**MONTHLY PLANNER FOR DECEMBER**  
**GRADE XI- HUMANITIES (2023-2024)**

*Ultimately, education in its real sense is the pursuit of truth. It is an endless journey through knowledge and enlightenment.*

*-Dr. A. P. J. Abdul Kalam*

Dear Parents,

Greetings!

December is the month of joy, happiness, and finishing what you started. The month will give us all an opportunity to exhibit our commitment towards the school as we all would be witnessing the most awaited event 'Annual Day In the school. So let us all welcome December with a lot of passion and zeal.

**“November at its best—with a delightful menace in the air.”**

The month of November is the time to execute the preparations for 'School Annual Day Celebrations.' This year too we had begun to prepare well in advance. Students across all grades are busy with their regular practice sessions for the event and teachers are working equally hard to make this event a grand success. From dance performances to plays and musical events to speeches, the school's Annual Day practice is filled with the most treasured moments, sincere arrangements, dress rehearsals, run-throughs, and uncontainable enthusiasm. It is a once-a-year event that brings out teachers, students, school management, and parents on the same platform to conduct and have a good time together.

**National Unity Day** on the birth anniversary of Sardar Vallabhbhai Patel was marked on October 31, A Run for Unity was organized across all grades. Children were made aware of his major role in the political integration of India and the relevance of Sardar Patel in the 21st century.

As part of the **Cultural Exchange Program**, a group of 10 students from Grade VIII-XI along with their mentor, Ms. Gunjan Dudeja joined the session along with 73 international delegations of students and teachers from USA, Ghana, Mali, Sierra Leone, Senega, Niger, Germany, Morocco, Egypt, Ukraine, Kuwait Tanzania, Turkey, Uganda, Uzbekistan, Vietnam, and South Korea

**The Vigilance Awareness Week** was observed with the theme: 'Say no to corruption; commit to the Nation'. Students of Grade XI made posters with great zeal and fervor to raise awareness against the ill-effects of corruption. The students took the oath to protect the integrity of India.

The school organized an orphanage visit to 'Missionaries of Mother Teresa-**DEEP ASHRAM**' to express our love and gratitude to other members of the society by sharing and caring for them. The students of Grade XI visited the Ashram and distributed Dal, Rice, Atta, toiletries like soap, toothpaste, shampoo, etc among the children there. This visit helped the students understand that giving is the greatest act of grace and is a way to spread joy and happiness.

**Constitution Day** was celebrated on 24th November as a part of the CBSE Activity wherein students explained the importance of the Constitution to their peers, which gave them insight into our vast written constitution.

All of us are aware of the tricks that memory plays on us throughout our lives. Memory is a very fascinating yet intriguing human faculty. To understand the nature of memory, students were asked to think of the 1st month in class XI and write down two separate events that occurred during the month that they remembered vividly. They then compared these in terms of length, felt emotions and coherence.

**Values** are an integral part of our curriculum. The value of the month was **Tolerance**; the students shared their thoughts about the ability or willingness to tolerate the existence of opinions or behavior that one dislikes or disagrees with.

Looking forward to the month of January which brings with it renewed energy, enthusiasm, and a promise to make the New Year, a year filled with joy, success, and good health for all!
