**MONTHLY PLANNER FOR NOVEMBER**  
**CLASS VII- 2021-22**

*Ultimately, education in its real sense is the pursuit of truth. It is endless journey through knowledge and enlightenment.*

*-Dr. A. P. J. Abdul Kalam*

Dear Parents,

Greetings!

Throughout much of history, November has often been thought of as a somber month because it signals the start of winter. People would spend the month storing up their harvest and preparing their food and homes in order to survive the winter. This year the month of November is even more special as Diwali will be celebrated on November 4. Diwali is celebrated in grandiose style across the length and breadth of India.

**दीपज्योतिः परब्रह्म दीपज्योति जनार्दनः ।  
दीपो हरतु मे पापं संध्यादीप नमोऽस्तुते ॥**

*"Salutations to the lord, the maintainer of this creation, in the form of light. We adore this light, which destroys all the pains resulting from my omissions and commissions".*

Diwali is a festival of triumph of good over evil and lord Rama the great king conquering the forces of Ravana the demon king. It is all about overcoming the darkness of ignorance and propagating the light of knowledge. Team IHS wishes you a very happy and prosperous Diwali in advance. May this auspicious occasion bring along lots of fun, entertainment and good times with your loved ones. In our zest to celebrate Diwali in a grand scale, let us not forget our responsibility towards the nature, the home for all living beings. November also includes celebration of Guru Nanak Jayanti: Gurupurab, which is one of the most auspicious and significant day in Sikhism. The day marks the birth anniversary of Guru Nanak Dev, the founder of the religion of Sikhism and the first of the Sikh Gurus.

The month of October was full of academics as the students wrote Term I Examination and results were declared. Students were assessed and guided by the mentors. Reviewing an exam can help one determine what one knows and what still needs to be worked on. The review process can also help one better understand key ideas and concepts that will likely be the foundation for further learning in a course. In consonance with the theme of the month “**Caring and Sharing**”, “**Compliments Galore**” was organized in which students wrote few compliments for their class mates. They also participated in “**How I can care Poster activity**”.

The Central Vigilance Commission, an apex integrity institution of the country, in its endeavor to promote transparency, accountability and integrity in public life, has been declaring the observance of Vigilance Awareness Week every year to encourage the fight against corruption. In view of the existing COVID-19 pandemic situation, ‘**e-Integrity Pledge**’ was taken by the students.
