**GRADE-VIII (2023-2024)**

*“The highest education is that which does not merely give us information but makes our life in harmony with all existence.”*

*-Rabindranath Tagore*

Dear Parents,  
Greetings!

December is the most wonderful time of the year, a simple wish that brings spectacular moments. It is a month of light, snow, coziness, and feasts; time to make amends and tie up loose ends; finish what you started and make your wishes come true.

The month of November was full of opportunities to learn through activities that kept the student's spirits high. As festivals and celebrations come knocking at our doors, an almost palpable sense of excitement takes over the air during Diwali break. Students enjoyed their vacation with their loved ones. Right after the Diwali break, students were motivated to top up hard work with smart work to have fun-filled preparation for the Annual Function without compromising the academic front.

**National Unity Day** on the birth anniversary of Sardar Vallabhbhai Patel was marked on 31st October. **Run for Unity** was organized across all grades. Children were made aware of his major role in the political integration of India and the relevance of Sardar Patel in the 21st century.

**Vigilance Awareness Week:** Vigilance Awareness Week 2023 was observed from 30th Oct to 5th Nov with the theme “Say no to corruption; commit to the nation”. The students of IHS took an Integrity Pledge to mark the Vigilance Week.

As rightly said by Kathy Calvin- “We make a living by what we get, but we make a life by what we give,” the power to better the lives of others, is considered a privilege. It comes with a feeling of contentment and gratitude as well. In addition to reinforcing our own personal ideals, acting on these intense sentiments of responsibility gives us a sense that our actions are consistent with what we ethically believe in. In consonance with this, IHS conducted a **Donation Drive** and students of Grade IX and XI visited an orphanage ‘**Deep Ashram**’.

As part of the **Cultural Exchange Program**, a group of 10 students from Grade VIII-XI along with their mentor, Ms. Gunjan Dudeja joined the session along with 73 international delegations of students and teachers from USA, Ghana, Mali, Sierra Leone, Senega, Niger, Germany, Morocco, Egypt, Ukraine, Kuwait Tanzania, Turkey, Uganda, Uzbekistan, Vietnam, and South Korea. Anupriya and Jhalak of Grade VIII participated in the same.

**Dhairya Jindal** bagged II position in ‘Back to Basics- MILLET आहार– सर्वोत्तम उपहार’ Swapnil Rang-2023, an inter-school competition organized by Lions Public School, Gurgaon.

Diwali is the time to dispel the darkness of ignorance within and replace it with the light of hope and knowledge. The Festival of Lights came alive and the students conducted a **Special Assembly** on Diwali with great zeal on 9th November.

**Constitution Day**, also known as '**Samvidhan Divas**', is celebrated in our country on 26th November every year to commemorate the adoption of the Constitution of India. On this occasion, students made comic strips and explained the importance of the constitution for a country.

**Value of the month- Tolerance:** Tolerance willingness to accept feelings, habits or beliefs that are different from your own. Tolerance is the most necessary quality of man. Various activities on tolerance were done in Grade VIII during the month.

In Science, students learnt how hormones cause sudden changes in our body during adolescence and understood the nutritional requirements during puberty. They recapitulated the concepts of electricity and circuits and learnt the Chemical effects of Electricity through simple experiments. Looking forward to the New Year brings new happiness, goals, achievements, and many new inspirations in each one's life.
