**Dear Parents,**

Greetings from Imperial Heritage School!

As we step into a new academic session, the silent corridors eagerly await the laughter, excitement, and vibrant energy of our students. We look forward to another year filled with learning, growth, and cherished memories.

The year 2025-26 was truly remarkable, enriched with academics, activities, competitions, celebrations, and assessments. Our students not only excelled in their pursuits but also created lasting experiences. A highlight of the year was our grand Annual Day, *Yugantaran*.

“This is a new year. A new beginning. And things will change.”

With this spirit, we are ready to welcome our students into a brand-new session, offering exciting learning experiences, engaging activities, and new opportunities for growth.

The first day will focus on interaction with the new class teacher, introductions, helping students adapt to their new environment, connect with their teachers, and build friendships. The first week has been thoughtfully designed to revisit key concepts from the previous year, ensuring a strong foundation for the learning journey ahead.

As Swami Vivekananda rightly said:

*"Take up one idea. Make that one idea your life – think of it, dream of it, live on that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other idea alone. This is the way to success."*

We look forward to a year of meaningful learning, inspiration, and achievement.

***YOUR SUCCESS JOURNEY STARTS NOW!!!***
