

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR OCTOBER
GRADE XI- HUMANITIES (2023-2024)

“Education is not the learning of facts , but the training of the mind to think .”
- Albert Einstein

Dear Parents,

Greetings!

The month of October marks the conclusion of the rainy season and the beginning of winter. October is best known for its festivals. Festivals are an expressive way to celebrate glorious heritage, culture, and traditions. This month is loaded with national and global celebrations. We have a number of festivals and events in the upcoming month, such as Gandhi Jayanti, Navratri, Durga Pooja, Dussehra, Eid, Valmiki Jayanti, and Halloween.

September focused on the holistic development of children. The month scattered over was full of revisions, assessments, and learning new concepts. Students had their revision week followed by Term I assessment.

September was a month where the students got an opportunity to showcase their love and respect for their teachers, and they celebrated **Teachers Day** in a very joyful way.

To signify the role of education in one’s life, **International Literacy Day** was celebrated on September 8. This day aims to raise awareness about the various literacy issues faced by people from different parts of the world. The day also aims to endorse campaigns that can lead to the improvement of literacy, especially in parts where it is needed the most. During this, students designed a Flow Chart listing the Nobel Prize Winners from India.

As a part of **CBSE Project Veer Gatha** and to increase awareness among students about the gallantry Award winners of our country, students participated in interdisciplinary and art -integrated activities like composing poems, Essay writing , Painting, and multimedia presentations

In **General studies**, an activity was conducted wherein the students made a poster on "Sustainable Earth". Through the poster, they tried to show that sustainability is no longer about doing less harm. It's about doing more good.

