

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR AUGUST
GRADE I (2025-2026)

"The future belongs to those who prepare for it today."

- Malcolm X

**Dear Parents,
Greetings!**

Students returned to school after a long summer break, looking forward to what was in store for them at school. And they were not disappointed as the month was full of excitement, where they were engaged in different activities to keep them occupied. The students took pride in presenting their holiday homework that they had done with a lot of enthusiasm and creativity. They presented their 3D masks of Indian heritage, which were a part of their holiday homework, in a marching parade with a lot of zeal and excitement. Students also participated in an Intra Class Diorama Competition.

In **English**, to introduce the concept of *Doing Words*, an engaging 'Simon Says' activity was conducted in the school playground, transforming learning into movement and fun. Students eagerly followed action-based commands—jump, run, clap—only when "Simon said," helping them physically experience verbs through play. This dynamic approach deepened their understanding of action words while fostering listening and response skills. The session concluded with a creative *Action Tree*, where students illustrated various verbs and showcased their grasp through beautifully crafted notebook presentations.

In **Math**, the concept of *Addition* was introduced through interactive tools like number lines and abacus beads, making learning both visual and hands-on. A number line—with its evenly spaced intervals—helped students understand the sequence of numbers and grasp how addition moves us forward along the line. Using this tool, children identified and located numbers before solving additional sums with confident jumps. The abacus, with its tactile charm, offered another layer of engagement, allowing young learners to count, group, and add with clarity. These activities turned abstract numbers into tangible steps, sparking curiosity and reinforcing foundational skills with every move.

In **EVS** students enthusiastically explored the theme of *Community Helpers* through a lively blend of enactment and model-making. Choosing roles ranging from doctors and chefs to teachers and postmen, they not only performed with confidence and creativity but also built miniature workstations that reflected thoughtful details and imaginative flair. Their expressive lines and playful dramatizations brought everyday heroes into focus, transforming the classroom into a vibrant hub of service, teamwork, and discovery.

Father's Day is a cherished occasion that honors the unwavering love, strength, and support of fathers. To celebrate this meaningful bond, students crafted delightful French fry-themed cards, using playful creativity to express heartfelt emotions. Each fry carried a carefully chosen adjective—kind, brave, funny, wise—painting a vivid portrait of the unique roles their dads play. Through this thoughtful activity, children not only shared warm sentiments but also deepened their understanding of gratitude and appreciation, adding a personal touch to a day dedicated to family love.

"A book is a gift you can open again and again,"

Book Week was a vibrant tribute to the world of stories and imagination. Students wonderfully created their own story with the help of hand puppets and enjoyed the different way of story narration. They also confidently narrated tales from their assigned summer-read books during the **Story Session** and enjoyed

spontaneous reading moments in the **D.E.A.R.** activity. The classroom bloomed with creativity as students contributed cover pages of their favorite books to build a colourful **Story Tree Wall**. In the *Book-Inspired Diorama Competition*, they crafted shoebox scenes inspired by beloved stories and shared their interpretations with enthusiasm and flair—making Book Week a joyful celebration of storytelling in all its forms. The school also hosted a delightful puppet show where jungle animals came together to celebrate Mickey Mouse’s birthday, filling the atmosphere with joy, laughter, and endless excitement for the children.

To acknowledge overall excellence and to recognize the achievement of our brilliant students.

To gently nurture the spirit of kindness, a charmingly decorated mailbox found its place in the classroom throughout the month. Students were encouraged to drop anonymous notes of appreciation and encouragement for their peers—little gestures with a big heart. Notes like “You’re always smiling,” “I liked the way you helped me yesterday,” and “You’re a good friend” quietly echoed the beauty of everyday compassion. As the month drew to a close, these uplifting messages were read aloud, wrapping each child in a sense of belonging and inspiring them to continue spreading kindness in their own unique way.

In a touching gesture of love and gratitude, our students handcrafted *Rakhis* for the brave soldiers stationed at our borders. These delicate threads, adorned with care and creativity, carried far more than festive charm—they were heartfelt tributes to courage, protection, and sacrifice. With each knot tied, children conveyed deep respect and appreciation, turning tradition into a powerful act of connection with the guardians of our nation.

