

**IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM**  
**MONTHLY PLANNER FOR AUGUST**  
**Grade III (2025-2026)**

*“ Education’s purpose is to replace an empty mind with an open one”: Malcolm Forbes*

**Dear Parents,  
Greetings!**

August in India is a month of transformation and celebration, where nature’s lush monsoon beauty meets rich cultural and national pride. Festivals like Raksha Bandhan, Janmashtami, and Ganesh Chaturthi strengthen bonds and showcase traditions, while Independence Day on the 15th fills hearts with patriotism and unity. From dancing in the rain to sharing sweets and singing the national anthem, August reminds us to cherish relationships, honor our heritage, and embrace life with gratitude and joy. Let’s welcome this vibrant month with enthusiasm and pride.

The month of July was full of enthusiasm as the students joined back to school after their summer break, rejuvenated and full of enthusiasm. The school celebrated **Book Week** by organizing various activities. Book Week in schools is crucial for fostering a love of reading and promoting literacy among students. It provides a dedicated time to celebrate books, authors, and the joy of reading. These events not only make reading fun but also encourage students to explore different genres, improve their reading skills, and develop a lifelong passion for literature. Additionally, it helps create a community of readers within the school, enhancing collaboration and communication among students and teachers.

- **Guess the story in Flash:** Students guessed the famous popular book titles based on an incomplete story name written on chits.
- **Drop Everything And Read (D.E.A.R):** Students carried storybooks with them on this day. When the instruction was given, everyone stopped what they were doing and read their book.
- **From page to stage:** Students participated in an intra class competition where they dressed up as their favorite character from their favorite stories and explained their costume choices and the character’s significance in the story.

***Congratulations to the winners!!!***

Position/Class	Grade III A	Grade III B	Grade III C
I	Meehul Saini	Twisha Gulati	Nyra Viji, Aarvi
II	Shivay Pandey	Aarna Singhal, Anayra Bahl	Aashi
III	Rudrakshi and Namasvi Verma	Anayat Kaur and Ansh Ravesh	Nishka Thakur and Aavya Dubey

The month of July also included an **Inter-House Competition** to celebrate Book Week and help students learn more about Books and reading habits. As part of the event, all students took part in a drawing Competition where they showcased a story from Panchtantra and Jataka in three parts i.e beginning, middle and end on one page. Their creativity was impressive, and they were especially excited because it was their first time taking part in an Inter-House Competition. The school also organised a delightful **puppet show** that left the children beaming with joy and laughter! The story revolved around everyone's favorite character—Mickey Mouse—as he celebrated his birthday with his friends. The colorful puppets, lively music, and cheerful storytelling created a magical atmosphere that had all the children glued to their seats.

***Congratulations to the winners!!!!***

### **Result of Inter House Competition-**

**I- Challengers House**

**II- Champions House**

**III - Warriors House**

To celebrate **Raksha Bandhan**, our students crafted beautiful rakhis with love and gratitude for our brave soldiers and sent them as a token of respect and appreciation for their service to the nation. This heartfelt gesture aimed to make our soldiers feel the warmth of home even while on duty. The activity also helped students understand the true spirit of Raksha Bandhan — love, protection, and unity.

As part of **CBSE** awareness drives, our students were sensitized to dolphin conservation, taking a pledge to avoid shows involving dolphins in captivity. They also participated in the Sadak Suraksha Abhiyan, learning about road safety through an engaging and age-appropriate video.

The value of the month was **KINDNESS** and students began their lesson on kindness by watching a video that illustrated the meaning and importance of being kind to others. This visual introduction helped them grasp the concept through real-life examples and stories. Following the video, they read a book about kindness, which further reinforced the ideas they had seen and introduced new perspectives on how to be kind in various situations.

Children also did a lot of hands-on activities in different subjects to understand various concepts which were introduced to them. In **English** to make learning punctuation fun and interactive, students created colorful punctuation puppets. As the teacher read out sentences, they eagerly identified and raised the correct puppet — whether it was a full stop, question mark, or exclamation mark. The activity not only reinforced their understanding of punctuation marks but also added creativity and excitement to the lesson.

