MONTHLY PLANNER FOR OCTOBER
GRADE IV (2023-2024)

"Education is the key to unlocking the golden door of freedom."

- George Washington Carver

Dear Parents,

Greetings!!

October is a much-awaited month that symbolizes the transition from one phase to another. It brings a sense of closure to the current period while also signaling a fresh start. It is a month filled with festivals and events that are celebrated all over the country with immense enthusiasm and fervor.

Janmashtami is a Hindu festival celebrated to mark the birth of Lord Krishna, an incarnation of Lord Vishnu. Our students made Janmashtami craft with great enthusiasm.

In September, Teacher's Day was celebrated with students expressing their affection and admiration for their educators through cards, presents, and sincere messages. The student council, along with Grade X and XI students, organized various activities to make this day extraordinary for the teachers.

Commemorating First Aid Day within the school provides an excellent opportunity to promote awareness regarding the significance of basic medical knowledge and emergency response skills. During this event, the school nurse demonstrated the proper application of bandages and the treatment of minor injuries in emergency situations. Additionally, students were encouraged and inspired to create their own compact first aid kits. In our efforts to educate students about the importance of rivers, their conservation, and their vital role in our ecosystem, we observed World River Day. During this occasion, students personified various rivers from around the world and delivered short speeches on preserving our rivers for the benefit of future generations. World Tourism Day was celebrated to instill and enhance awareness of the topic's importance, as well as to gain insights into the social, cultural, and economic significance of tourism. Students created imaginative personal passports and, with the guidance of their teachers, obtained "visas" for their favorite destinations. Hindi Diwas was also commemorated at our school, during which students engaged in a poem recitation and gained an understanding of the significance of our national language.

The value for the month revolved around Family, emphasizing its pivotal role in our lives as a source of love, support, and a profound sense of belonging. To convey this significance, students were enlightened about the importance of family and the invaluable values they inherit from their family members.

In August, the auspicious festival of Raksha Bandhan was joyously observed, with students crafting personalized rakhis for their loved ones in their art class.

Creating a Healthy Plate activity was conducted in EVS to promote healthy eating habits and nutrition education. Students gained a solid understanding of the importance of a balanced diet, the role of different food groups and how their choices impact their health through discussion with the peer group.

The primary objective of any sports competition is to achieve greater speed, reach higher goals, and become stronger. On the 29th of August, National Sports Day was commemorated, and students eagerly engaged in entertaining races. Heartfelt congratulations to the victorious participants!

In a heartwarming and inspiring display of respect and admiration for Mahatma Gandhi, the young talents of Grade IV came together to organize a special assembly on the occasion of Gandhi Jayanti. The event was a delightful tribute to the Father of the Nation, showcasing the values and principles he stood for. The assembly began with a captivating rendition of Gandhi's favorite devotional song sung in unison by the students, setting the tone for the event. Dressed in traditional attire, the young performers exuded the spirit of simplicity and peace that Gandhi epitomized.

Kiaan Saini of IV B participated in Ch. Dharam Singh Kamboj Annual Open Skating Tournament and received 3rd position.
