MONTHLY PLANNER FOR OCTOBER
GRADE-VI (2023-2024)

“It must be October, the trees are falling away and showing their true colours.” — Charmaine I Forde

Dear Parents,

Greetings!!

Let's welcome October with open arms as it marks the end of a season and reminds us of a new beginning. In October, we can feel the winter chill on the underside of the autumn breezes.

“October is the fallen leaf but it is also a wider horizon more clearly seen. It is the distant hills once more in sight, and the enduring constellations above them once again.” — Hal Borland.

The above mentioned quote is apt for our students, as they have crossed a milestone and are ready to go for another. October marks the beginning of the Term II of the current academic session. The students have learnt a lot of things with the passage of time, but there is much more to add to their plate.

The month of September was full of excitement and anxiety at the same time as the children sat for their **Term I examination**. It was a golden opportunity for our students to prove themselves. They were occupied with revision, viva and practical of various subjects. The objective of recapitulation was to get better grades and it was achieved through reading, discussion, worksheets and open-book assessments. Our young gems left no stone unturned to bring forth their best performance. Listening and Speaking assessments were conducted for **English** wherein the students showed their attentive listening and smart speaking skills in a time bound activity. We hope they will come out with flying colors in Term 1 as well. .

Swachhata Pakhwada, CBSE activity, was conducted for the students. Students were sensitized about the hygiene and importance of cleanliness. Swachhata Pledge was taken, where students promised to keep the planet green.

Krishvee Prasad, Vaibhavi Lakhera of VI A and Aarav Budhiraja and Tanishka of VI B participated in the **CBSE Reading Challenge** on 25th September, 2023. This challenge was organized to provide students with the opportunity to demonstrate their skills in reading and understand the English and Hindi language respectively.

In order to honor the acts of bravery and sacrifice of the officers and personnel of the Armed Forces, the students of IHS were motivated to do projects and activities based on **Gallantry Award** winners. They were engaged in various activities like Poem Composition, Paragraph and Essay writing, Painting, MultiMedia presentations under the **CBSE Project Veer Gatha Edition 3.0**.

The students participated and contributed their bit to **International Literacy Day** on September 8 where they made charts of the letters in Hindi and English alphabets for school's nannies and advised them to learn the letters at home. The students also donated books and stationery items. The happiness on the faces of the nannies was proof that literacy is wanted by all segments of society, and they highly appreciated the efforts of the students.

Assemblies serve as a medium of cultural transmission. **Special Assembly on Raksha Bandhan** by the students of Grade VI highlighted the pious bond of love, strength, and true care between brothers and sisters.

Sanskrit Diwas was celebrated on September 1, in IHS to create awareness and promote one of the ancient and oldest Indian languages, the foundation of different classical texts in fields like Literature, Philosophy, Mathematics, and Science. **Hindi Diwas** was celebrated with great zeal, where the students creatively wrote Rahim ke Dohas.

The influence of teachers extends beyond the classroom and well into the future. The students expressed their sincere gratitude and appreciation for the teachers on **Teachers' Day**. A mind-blowing performance was organized for them with heartfelt poems, soulful and foot-tapping song and dance performances by the student council.

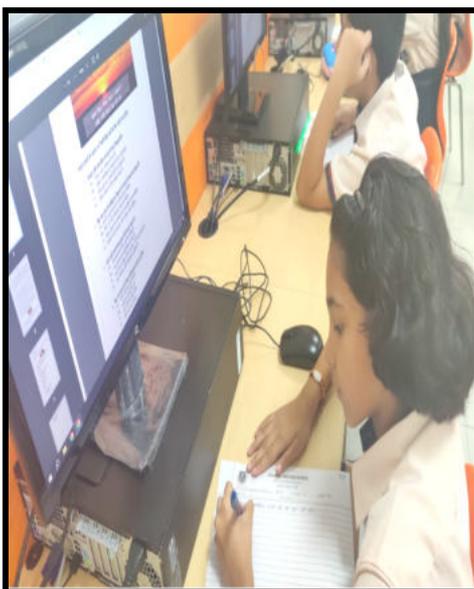

"Family means no one gets left behind or forgotten." David Ogden Stiers

The value of the month was **Family**, and the students were engaged in moral-based discussion during the teaching and learning process, highlighting the importance of a family, which helps instill moral values like truthfulness, happiness, peace, and justice in children's thoughts, feelings, and actions.

Let light triumph over darkness. Enjoy the victory of truth over evil. Always remember that no matter how thick the darkness is, a faint glimmer of light can kill it all. I wish you all a Happy Dussehra!

IHS NEWS:-
