**NEWSLETTER
DECEMBER(2025-26)**

The month was full of excitement and celebration, featuring the Annual Day, Mathematics, Technology and Science Week, Bagless Day, Red Colour Day, and the festive Christmas and New Year celebrations, offering students joyful learning experiences and creating unforgettable memories.

A Proud Moment of Excellence and Recognition

We are proud to share that our Principal, **Ms. Neelu Sharma**, has been honoured with the following prestigious national awards:

- **IIRF Education Impact Award 2025** with a **Certificate of Academic Excellence**, presented by **EPN – Education Post News** at the **ICOSA School Conclave** for her outstanding contribution to teaching, skilling, and innovation.
- **India's Top School Award – IKA 2025 (Delhi NCR)**, awarded at the **Eldrok India K-12 Summit** for excellence in promoting cognitive skills.

These honours reflect her visionary leadership, academic excellence, and unwavering commitment to meaningful learning experiences, bringing great pride to the institution.

IHS 5th Annual Day Celebration – *Yugantran: Transition of Eras*

Imperial Heritage School celebrated its **5th Annual Day, *Yugantran: Transition of Eras***, with great enthusiasm and grandeur. The event was graced by **Chief Guest Dr. Shankar Goenka**, **Guest of Honour Dr. Sanjeev Sharma**, and **Special Guest Mr. Pratham Chandra Vashisht**, along with the support of our Chairman **Mr. Satpal Dahiya**, Director **Mr. Yogesh Dahiya**, and Vice President **Mr. Sumit Dahiya**.

