

**IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM**  
**MONTHLY PLANNER FOR AUGUST**  
**GRADE II (2025-2026)**

"Loving our country means being kind, helping others, and making India proud every day!"  
— *Walt Disney*

**Dear Parents,  
Greetings!**

It was heartwarming to welcome our little learners back after a refreshing summer break. Their bright smiles, curious minds, and endless energy once again filled the school corridors with excitement. The month of July unfolded beautifully, striking the perfect balance between academics, creativity, and joyful moments — helping children ease back into the rhythm of school life.

We began the month with a wonderful celebration of stories during **Book Week**. Inspired by Dr. Seuss's words, *"The more that you read, the more things you will know. The more that you learn, the more places you'll go,"* we aimed to instill a deep love for reading. In **'Story Land Adventure'**, children brought their favourite tales to life using 2D or 3D models created at home. The **'Mini-Storytellers' Spotlight** saw them step into the shoes of their beloved book characters — sharing fun facts and re-enacting their stories with flair. A real highlight was **'The Great Literacy Challenge'**, where our enthusiastic readers used voice, expression, and confidence to narrate stories in an intra-class competition. The school also hosted a delightful puppet show where jungle animals came together to celebrate Mickey Mouse's birthday, filling the atmosphere with joy, laughter, and endless excitement for the children.

Since **Father's Day** fell during the break, we brought the celebration into the classroom to ensure no child missed out. Students designed adorable "Best Dad" trophies while sharing sweet stories and smiles, making it a truly touching activity.

Academically, it was a month full of **hands-on learning**. In **EVS**, we explored the theme **'Our Food'** through the creation of a food pyramid and wrapped it up with a fun and healthy "Cooking Without Fire" party. The topic of **'Plants'** came alive through a nature walk and a potato sprouting experiment. In **English**, grammar turned into a fun play session with the **'Pocket of Plurals'** game and a puppet-making activity to reinforce the use of pronouns. Students also practiced asking questions by turning given answers into smart, creative queries. **Math** was all about building concepts step by step. Subtraction was introduced using hands-on activities — from real objects and picture clues to the lively **'Fish Bowl Subtraction'** game, which made learning both fun and memorable.

The **value of the month — Kindness** — took centre stage through thoughtful conversations and activities. Students created a **'Tree of Kindness'** in the classroom, adding leaves every time they performed a kind deed. They also captured and shared acts of kindness done at home, reminding us all that even small actions can have

a big impact. Extending the spirit of kindness, the students made lovely rakhis for the soldiers to show their gratitude and respect, sending warm wishes to our real-life heroes.

As part of **CBSE awareness drives**, our students were sensitized to the importance of **dolphin conservation**, taking a pledge to avoid shows involving dolphins in captivity. They also participated in the **Sadak Suraksha Abhiyan**, learning about road safety through an engaging and age-appropriate video.

### **IHS News**

For the first time, Imperial Heritage School (Grades V–VIII) hosted vibrant class presentations centered around the Sustainable Development Goals (SDGs) — and it was a big hit! Parents were full of praise for the creativity, effort, and awareness showcased by our students. As we step into August, students of Grades Nursery to IV will take the spotlight with engaging theme-based assemblies and class presentations. We are also thrilled to announce that preparations are in full swing for our **5th Annual Inter-School Event**, Maadhyam scheduled for **23rd August**, where schools from across the city will join us for a day of creativity, competition, and collaboration.

As we step into a new month, we carry with us the warmth and wonder of July — a month that celebrates learning, laughter, and kindness. We're excited to continue this joyful journey with your children and can't wait to see what the coming weeks have in store!
