MONTHLY PLANNER FOR OCTOBER
GRADE-X (2023-2024)

“The whole purpose of education is to turn mirrors into windows.”

—Sydney J. Harris

Dear Parents,
Greetings!

“October is a symphony of permanence and change.”

October being a festive month will be full of celebrations, as we will be celebrating Navratri, Dussehra, Milad Ul Nabi, etc. and a lot of engaging activities will keep our students engrossed throughout the month. The focus will be on the academic front as well to help them cope with the scholastic subjects. September played a pivotal role in consolidating the preparations and focusing on revision for their mid-term examinations. A thorough recapitulation was done to help students prepare well for their exams.

Hindi Diwas is celebrated to inculcate love for the Hindi language and gain knowledge on the importance of Hindi Diwas. To pay tribute and to mark the importance of the country's most widely spoken language, IHS celebrated Hindi Diwas, wherein Grade X students were engaged in **Hasya Kavita Lekhan** and showed their love for the language.

Anangsha Ghosh, Tejas Lakhera, Shaurya Bhatia and Rishav Kumar of Grade X participated in the **CBSE Reading Challenge** on 25th September, 2023. This challenge was organized to provide students with the opportunity to demonstrate their skills in reading and understanding the English and Hindi language respectively.

Assessment of Speaking and Listening Skills was conducted as a part of **English** subject enrichment activity to assess their proficiency level in the language with the objective that they are able to interpret what is being said and are able to express themselves well

Teachers' Day is held every year throughout the country on September 5. The Student Council, along with students in Grades X and XI, marked this day by making it special for their teachers. Taking over as teachers, the X and XI graders gave the teachers an opportunity to enjoy this special day. Teachers were overwhelmed with emotions by the effort that the students had put in, and words of appreciation fell short to compliments.

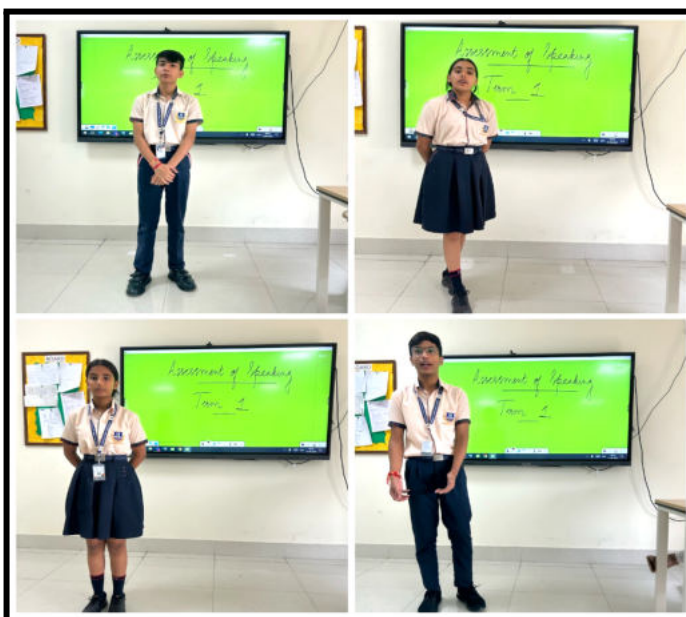

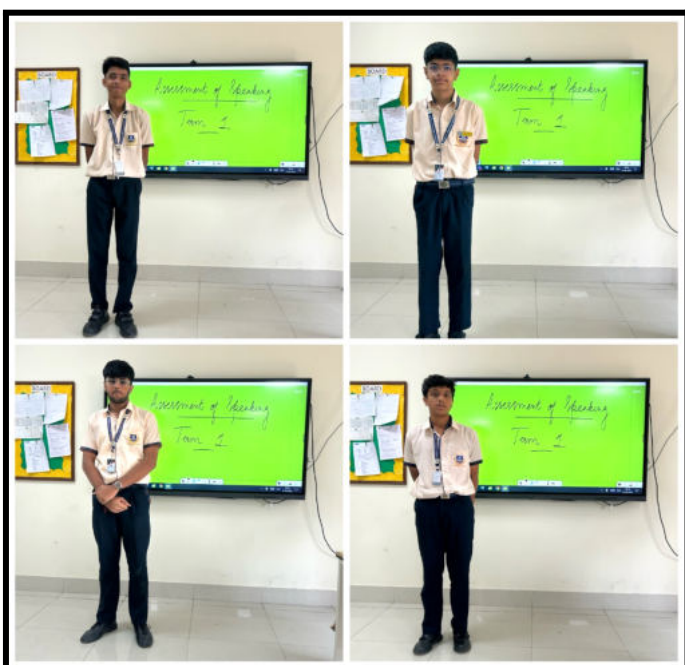

Project Veer Gatha was instituted with the aim of disseminating the details of the acts of bravery of the Gallantry Awardees and the life stories of these brave hearts among the students. Project Veer Gatha has provided a platform for school students to do creative projects/activities based on gallantry award winners. As part of this, the students framed different projects through various media like art, poems, and essays on these gallantry award winners.

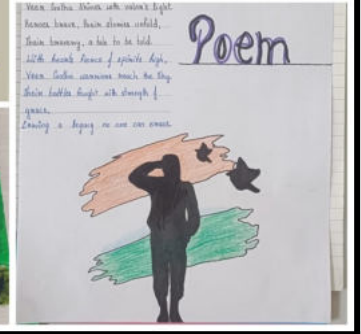

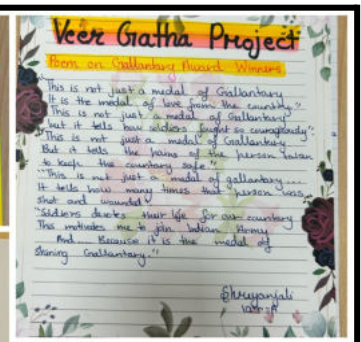

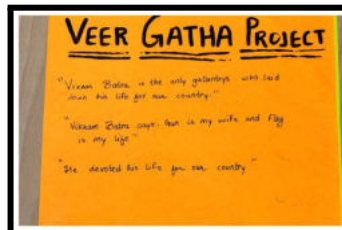

The Swachhata Pakhwada embarked in the month of September with the students and teachers taking a pledge to cleanliness. It promoted the virtues of personal as well as social hygiene among the students. The students were also told about the importance of cleanliness and encouraged to keep their surroundings litter-free. They were also stimulated to spread awareness about the same.

Family values are something that we get from our parents in the form of love, care, trust, honesty, kindness, empathy, compassion, perseverance, and many more. As **Teachers' Day** was also observed this month, students showed their gratitude towards their teachers by giving them greeting cards, flowers, etc. as a token of love.