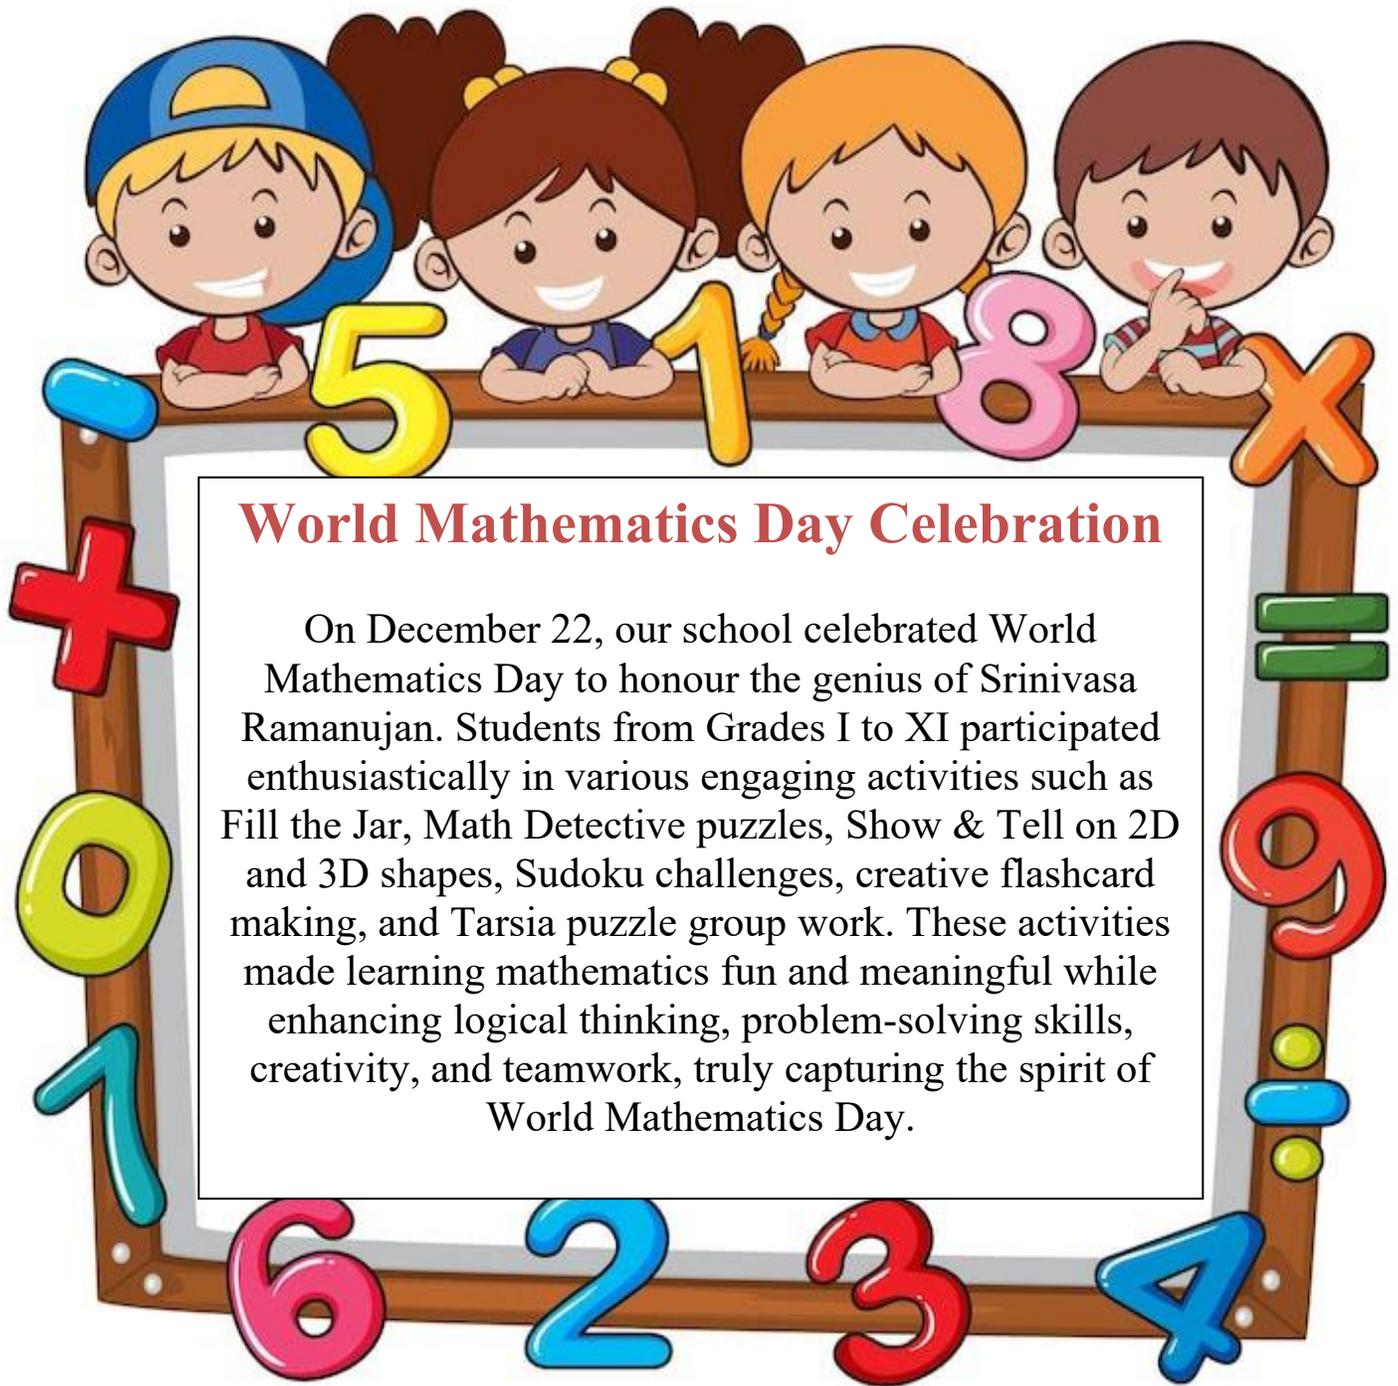

The evening began with the lighting of the lamp, Ganesh Vandana, and a welcome song, followed by a vibrant 90s-themed orchestra. The release of the school magazine *Abhyudya* and the presentation of the Annual Report by Principal **Ms. Neelu Sharma** added pride to the occasion. The highlight was a powerful dance-drama portraying India's journey from the past to a futuristic **Viksit Bharat**, concluding with a grand finale that left everyone truly impressed.