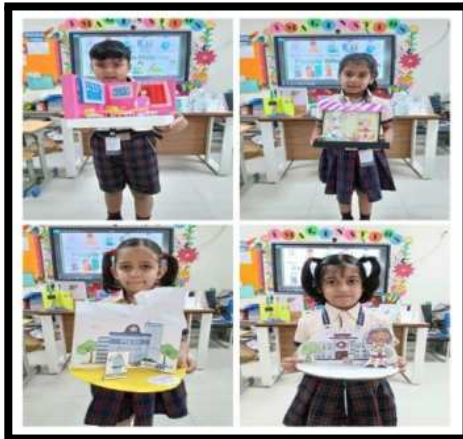

As part of **CBSE** awareness drives, our students were sensitized to the importance of dolphin conservation, taking a pledge to avoid shows involving dolphins in captivity. They also participated in the Sadak Suraksha Abhiyan, learning about road safety through an engaging and age-appropriate video.

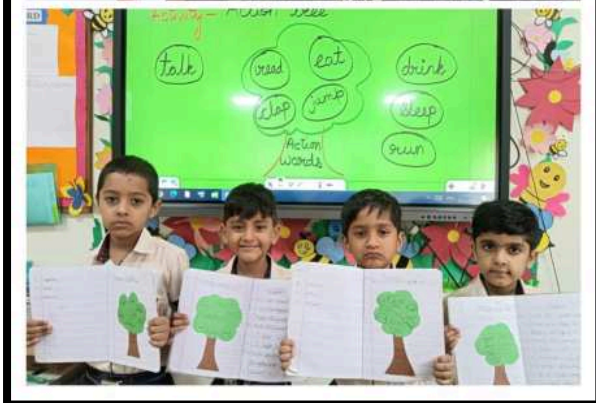

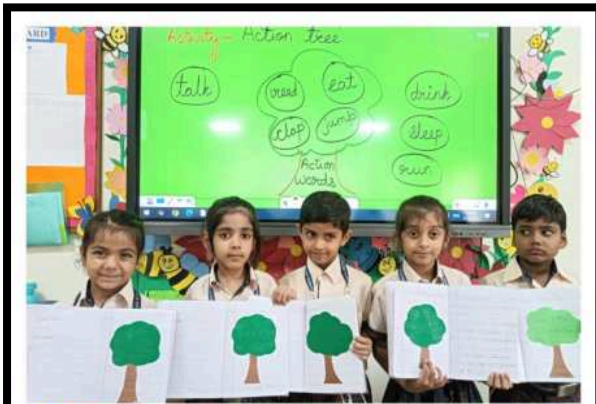

IHS News

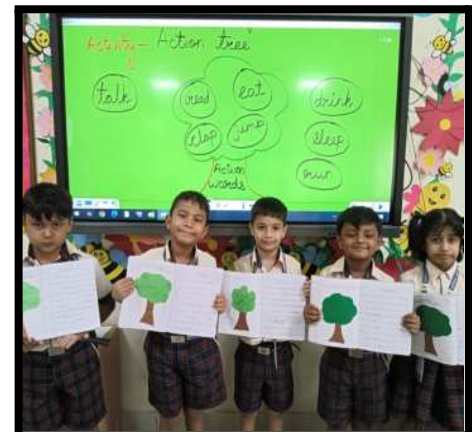

For the first time, Imperial Heritage School (Grades V–VIII) hosted vibrant class presentations centered around the Sustainable Development Goals (SDGs) — and it was a big hit! Parents were full of praise for the creativity, effort, and awareness showcased by our students. As we step into August, students of Grades Nursery to IV will take the spotlight with engaging theme-based assemblies and class presentations. We are also thrilled to announce that preparations are in full swing for our 5th Annual Inter-School Event,

Maadhyam scheduled for 23rd August, where schools from across the city will join us for a day of creativity, competition, and collaboration.
