Grade I (2019-20)

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

Dear Parents ,

Greetings!

In September the students of Grade I had many activities to keep them busy apart from regular academics. On the occasion of Teacher’s Day the students made beautiful cards for their teachers. As part of Hindi Diwas, a Hindi Spell Bee was organised to foster an interest in Hindi vocabulary. This was followed by ‘Hindi Recitation’, in which students recited rhymes with full enthusiasm in the class. Also, the students got an opportunity to narrate stories in Hindi. A Show and tell competition’ in Hindi helped the students enhance their oratory skills and develop an interest in Hindi language. We look forward to an equally exciting October.

Dear Parents,

Greetings and good wishes!

September was a busy month, filled with exciting activities. Students participated enthusiastically in all the activities. We celebrated Teacher's Day as they help us realize our potential to do things we never imagine. The students showed their love and respect for their teacher through card making activity. This month we expressed our love for Hindi language through various activities like Poem Recitation, Spell-Bee, Show and Tell. The students displayed their creativity and made an effort to appreciate the language. The students enjoyed activity and watching stories on "forgiveness" and learned to forgive others. We look forward to an equally fun-filled October.

Dear Parents,

Greetings!

The month of September was full of learning and exploring new things. It focused on the holistic development of our children. Teacher's day was celebrated with fervor and enthusiasm. Children brought flowers and cards for their teachers and presented them with love and emotion. They learned several new things and dropped their fear of public speaking as they presented a class presentation on their understanding of degrees of adjectives. They also did different activities to upgrade their understanding on 'Forgiveness' which was our value of the month. As a part of experiential learning they did a seed germination activity during Science class. In Social Science they learnt about different means of communication and wrote letters to their friends and relatives. In Maths they learnt two digit multiplication. We look forward towards to an equally exciting October.

Dear Parents,

Greetings!

Welcome to the month October which brings in the festival spirit. In September, Students of Grade VI learnt about the Solar System through an activity in Social Science in which each one of them represented a planet. During their Science lesson, the students learnt about the presence of starch in leaves through an experiment. Mathematics was made interesting through an activity where children learnt about the symmetrical shapes by cutting the different symmetrical shapes on origami sheets. In this month a special assembly on Fit India movement was conducted by Grade VI students in which they talked about some famous sports personalities of our country and they also stressed on the importance of being fit and healthy. Tanishak Janghu participated in the Shaheed Chandra Shekhar Shooting competition held at Muzzafar Nagar.

**It's a new season. A perfect opportunity to do something new, something bold,
something beautiful. ~ Unknown**

Dear Parents,

The month of October rings in a season of celebrations and happiness, and the children look forward to it especially after a month full of exams. The month of September started with a special assembly on Fit India, a movement initiated by our Honourable Prime Minister. A few of the students of Grade VII participated in it and talked about some of the renowned sportspersons of our country. Continuing with sports, our students- Aman Sharma and Moksh Rastogi participated in the Shaheed Chandra Shekhar Shooting Competition at Muzzafar Nagar. Both students qualified and Moksh secured a bronze medal. September is also a month when the students get an opportunity to showcase their respect and love for their teachers and they celebrated Teachers' Day in a very joyful way. Values taught in the school are entwined with real life examples and the children could relate the value of the month- Forgiveness with a poem that they had learnt- 'Life's Scars'. They drew lines on a heart to indicate the hurt they cause to others and then tried to erase the lines. They then applied a band aid on the hurt and said a silent prayer of forgiveness to all those who have hurt them.

“Children are naturally creative. It is our job to give them the freedom, material and space to let their creativity blossom to its full potential.”

September was an action-packed month for the Toddlers. It started with Teacher’s Day where our little ones made a beautiful card expressing their love for Principal Ma’am. Green Day was celebrated with great enthusiasm. Our little babies came dressed in green. Green being the color of life, nature and energy is associated with harmony, safety, growth and environment. In keeping with the symbolism of the color green, our babies were taken for a Nature Walk where they sowed seeds and understood the need to make our Earth greener.
