

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR JULY
GRADE V (2025-2026)

“Pride costs us more than hunger, thirst, and cold.” — Thomas Jefferson

Dear Parents

Greetings!

Students returned to school, rejuvenated after a long summer break and geared up to get back into the regular routine of work. We are extremely excited to welcome a fresh new month of August that brings in showers and a renewed spirit of learning. July was full of excitement as we kick-started the month with various activities following the summer vacations.

A special moment of celebration also goes to our young achievers who represented the school under category-14 in Inter-School Hills Cup Cricket Tournament 2025, held at Ramnagar, Uttarakhand. Their participation, sportsmanship, and performance have brought pride to the school community. We applaud their spirit and commitment.

Result of Inter School Hills Cup Cricket Tournament

Sport	Position	Class	Participant's Name
Cricket	IIIrd position	V A	Rajeshwar Sharma
Cricket	IIIrd position	V B	Samiskh Mondal

On the academic front, subjects were taught in an interactive and engaging manner, using activities that sparked curiosity and encouraged active participation among Grade V students. An activity based on **nouns and adjectives** was conducted in the **Hindi** class. In this activity, the children drew a beautiful picture of a **noun** and then came up with suitable **adjectives** to describe it. The students thoroughly enjoyed the activity and, through playful learning, understood how to form adjectives from nouns. This engaging activity also helped in enhancing their **creative and imaginative skills**.

A fun and educational activity was organized in **Sanskrit**, in which students learned how to tell time in the Sanskrit language. The objective of this activity was not only to help students understand the concept of time but also to familiarize them with the practical use of Sanskrit. This activity sparked the students' interest in Sanskrit and helped them enjoy using the language in a practical way. It was a successful effort that beautifully blended language learning with real-life application.

In **Science**, students engaged in a hands-on science activity to explore the concepts of solubility and miscibility in solids, liquids, and gases. Through simple experiments and demonstrations, they observed how different substances interact, encouraging curiosity and deeper understanding. They also examined the difference between physical and chemical changes by comparing the tearing and burning of paper. It was a day of experiential learning, where scientific concepts became clear and meaningful through active participation.

To foster literacy and a love for reading, the school organized an enriching **Book Week** from 14th to 18th July 2025, as part of the 2025–26 academic session. A host of thoughtfully curated activities—*Special Assembly on Book Week*, *D.E.A.R. (Drop Everything And Read)*, *Book Cover Intra-Class Competition*, and the *Inter-House Storytelling Trays Competition*—offered students a joyful and immersive literary experience. These engaging events sparked creativity, promoted reading for pleasure, and encouraged self-expression through various literary forms, making the week a true celebration of books and imagination.

As part of **CBSE awareness initiatives**, our students were sensitized to dolphin conservation, taking a pledge to avoid supporting shows that involve dolphins in captivity. They also took part in the Sadak Suraksha Abhiyan, learning about road safety through an engaging and age-appropriate video. In a heartwarming extension of environmental consciousness, students participated in the ‘Ek Ped Maa Ke Naam’ activity, where they planted a sapling with their mothers in their residential societies — a beautiful gesture to honour both nature and motherhood.

Imperial Heritage School celebrated the **National Day of France, better known as Bastille Day or Le Quatorze Juillet, commemorating the storming of the Bastille on 14 July, 1789**. As part of the vibrant French Day celebrations, students participated in Poster Making Activity, which encouraged them to explore and express the richness of French culture through art and creativity. The activity aimed to deepen students' understanding of France's cultural heritage while allowing them to showcase their artistic talents. This activity not only made learning fun but also sparked curiosity about the French language and culture among the students.

With great creativity and deep respect, the students designed impactful theme boards to commemorate **Kargil Diwas**. These boards featured carefully constructed timelines, inspiring patriotic quotes, and vivid visuals that brought the bravery and sacrifice of our soldiers to life. Through thoughtful presentation and attention to detail, the students paid a heartfelt tribute to the heroes of the Kargil War, fostering a sense of pride, gratitude, and national spirit.

"Star Performers of July are Vivan Saxena and Savir Sangwan – for their consistent dedication, active participation, and outstanding performance across all activities."

In the month of July, the **value of the month** was *Kindness*. An engaging classroom activity was conducted where the class teacher encouraged students to practice kindness towards their classmates, animals, birds, and all living creatures on Earth. The activity aimed to nurture empathy and compassion in young hearts.