Welcomes all
to
The 5th Annual Day

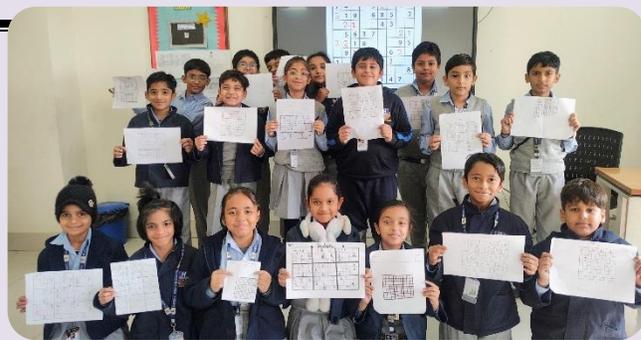

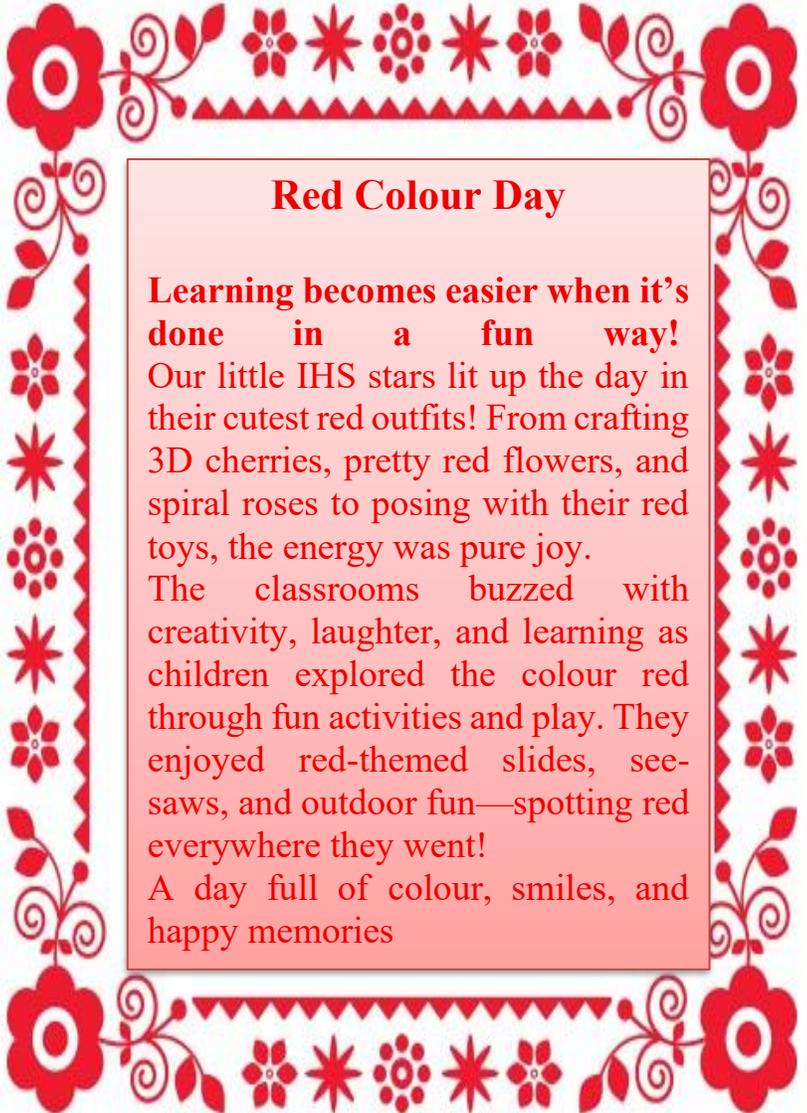

World Mathematics Day Celebration

On December 22, our school celebrated World Mathematics Day to honour the genius of Srinivasa Ramanujan. Students from Grades I to XI participated enthusiastically in various engaging activities such as Fill the Jar, Math Detective puzzles, Show & Tell on 2D and 3D shapes, Sudoku challenges, creative flashcard making, and Tarsia puzzle group work. These activities made learning mathematics fun and meaningful while enhancing logical thinking, problem-solving skills, creativity, and teamwork, truly capturing the spirit of World Mathematics Day.

