Dear Parents,  
Greetings!!

As we bid adieu to November and step into the last month of the year i.e. December, let's learn a few interesting facts about December. The month of December derives its name from the Latin word "Decem", meaning ten, as it was originally the tenth month of the year in the calendar of Romulus, which begins in March. December is the twelfth and final month of the year in the Julian and Gregorian calendar.

As we are into the last quarter of the academic year, let's undertake a review of our accomplishments and pitfalls during the learning journey and step up towards achieving our goals. Let us all reassure ourselves of our goals and undertake committed efforts to fulfill and even surpass our goals.

During the month of November, the teacher-learner fraternity celebrated the **Unity Run, Donation Drive, Sharing is Caring (Compliment for You, Each One Teach One), and Diwali Assembly**. A bountiful of activities were organized with the aim of developing the well-rounded personalities of the students. The students were engaged in numerous scholastic and co-scholastic activities. Various class activities and competitions elicited the wholehearted and enthusiastic participation of the students.

**National Unity Day:** National Unity Day is celebrated every year on 31st October to commemorate the birth anniversary of Sardar Vallabhbhai Patel who played a key role in the integration of about 565 princely states of the Indian Union. Students of IHS celebrated National Unity Day by participating in Run for Unity, a nationwide marathon to spread awareness about the contribution of Sardar Vallabhbhai Patel to national integration.

**Donation Drive:** The month of November ushered in the festive season kindling the spirit of caring and sharing. To express our love and gratitude to other members of society by sharing and caring for them, IHS initiated a Donation Drive and pledged solidarity towards the children of an orphanage 'Deep Ashram'.

**Vigilance Awareness Week:** Vigilance Awareness Week 2023 was observed from 30 Oct to 05 Nov with the theme "Say no to corruption; commit to the nation". The students of IHS took an Integrity Pledge to mark Vigilance Week.

**Compliment for You:** The students prepared cards with a message for their friends and family members to compliment and convey their gratitude towards their near and dear ones.

**Each One Teach One:** Continuing with the theme of sharing is caring, the students of Grade VII devoted their time to teach the nannies of the school.

**Special Assembly on Diwali:** Imperial Heritage School celebrated Diwali, **The Festival of Lights**, to propagate and celebrate the "Triumph of Good over Evil". The students of Grade VII showcased the theme of Diwali through a group dance, song, and skit in the assembly.

**Inter-School Competitions:** Arnav Thakur participated and bagged **1<sup>st</sup> prize** in 'Back to Basics- MILLET आहार- सर्वोत्तम उपहार' Swapnil Rang-2023, an inter-school competition organized by Lions Public School, Gurugram on 4th November. It was a cooking competition where they made various dishes with *millet* as the main ingredient.