For the first time, Imperial Heritage School (Grades V–VIII) hosted vibrant and engaging **Class Presentations** focused on the United Nations' Sustainable Development Goals (SDGs) — and the initiative was met with great enthusiasm and appreciation. Parents lauded the students for their creativity, effort, and depth of understanding.

Grade V took on the theme *Life Under Water*, and their presentation was a beautiful blend of information and imagination. Students showcased their learning through an informative talk, a meaningful skit highlighting the threats to marine life, a poem that captured the beauty and fragility of underwater ecosystems, and math problems related to ocean data. A fun and interactive quiz kept the audience engaged, making it a well-rounded and impactful presentation that combined academics with global awareness. The creative holiday homework was also displayed and was much appreciated by the parents.

IHS News

As we step into August, students of Grades Nursery to IV will take the spotlight with engaging theme-based assemblies and class presentations. We are also thrilled to announce that preparations are in full swing for our 5th Annual Inter-School Event, Maadhyam scheduled for 23rd August, where schools from across the city will join us for a day of creativity, competition, and collaboration.

As we step into a new month, we carry with us the warmth and wonder of July — a month that celebrates learning, laughter, and kindness. We're excited to continue this joyful journey with your children and can't wait to see what the coming weeks have in store!

RESULT OF INTRA CLASS COMPETITION (Book Week)

Position	V A	V B
I	Vedika Bakshi, Kanaayka Butola, Avika Agarwal	Navanya Mishra
II	Vedansh Singh Rathore, Anvi Sharma, Anvika Chaudhary	Naira Dua
III	Gunnika Aggarwal, Pranit Agarwal, Akshita Mishra	Parthvi Shukla

The results of the Book Week Inter-House Competition are as follows:

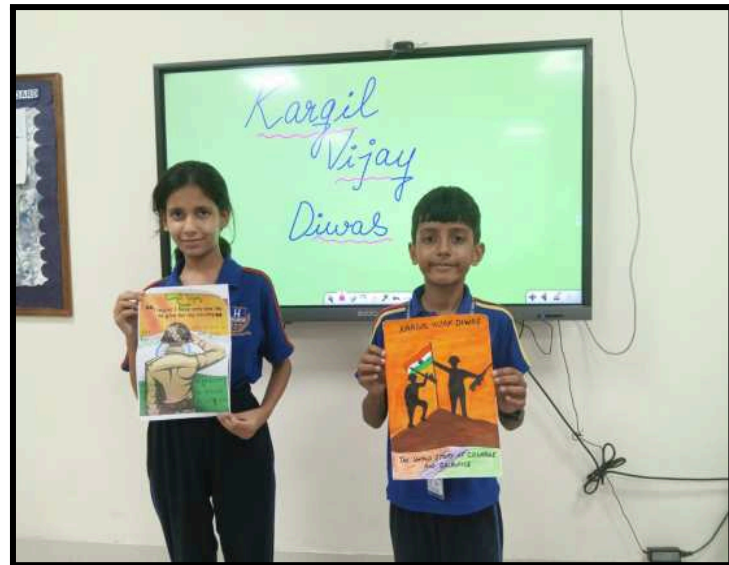

POSITION	HOUSE
First Position	Challengers
Second Position	Leaders
Third Position	Warriors

Congratulations to all the winners....

1. Syllabus for August

English	Math	Hindi	Science

3. General Information

- School timing is 8.00 am – 2:30 pm. The school gate will be closed at 8.05 am. No entry will be allowed post that.
- Students must adhere to the school timings (Refer Page 20 of the Almanac).
- Students must carry the Almanac to school daily.
- Parents should check the Almanac and ERP app regularly for any information.
- Students should be in proper school uniform. Kindly use only black rubber bands, clips or hair bands. Black shoes are to be worn everyday.
- Label your child's belongings like lunch box, water bottle, bag, shoes, etc.
- Students must wear ID cards daily.
- Leave application must be submitted to the class teacher, one -day prior in the case of pre-planned leave. In case of illness, a medical certificate must be submitted within three days of rejoining school. In case of long leave to attend important family functions, prior written permission of the Headmistress / Principal must be obtained.

We look forward to your cooperation in helping our students grow and learn together.

Headmistress
