MONTHLY PLANNER FOR OCTOBER
NURSERY (2023-24)

**"The best way to predict your future is to create it."
- Abraham Lincoln.**

Dear Parents,

We are ready to welcome the new month October with open arms as it marks the end of a session and reminds us of a new beginning. Different months bring different joys. However, of all the months, October has always been everyone's favorite month as it marks the beginning of festivals and events that are celebrated across the country with great enthusiasm and great fervor.

Children learned new letters and numbers through fun-filled activities and writing practice. Introduction of letters and numbers was done with the help of flash cards and different educational games. They sorted different letters and numbers according to the instructions given. In EVS it was fun learning about animals. Children learnt about wild, domestic, farm and aquatic animals by doing different activities like craft, virtually and singing rhymes related to animals like Old Macdonald, Mary had a Little Lamb and Once I Caught a Fish Alive etc. A story associated with animals, The Lion and the Mouse was narrated by the teachers through a forest created in the class. The culmination theme craft was Green Forest Activity where the students created a forest and showcased wild animals.

Healthy bodies make happy souls. The children enjoyed PE classes with lots of fun-filled activities, like balancing, kicking, throwing and self defense by doing basic steps of Taekwondo, which will improve their gross motor skills.

The end of August celebrates National sports Day to mark the birth anniversary of Hockey wizard, Major Dhyan Chand. In recognition of the importance of sports in one's life, Kindergarten students participated in Fun races. Celebrating the special bond between brothers and sisters, the students made beautiful rakhis for their special one on the occasion of Raksha Bandhan.

Celebrating Colour Burst, the students celebrated Purple colour by wearing purple outfits and enjoyed doing an octopus craft. They made real life connections during circle time and recalled different purple things that they see in their day- to- day life. The month of September also played host to Teachers Day and the students showered their love and gratitude towards their teachers through little hand made cards and hugs. The council members have made the day special for the teachers by planning fun-filled activities throughout the day. Shri Krishna Janamashtami is celebrated as the birthday of Lord Krishna, the eighth incarnation of Lord Vishnu. The kids feel connected to culture with preschool Janmashtami celebrations. Children enjoy being creative, they engage in Janamashtami- themed crafts like decorated small pots(Matkas) with paint and glitter. World First Aid Day is always held on the second Saturday in September each year. World First Aid Day is an Annual global event which promotes the importance of First Aid and aims to raise awareness of how First Aid can save

lives. Thus the International First Aid Day was celebrated with the little ones by sharing basic aspects of First Aid along with practical ‘Health and Hygiene’ tips. Gandhi Jayanthi is a reminder to everyone of the value of non- violence and the tiny tots celebrated this national festival by making a 3D Babu craft, in respect of the Father of the Nation.

The value of the month was Family. Family is the cornerstone of our lives, providing us with love, support and a sense of belonging. The meaning of the same was explained to the students by talking about the importance of family and the values they learnt from their family members. Children enjoyed singing We are a Happy Family.

Pre Primary celebrated Grandparents Day- UTSAV. Grandparents are a family’s greatest treasure, the founders of a loving legacy, the greatest storytellers and the keepers of traditions. They are the family’s strong foundation. For grandparents, their grandchildren are the greatest gift they can have, it’s a chance to relive their own time as parents and even better – an opportunity to do everything they enjoyed doing or missed doing with their own children. Pre-Primary students presented the epic RAMAYANA by leaving the message of VICTORY OF GOD OVER EVIL .An enthralling performance by students left the grandparents spellbound and thoroughly mesmerized.