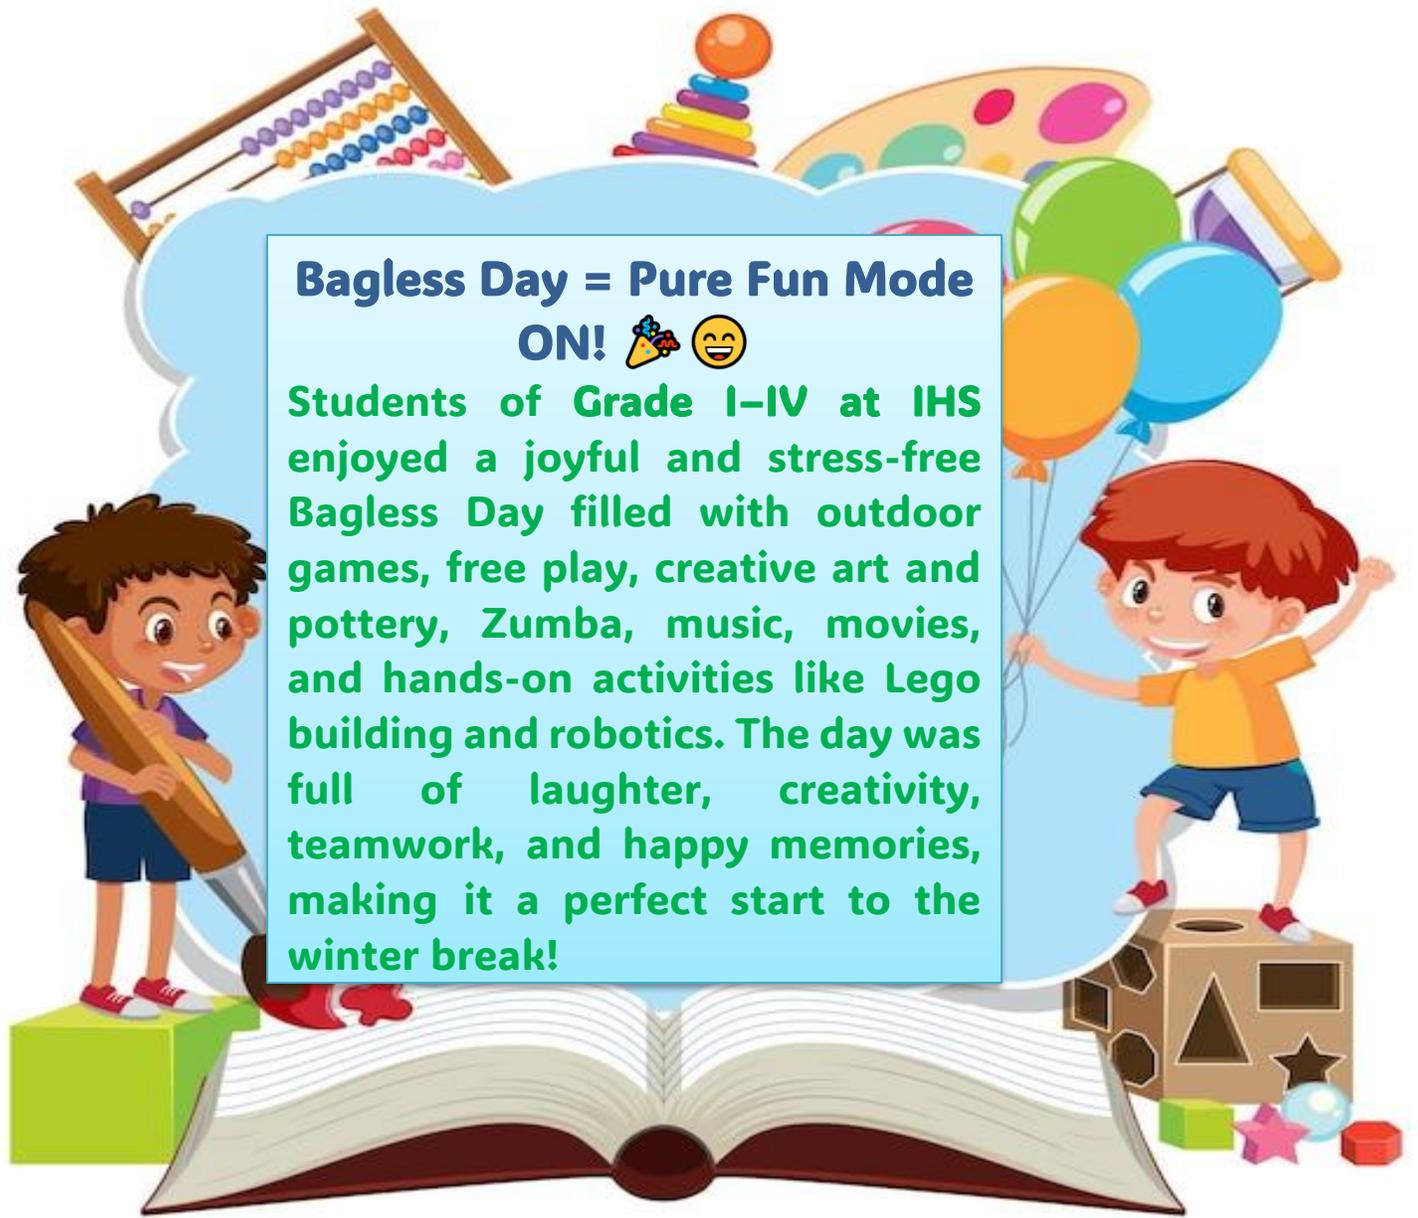

Red Colour Day

Learning becomes easier when it's done in a fun way! Our little IHS stars lit up the day in their cutest red outfits! From crafting 3D cherries, pretty red flowers, and spiral roses to posing with their red toys, the energy was pure joy. The classrooms buzzed with creativity, laughter, and learning as children explored the colour red through fun activities and play. They enjoyed red-themed slides, see-saws, and outdoor fun—spotting red everywhere they went! A day full of colour, smiles, and happy memories

Bagless Day = Pure Fun Mode ON! 🍷 😊

Students of Grade I-IV at IHS enjoyed a joyful and stress-free Bagless Day filled with outdoor games, free play, creative art and pottery, Zumba, music, movies, and hands-on activities like Lego building and robotics. The day was full of laughter, creativity, teamwork, and happy memories, making it a perfect start to the winter break!