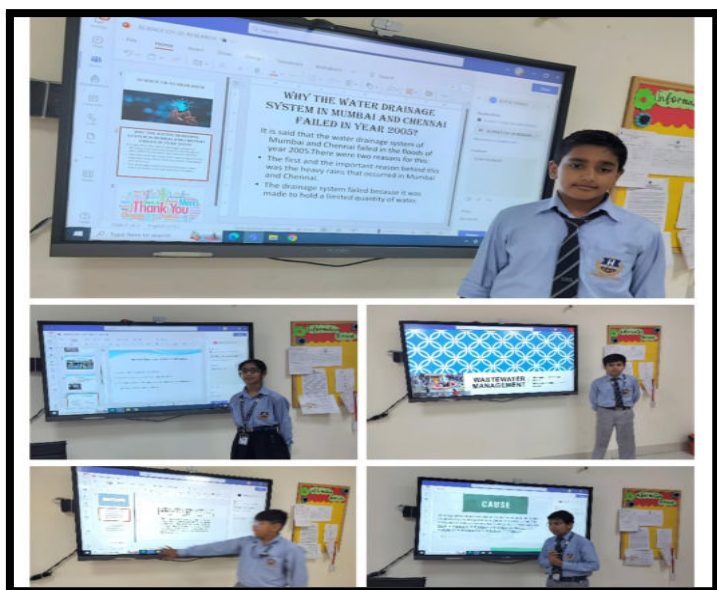

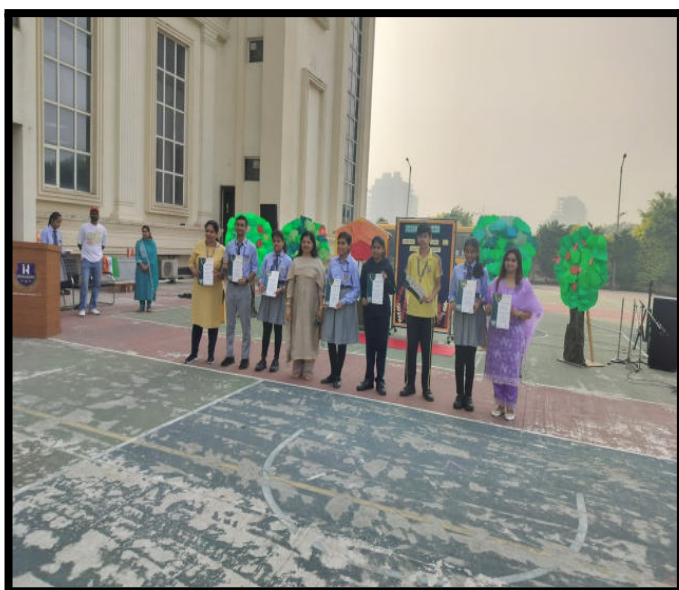

**Hazel Malik and Naisha Bhatia** participated in the 'Mode et Design' competition and won the **1st prize**, hosted by Sun City School on 28th October. They displayed their outfits from the 8th and 18th centuries (made of paper,jute and other eco-friendly items).

**Constitution Day** is celebrated in India on 26 November every year to commemorate the adoption of the Constitution of India. The students of IHS celebrated it with a number of activities in the school. Grade VII students made a poster depicting the preamble and its salient features.

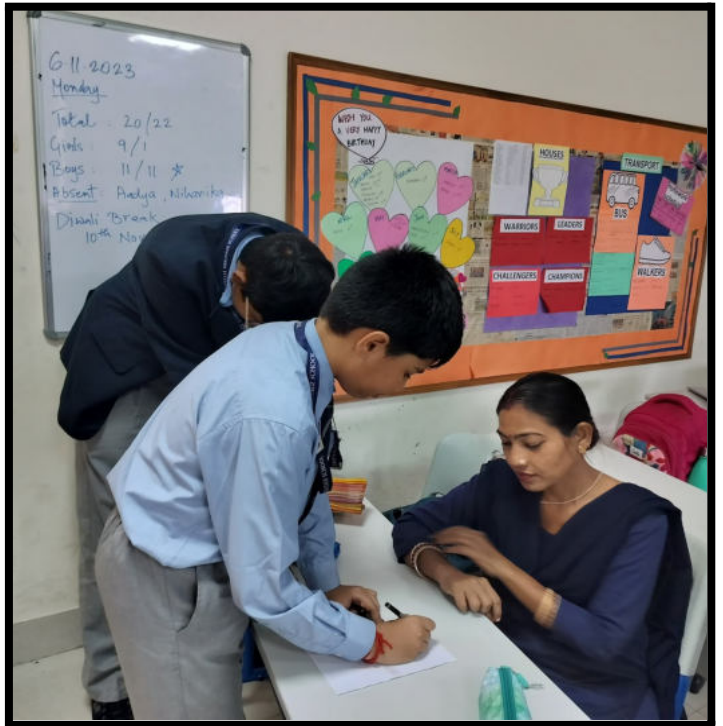

**Subject Related Activities:** In **Science**, students researched and presented Waste Water Management, as a case study the presentation elucidated the reasons why the stormwater drainage system in Mumbai failed in the year 2005 when Mumbai experienced unprecedented floods due to heavy rains. They also researched and learned about the efforts made by the Sulabh International Social Service Organisation to set up alternate sewage systems all over the country.

**Values** are an integral part of the curriculum. In order to promote the value of the month 'Tolerance' in the classrooms, the students of Grade VII were encouraged to embrace diversity, respect differences in opinion and help friends, use polite and not offensive words when having the conversation. Value for the month of December is **Compassion**, an act of kindness and empathy to others. The value implies taking time to listen and perceive a situation, as the other person perceives it without judgment.
