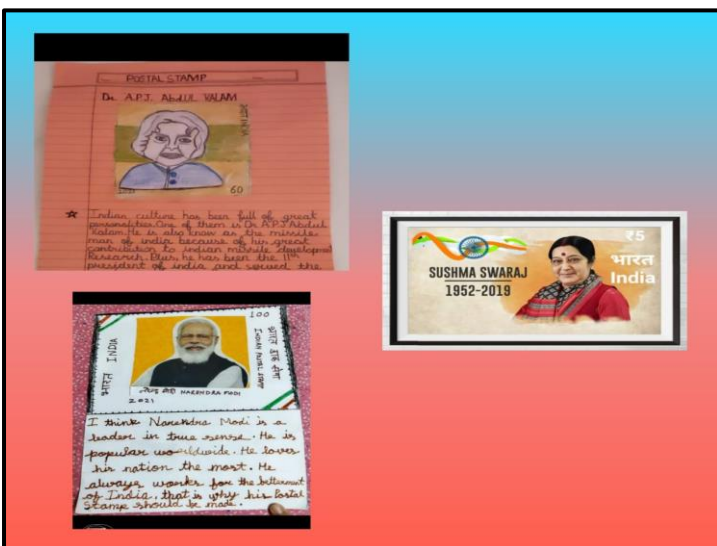

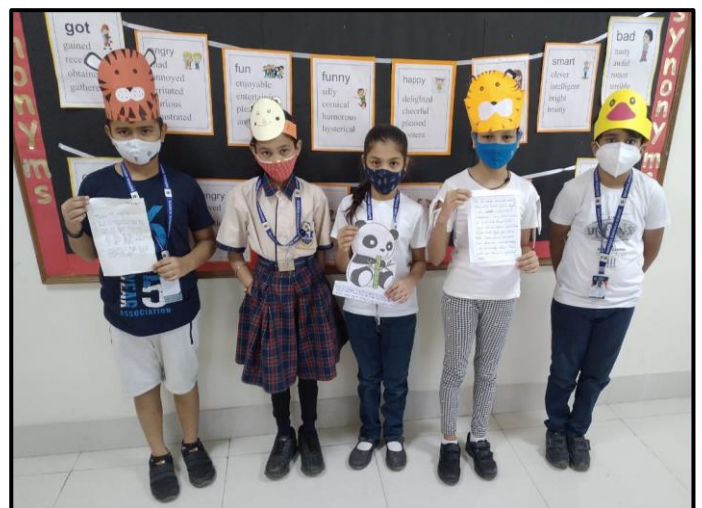

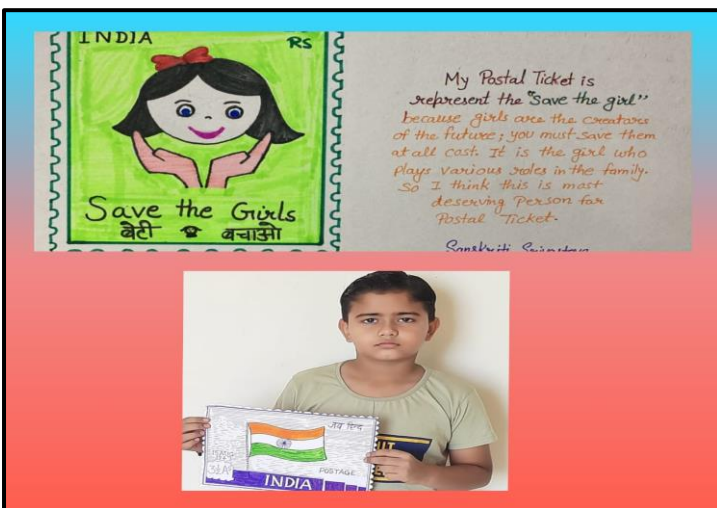

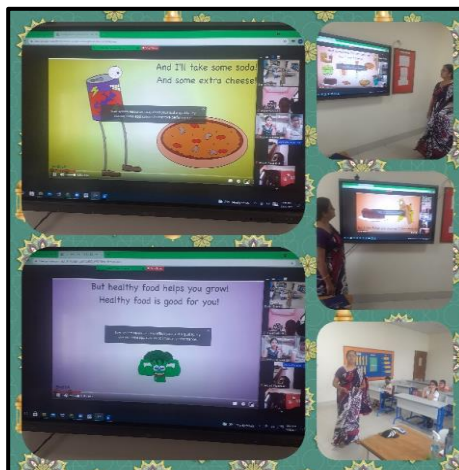

Students learn best through activities. On academic front also activities were planned. Students prepared headgears representing extinct or endangered species of animals. They shared their knowledge with their peers by giving speech in the class. They developed a concern for the conservation of the environment. Students also designed postal stamps on the occasion of World Postal Day. They chose a deserving personality for it and also wrote a paragraph about him/her.

Let us welcome November with zeal. We expect same support from you for Term II. Let this new month bring great miracles, new adventures and incredible experiences for you.