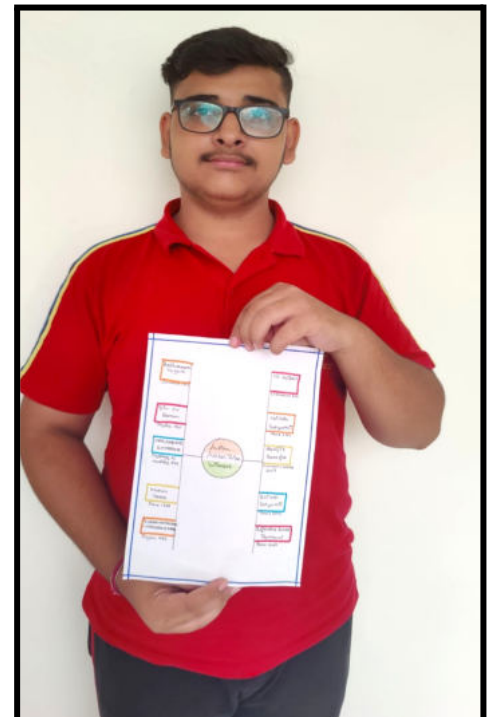

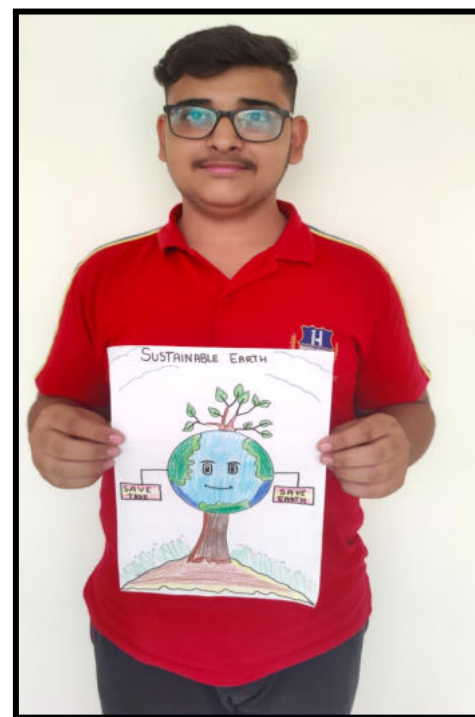

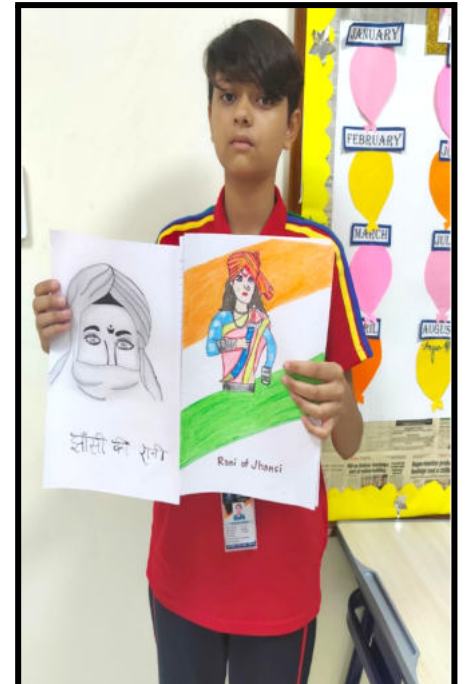

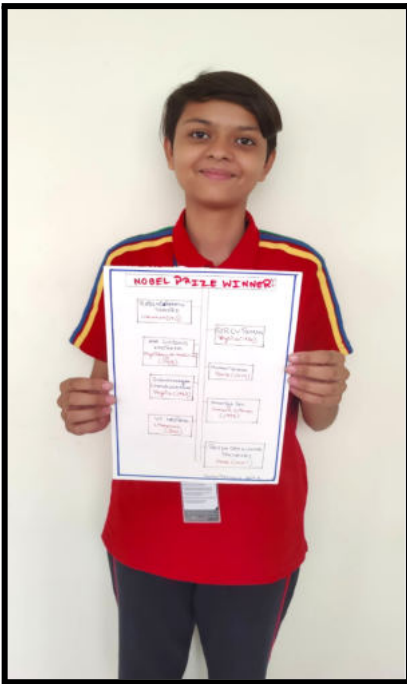

Assessment of Speaking and Listening Skills was conducted as a part of **the English** subject enrichment activity to assess their proficiency level in the language with the objective that they are able to interpret what is being said and are able to express themselves well.

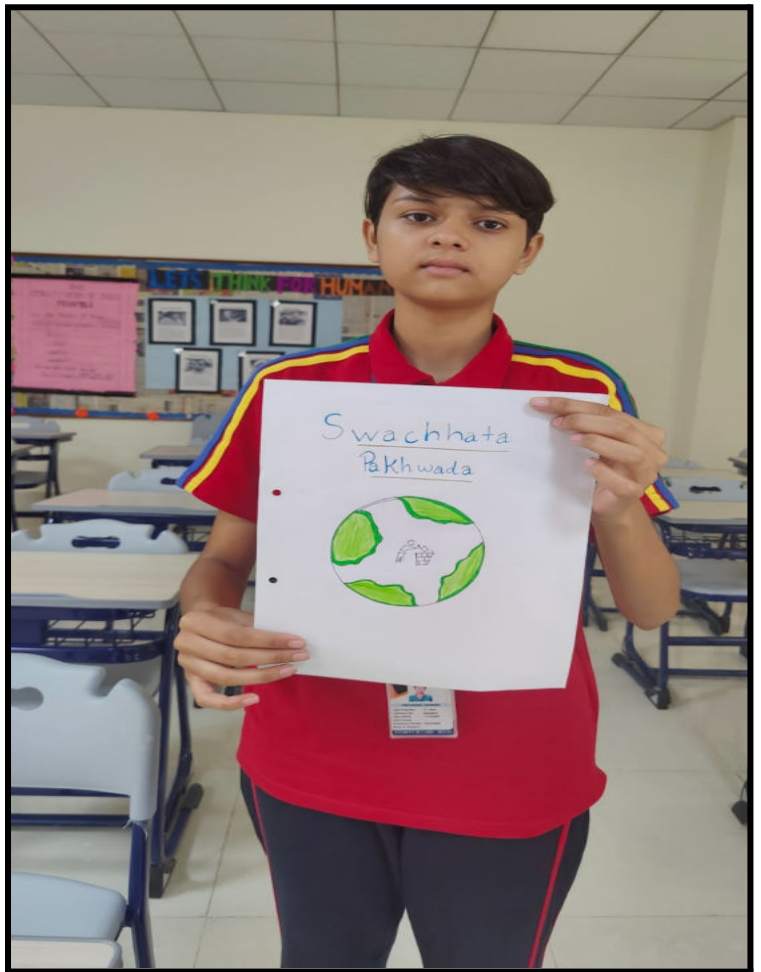

In order to educate students about cleanliness and hygienic practices, the **Swachhata Pakhwada Activity of CBSE** was organized. In this, students used writing to emphasize the value of cleanliness in order to raise awareness of the need to ban single-use plastics and reduce plastic pollution while adhering to the 3 Rs (reduce, reuse, and recycle) principle.

Values are an integral part of our curriculum .The **value of the month was family**, and students shared their thoughts about how family is a pillar of their strength and boosts their confidence to make them a better person in our society.

IHS NEWS

With great honour we announce that our Principal, Ms. Neelu Sharma has received three awards this month. She was awarded as **The Principal of the Year** by Education Excellence Conclave, the **Top School Educator Award** by Principal Connect, and the **Innovative Principal Award** by Rishihood University, recognizing her excellence in holistic teaching practices and her outstanding dedication and unwavering commitment to the field of education. Her passion for education and outstanding contributions in the field of education are highly commendable.
