**MONTHLY PLANNER FOR NOVEMBER**  
**CLASS V-2021-22**

*“In November, the trees are standing all sticks and bones. Without their leaves, how lovely they are, spreading their arms like dancers. They know it is time to be still.”*

*-Cynthia Rylant*

Dear Parents,

Greetings! Let's Welcome sweet November- “the season of senses with a sort of delightful menace in the air. November- the last month of autumn but the beginning of a new adventure; time to take a risk and do the unexpected. November-the very best month of autumn. It's a holiday month, but instead of the hurried rush of festivals, you get to spend time with family and friends to celebrate Indian traditions and take a moment to reflect on all that makes you grateful. We begin to feel the spirit of celebration during the cool, shortened days of November”.

November is auspicious in so many parts of the country: The weather is cool and dry and the mood is festive. Continuing from the fervour of festivals in October, the spirits remain high as there are many cultural and religious festivals in November as well like Diwali, Chhath Puja.

We thank you for supporting us during the entire duration of Term-1, the virtual classroom half yearly assessment. The month was full of excitement, revisions, hands on activities, competitions and new challenges. The month started with Term-1, Rashtriya Poshan Maah, Azadi Ka Amrit Mahatosav Quiz, Special Assemblies.