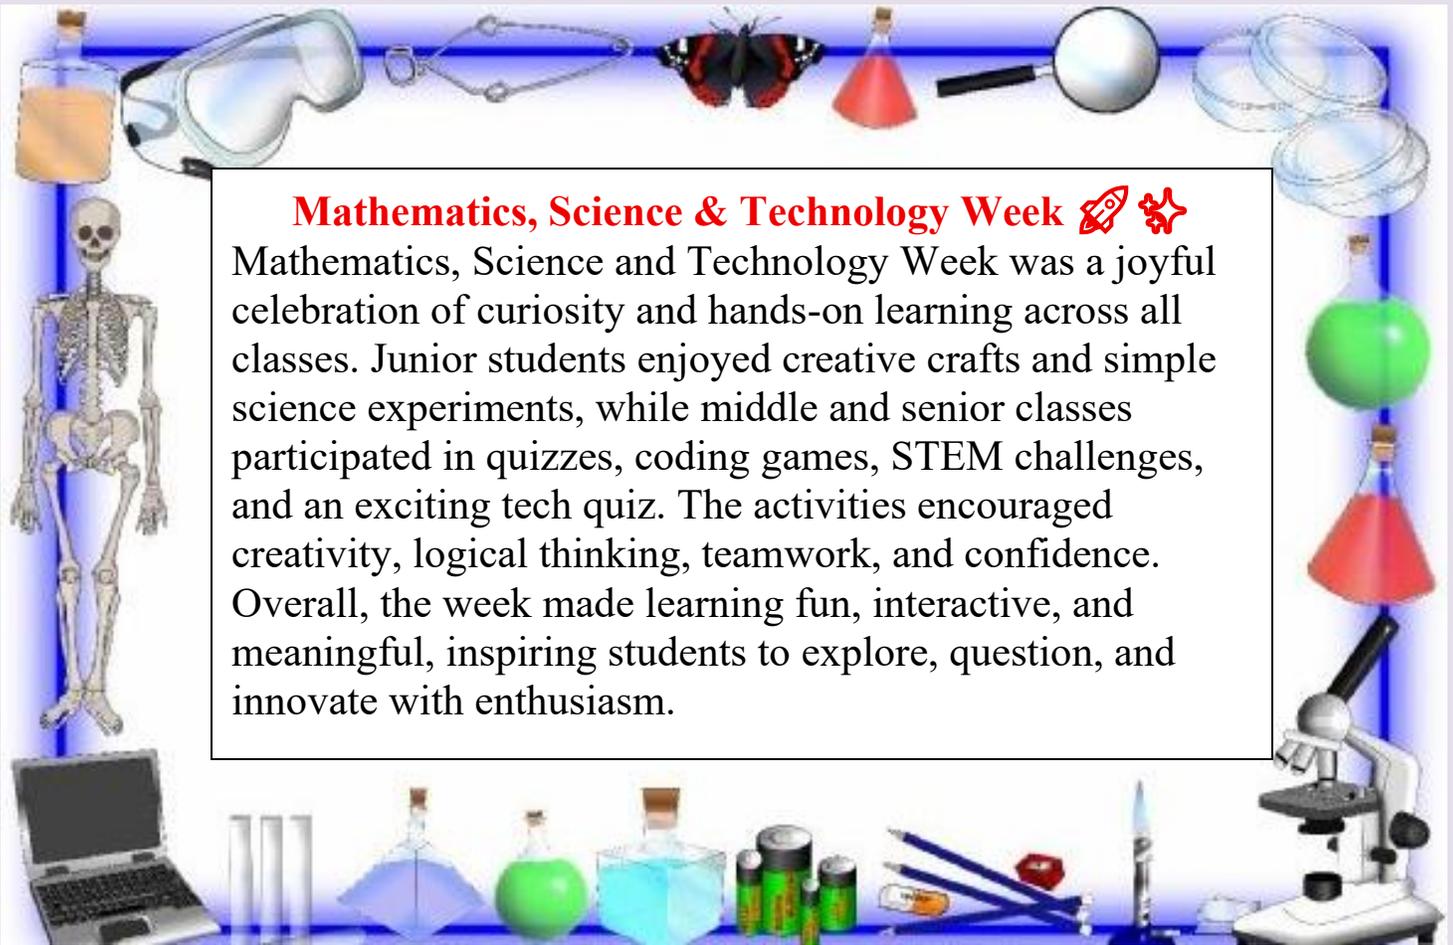

Merry Christmas

Special Christmas Assembly by Class II B & II C 🎄 ✨

The spirit of Christmas came alive during the special assembly presented by Grade II B and II C. The celebration was filled with festive joy through energetic dances, melodious music, and a heart-warming skit that beautifully conveyed the values of love, sharing, and kindness. The young performers showcased great enthusiasm and confidence, spreading happiness all around and making the assembly a joyful and memorable experience for everyone present.

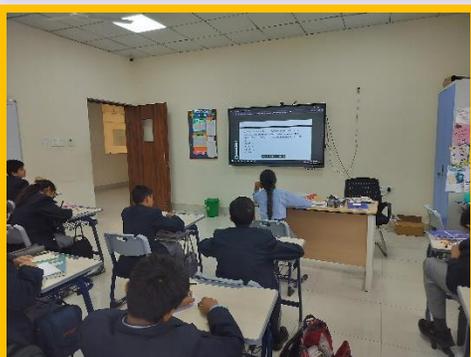

Mathematics, Science & Technology Week 🚀 ✨

Mathematics, Science and Technology Week was a joyful celebration of curiosity and hands-on learning across all classes. Junior students enjoyed creative crafts and simple science experiments, while middle and senior classes participated in quizzes, coding games, STEM challenges, and an exciting tech quiz. The activities encouraged creativity, logical thinking, teamwork, and confidence. Overall, the week made learning fun, interactive, and meaningful, inspiring students to explore, question, and innovate with enthusiasm.

Movie Screening for Students (Grades V–IX)

To help students relax and rejuvenate before the winter vacations, students of Grades V to IX were treated to a special movie screening of *Avatar: Fire and Ash*. The experience provided a refreshing break from academics, allowing students to unwind together and conclude the term on a joyful and positive note. 🎬 ✨

IHS Shines at the 40th National ITF Taekwondo Championship

As 2025 draws to a close, the IHS Sports Department proudly celebrates an excellent performance at the **40th National ITF Taekwondo Championship**, held at **Preksha Dhyan Academy, Ahmedabad, Gujarat**, from **26th to 30th December 2025**.

Special Recognition:

- **Mr. Amit Kumar** – *Best National Referee Award 2025*

IHS News

Students of Grades III and IV will soon begin their UT-IV examinations. We wish all our students the very best and encourage them to approach their assessments with confidence and a positive mindset.

Farewell Party

A Glamorous Farewell – Desi Vogue 2025

The Farewell Ceremony for the outgoing batch of Grade XII, held on 26th December, was a vibrant and memorable celebration themed “**Desi Vogue.**” The evening sparkled with colourful décor, stylish attire, and a perfect blend of tradition and modern glamour.

The programme featured lively music, energetic dances, fun games, a nostalgic childhood video, and a stunning ramp walk where students showcased confidence and grace. The questionnaire round highlighted their intellect, individuality, and presence of mind. The celebration concluded with prestigious titles, warm applause, and heartfelt blessings from the Principal, Headmistress, and teachers—making it a truly unforgettable send-off for Grade XII.
