CLASS V-2021-22

“God gave us memory so that we might have roses in December”.

James M. Barrie

Dear Parents,
Greetings!

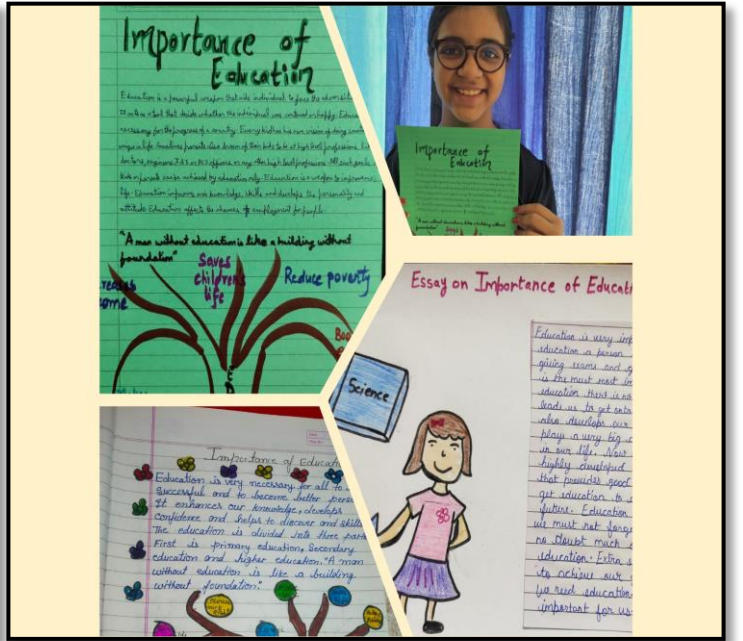

Let's Welcome December, the year's end but neither an end nor a beginning but a going on, with all the wisdom that experience can instil in us. There's something super special about December. December, the lovely month of holiday, décor and beautiful lights everywhere. This month brings many people together in a joyous way. Although December can be rather cold in many areas, it's still a beautiful month that most of us enjoy.

Different months bring different joys along with. However, of all the months, December, being the last month of the year, cannot help but make us think of what is to come. It's also a time of year where we can reflect on what we have achieved this year and set out our plans for the following year.

The festive season is upon us and the build up to Christmas begins. Few international and national events are integral part of Imperial Heritage School too like Vijay Diwas, National Energy Conservation Day - India Kisan Divas (Ch. Charan Singh's Birth Anniversary), Christmas.

We thank you for supporting us during the transition from Zoom to Microsoft Teams. The month was full of excitement, hands on activities, competitions and new challenges. We celebrated the birth anniversary of Bharat Ratan Shri Abdul Kalam Azad- National Education Day, Children's Day and also observed Vigilance Awareness Week and encouraged our students to take an 'e- Integrity Pledge'. The month started with various CBSE activities like Veer Gatha, Ek Bharat Shrestha Bharat, Inter House Competition-Toran Making, Special Assemblies on caring and sharing and Gurupurab.
