MONTHLY PLANNER FOR DECEMBER
GRADE IV (2021-2022)**

“Education is the most powerful weapon which you can use to change the world.”

– Nelson Mandela

Dear Parents, Greetings!

“November at its best—with a sort of delightful menace in the air.”

As festivals and celebrations come knocking at our doors, an almost palpable sense of excitement takes over the air during Diwali break. Students enjoyed their vacation with their loved ones.

Right after Diwali break, students were motivated to top up hard work with smart work especially during revision time as the examinations were around the corner. UT- 3 examinations were held, and students were assessed on the academic front. The thoughts of enjoying and doing different activities after the exams crept into their little minds.

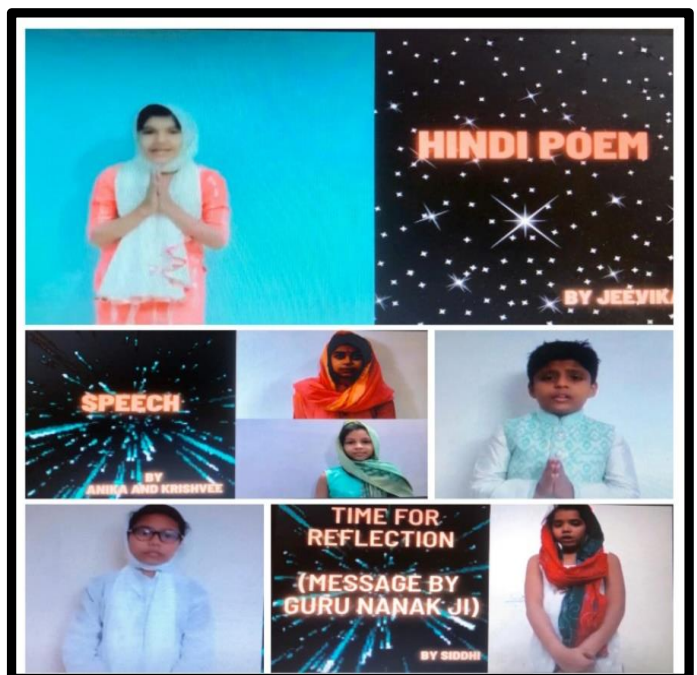

A special assembly was conducted to mark the 552nd birth anniversary of Guru Nanak Dev Ji. The students of class 4 participated in the assembly with fervor, devotion and enthusiasm. The students presented a poem, speech and also narrated a story based on his teachings besides singing Shabad followed by a dance performance.

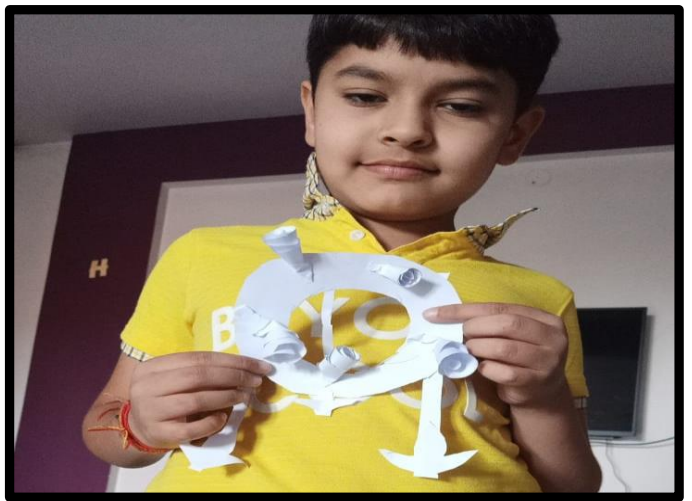

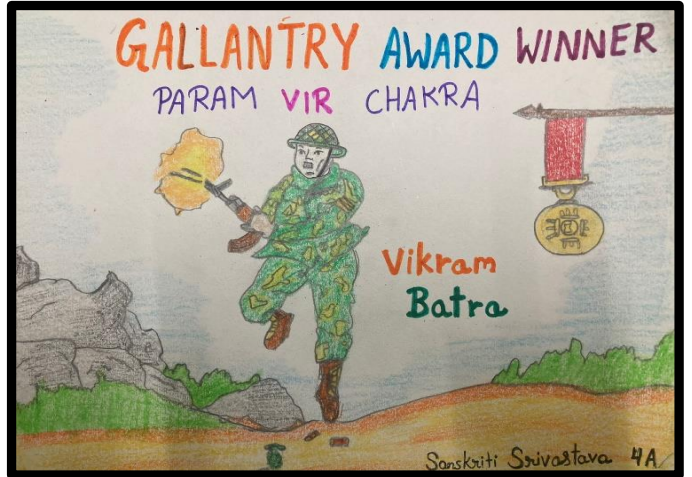

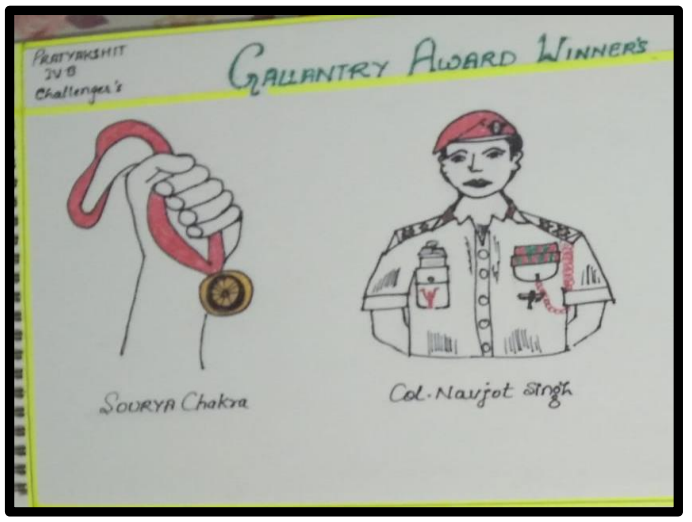

The Veer Gatha project proposed by CBSE aims to raise awareness about the brave acts and sacrifices of the Gallantry Award winners among school students. Our class 4 students showcased their creativity through their paintings as a tribute to the Gallantry Award winners.

Students enthusiastically participated in activities like slogan writing wherein it helped the students to bring their creativity on paper. Our young innovators showcased their writing skills with great zeal and excitedly expressed their ideas on it.

Decorating the home during festivals, is a very important part of Indian traditions. To emphasize the idea of decoration during Diwali "Toran Making Competition" as an Inter House Activity was conducted and the enthusiasm shown by the students was truly commendable.

December will give us all an opportunity to look over the past year and plan out our next year. So let us all welcome December with a lot of passion and warmth.
