CLASS VI- 2021-22

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

-Malcolm X

Dear Parents,

November is a wonderful month. The weather is cool and dry, and the mood is festive. Continuing with the fervour of festivals in October, the spirits remain high as there are many cultural and religious festivals in November as well.

India is the breeding ground of numerous religions and cultures. Each of these brings with it myriad celebrations in form of cultural events and religious festivals, spread across the year and the grand celebrations of some of the festivals in November are not to be missed. Most auspicious festival in the month of November is Diwali. Diwali celebrates Rama's eventual defeat of the evil spirit Ravana, and his triumphant return to his home. It is called the festival of lights because it is on this occasion that the households in India and across the world light up their houses with the diyas and candles indicating the victory of light over darkness. Bhai Dooj is one of the oldest festivals in India, and is celebrated in different parts of the country with different names. It is known as Bhau Beej in Goa, Maharashtra and Karnataka, Bhai Phota in Bengal and Ningol Chakuba in Manipur.

The month of October was full of academics as the students wrote Term-I papers. Along with this to inculcate the value of patriotism students participated in CBSE activity ‘Azadi ka Amrit Mahotsav’ Quiz. To inculcate value for Sharing and caring students wrote ‘Compliment galore’ for their friends apart from this they also made poster on the topic ‘How can I care for nature’.

On the academic front students learnt various concepts like movement of different body parts. Hands on activity was also done to ensure the clarity of the concept. Moreover, the concept of elementary shapes was explained in Maths.
