

IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR APRIL- MAY
TODDLERS (2023-24)

“Learn as much as you can while you are young, since life becomes too busy later.”
~Dana Stewart Scott

Dear Parents,

Welcome to a new year of learning and fun at Imperial Heritage School. The month of April is all about new beginnings and is full of cheer, excitement and curiosity. The school building impatiently awaits the children...eager to hear them laugh, chatter and spread happiness.

We had a successful session, the first complete off line one after the pandemic and everyone was glad to be back to the old way. Assignments and assessments, sports, clubs and competitions...everything was done. 2022- 23 also played host to the biggest extravaganza of the year- the Annual Day.

As the year closes, we are ready to commence with the new session and look forward to a great year ahead!

The first day will be planned with activities to help make students become comfortable with the new class, some new friends and teachers. This will be followed by one week of recapitulation of some important concepts of the previous year to help bond the teachers and the students for smooth sailing ahead.

“Your time is limited, so don’t waste it living someone else’s life. Don’t be trapped by dogma, which is living with the result of other people’s thinking. Don’t let the noise of other’s opinions drown out your inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary.”

~Steve Job
