

IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR DECEMBER
NURSERY (2025-26)

"December, being the last month of the year, is a time to reflect on the past, appreciate the present, and hope for the future."

**Dear Parents,
Greetings!**

December is the favorite month for little kids, filled with excitement and joy as they eagerly await the arrival of Santa Claus. With twinkling lights, festive decorations, and the magic of the season in the air, children look forward to the gifts and surprises Santa brings, making it a month of wonder and delight. The holiday spirit fills their hearts with warmth, and the promise of special presents makes December a time of pure happiness and anticipation for the young.

On the academic front, students engaged in various enriching activities designed to strengthen their understanding of key concepts. They focused on the letters Qq, Uu, Dd, and Pp, along with the number 9 and an oval shape. Through tracing and writing exercises, they worked on mastering these letters, while interactive games helped enhance their letter recognition skills. Students explored the concepts of left and right through hands-on activities involving different objects, making the learning process both fun and meaningful. In Environmental Studies (EVS), they learned about different seasons and the types of clothing suitable for each one, gaining an understanding of how clothing changes with the weather. These diverse approaches created a well-rounded and engaging learning experience, allowing students to grasp new ideas effectively.

As part of the Colour Burst celebration, students enjoyed the bright and cheerful color pink through various creative activities. They made beautiful paper handbags by folding paper and decorating them with flowers, showing their artistic abilities. Dressed in pink clothes, they also learned about different objects that are pink in color. These hands-on activities helped them explore the color in a fun way while improving their fine motor skills and learning more about the world around them. It was a day filled with creativity, color, and excitement.

The children had a wonderful time celebrating a bagless Children's Day, filled with excitement and joy. Without their school bags, they felt free and relaxed, ready to enjoy the special day planned just for them. They took part in a variety of fun activities, including a lovely story session that captured their imagination and kept them engaged. A special dance performance by their teachers added even more happiness, as the children cheered, clapped, and smiled with delight. They also enjoyed playing different games that encouraged teamwork, laughter, and friendly competition. The day was packed with surprises, cheerful moments, and heartfelt celebrations. Every child felt special and appreciated, creating memories they will cherish for a long time. It truly was a day filled with joy, fun, and unforgettable experiences for all the kids!

World Kindness Day, celebrated on November 13th, was a special occasion for the little ones to share warmth and positivity. To honour the day, they created beautiful stars and performed small acts of kindness—such as taking care of pets, watering plants, and giving small gifts to helpers. These activities symbolized the kindness and light they can bring into the world. The children not only enjoyed a creative craft but also learned the value of being kind in their daily lives. The stars they made served as a gentle reminder to spread kindness wherever they go, making the celebration meaningful and heartwarming.

The value of the month was Honesty, and the children enjoyed learning about it through the story of an Honest Woodcutter. In this classic tale, they discovered how the woodcutter's honesty and integrity were rewarded, teaching them the importance of being truthful even in difficult situations. The children reflected on how they could practice this virtue in their daily actions. It was a wonderful way to instill positive character traits and encourage them to always choose honesty.

The theme of the month was Seasons, and the children had a great time exploring the changes that occur throughout the year. As part of their learning, they created a beautiful Four Seasons Tree craft, where each tree represented a different season—spring, summer, autumn, and winter. They made flowers for the different seasons on each tree using finger painting to show the unique features of each season..

To encourage students to try their best every day, the **Star Performer of the Month** award is given every month. To win, students should speak in English, follow the rules, wear full uniform, and take part in all class activities. The STAR PERFORMER for the month of October is ANAYA AGGARWAL!

IHS is brimming with excitement as preparations for the Annual Day 2025–26 are underway with full enthusiasm. Students from all grades are actively engaged in rehearsals, showcasing dedication, discipline, and creativity. Dance steps are being perfected, dialogues are being polished, and musical notes are filling the campus with a festive vibe. With the grand show scheduled for 6th December, the entire school community is working together to ensure a spectacular and memorable event. The countdown to a dazzling celebration of talent has truly begun!

IHS News –

The IHS School U-11 team represented the school in the **6-A-Side Grassroot Youth Cup organized by Panthers Football Academy at Gurugram Global Heights School, Gurugram** and secured the Third Position in the tournament. **Ekansh Sharma (Grade V B)** was awarded the Player of the Match for his outstanding performance.
