FEBRUARY AND
MARCH(2026-27)**

A Month of Celebrations & New Beginnings

The months of February and March were filled with excitement and joyful celebrations. We celebrated Parents' Day, Yellow Day, organized various trips and events, and enjoyed a fun-filled Activity Week.

As we wrap up these memorable moments, we now look forward with enthusiasm and readiness for the new academic session.

**Parents' Day: A
Celebration of Togetherness**

On 17 February 2026, our school didn't just host an event—it celebrated the joy of being together. The day was filled with laughter, colours, and lively moments as parents and children bonded through creative activities, Zumba, karaoke, desi games, and tambola. From hands busy with art to hearts full at the Happy Wall, every corner reflected warmth and connection.

Thank you to our wonderful parents for joining with open hearts—this wasn't just a day, but a beautiful memory to cherish. ❤️

“The greatest gift parents give is not just life, but love, values, and endless strength.”

Kindergarten Graduation Day Celebration

On 7th March at IHS, our little graduates took their first proud step toward a bright future. The day began with the ceremonial lamp lighting, symbolizing knowledge and new beginnings.

The audience enjoyed lively dance performances by Nursery, LKG, and UKG students, reflecting their confidence and creativity. The highlight was the UKG Graduation Ceremony, where students received their certificates with joy and excitement.

Heartfelt words from students and parents made the event even more special. It was a day full of pride, happiness, and beautiful memories — marking the end of one journey and the beginning of another.

Yellow Day: Sunshine & Smiles

Our pre-primary wing celebrated Yellow Day with bright décor and cheerful vibes. Nursery, LKG, and UKG students enjoyed fun activities like sponge painting, puppet making, and craft work.

The highlight was the colourful fashion parade, where children dressed as fruits and vegetables. It was a joyful day full of creativity, confidence, and smiles!

"Yellow is not just a colour—it's a feeling of joy and new beginnings."

Activity Week: Fun, Creativity & Learning

Nine days of excitement, creativity, and hands-on learning made our Activity Week truly unforgettable! From energetic games and interhouse tournaments 🏀 ⚽ to vibrant Dance, Music, and Zumba sessions 🎵 🎶, each day was filled with joy.

Students explored their creativity through Art, Craft, and Pottery 🎨, discovered innovation in Robotics and Computer Lab 🖥️, and learned valuable life skills with Cooking Without Fire and Wellness activities 🍲💡. Senior students gained practical experience in Electricity and Carpentry 🔌🔨.

With fun-filled outings adding real-world exposure, it was a perfect blend of learning and enjoyment beyond the classroom! 🌿🌟

Day 8: Sports Spirit in Action

Day eight of Activity Week was filled with excitement and true sportsmanship as students competed in thrilling inter-house tournaments. Grades III–IV showcased their skills in soccer, while Grades VI–VIII battled it out in basketball.

With great teamwork and energy, Leaders House emerged victorious in soccer, while Champions House secured the win in basketball—making it a day full of passion, teamwork, and victory! 

Rocksport Adventure Camp: A Day of Thrill & Team Spirit

Adventure, laughter, and boundless energy marked a memorable day for our students from Grades I–VIII, X, and XII at Rocksport Adventure Camp. From ziplining and the Burma bridge to the commando net, gorilla cave, magical maze, tyre crawl, and even a tractor ride—each activity helped build confidence, courage, and teamwork. The day began with a warm welcome and safety briefing, followed by exciting adventure sessions. After a hearty lunch, students enjoyed fun camp games, lively DJ dance, and creative pottery activities .

Tired yet happy, they returned with joyful memories, stronger friendships, and a spirit of adventure to cherish forever.

*Great company,
Unforgettable day*

Exploring India's Rich Heritage

Our students experienced the beauty of India's culture, history, and craftsmanship through enriching educational visits.

Grades V–VIII explored the National Craft Museum, discovering traditional handicrafts, textiles, pottery, and folk art from across the country. The recreated village settings brought India's artistic diversity to life.

Grades X–XII visited the National Museum, where expert-guided tours introduced them to rare artifacts, ancient sculptures, coins, paintings, and glimpses of the Indus Valley Civilization.

These visits were engaging and insightful, helping students connect classroom learning with India's vibrant heritage.

Parenting Workshop 2026: Raising with Respect

On 21st February 2026, Imperial Heritage School hosted an engaging Parenting Workshop led by our school counsellor, Ms. Divya Chaabra. The session focused on building strong parent-child relationships through empathy and respectful communication.

Through interactive discussions and role-play, parents learned practical ways to manage screen time, academic pressure, peer influence, and teenage independence. The workshop encouraged a shift from reactive to responsive parenting, promoting better understanding and connection.

The session was highly appreciated for its meaningful insights and useful takeaways, reinforcing our commitment to nurturing confident and emotionally secure children.

PARENT ORIENTATION

Parent Orientation Programme: Welcoming New Beginnings

The school conducted a Parent Orientation Programme for new parents to warmly welcome them into the school community. During the session, teachers shared important information about school rules, policies, academic structure, assessment patterns, co-curricular activities, and overall expectations.

The programme helped parents understand the school's vision, teaching approach, and guidelines, ensuring a smooth and confident start to their child's learning journey.