In **E.V.S**, in our recent exploration of the chapter Plants Around Us, we began with an engaging video that showcased various types of trees and illustrated how different plants thrive in diverse climates. This visual introduction set the stage for a deeper understanding of plant life. Following the video, students made a scrapbook of plants where they collected pictures of different plants like trees, shrubs, herbs, climbers and creepers and pasted them in a scrapbook and explained about them in a few lines. In another activity children made a plant life cycle model using paper plates where they showcased the different stages of plant growth from seed to big tree.

While studying multiplication in **Mathematics**, students participated in "**Clapping Facts**" activity to help children revise their multiplication tables in an interactive and energetic manner. Each child took turns picking a chit from the box, reading the multiplication problem aloud, solving it mentally, and then clapping as many times as the

answer. The students enthusiastically participated in an engaging and fun-filled multiplication activity named Kaboom. In this game, ice cream sticks were used, each labelled with a multiplication sum or the word "Kaboom". Children took turns picking up sticks from a container. If a student picked a stick with a multiplication sum, they had to solve it mentally and give the correct answer to stay in the game and earn points for their team. However, if they picked a "Kaboom" stick, they were eliminated from the round, creating moments of surprise and excitement. The activity not only encouraged quick mental calculations but also promoted teamwork, focus, and a love for learning mathematics in a playful environment.

**IHS News-** For the first time, Imperial Heritage School (Grades V–VIII) hosted vibrant class presentations centered around the Sustainable Development Goals (SDGs) — and it was a big hit! Parents were full of praise for the creativity, effort, and awareness showcased by our students. As we step into August, students of Grades Nursery to IV will take the spotlight with engaging theme-based assemblies and class presentations. We are also thrilled to announce that preparations are in full swing for our 5th Annual Inter-School Event, Maadhyam scheduled for 23rd August, where schools from across the city will join us for a day of creativity, competition, and collaboration.

As we step into a new month, we carry with us the warmth and wonder of July — a month that celebrated learning, laughter, and kindness. We're excited to continue this joyful journey with your children and can't wait to see what the coming weeks have in store!

## 1. Syllabus for August

ENGLISH	HINDI	MATHS	E.V.S	COMPUTER
<b>Course book:</b> <b>Chapter-5</b> Sniffles the Crocodile and Punch the Butterfly <b>Chapter-6</b> The Water Cycle (Poem) <b>Literature:</b> <b>Chapter-4</b> If I Knew <b>Grammar:</b> <b>Chapter-5</b> Nouns <b>Chapter-6</b> Nouns (belonging) <b>Chapter-10</b> Pronouns	<b>रंगोली -</b> <b>पाठ-5</b> दाँत छेदू (पठन - वाचन) <b>पाठ- 6</b> तितली की खुशी <b>व्याकरण :</b> <b>पाठ-3</b> मात्राएँ <b>पाठ-4</b> शब्द और वाक्य	<b>Chapter-5</b> Fractions	<b>Chapter-7</b> Animals-Our Friends <b>Chapter-8</b> Our Creepy Crawly Friends	<b>Chapter-4</b> Editing text in MS Word 2016

## 2. Activities for August

Value of the month

Pride

- **Class Presentation** 02-08-25
- **Heritage Week (08-08-25 to 14-08-25)**
  - Heritage Film Screening 08-08-25
  - Heritage Fashion Show 11-08-25
  - Poster Design Contest Intra Class Competition 14-08-25
- **English Handwriting competition** 18-08-25
- **Maadhyam** 23-08-25
- **Traditional Games** 29-08-25

### 3. General Information

- School timing is 8.00 am – 2:30 pm. School gate will be closed at 8.05 am. No entry will be allowed post that.
- Students must adhere to the school timings (Refer Page 20 of the Almanac).
- Students must carry the Almanac to school daily.
- Parents should check the Almanac and ERP app regularly for any information.
- Students should be in proper school uniform. Kindly use only black rubber bands, clips or hair bands. Black shoes are to be worn everyday.
- Label your child's belongings like lunch box, water bottle, bag, shoes, etc.
- Students must wear ID cards daily.
- Leave application must be submitted to the class teacher, one -day prior in the case of pre-planned leave. In case of illness, a medical certificate must be submitted within three days of rejoining school. In case of long leave to attend important family functions, prior written permission of the Headmistress / Principal must be obtained.

We look forward to your cooperation in helping our students grow and learn together.
