MONTHLY PLANNER FOR DECEMBER
Grade VIII (2021- 22)

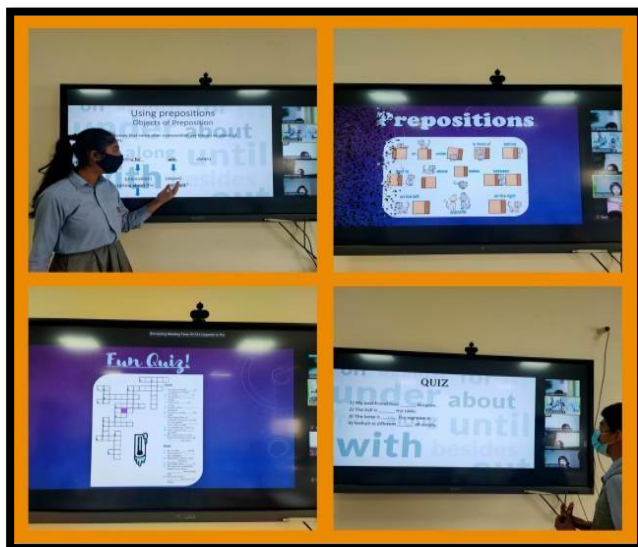

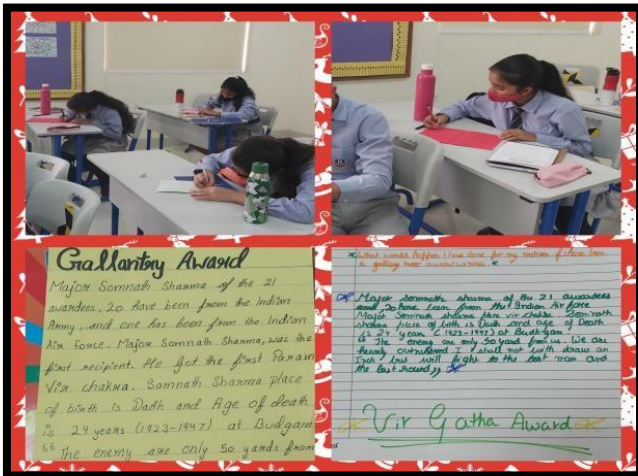

Education is the most powerful weapon which you can use to change the world.

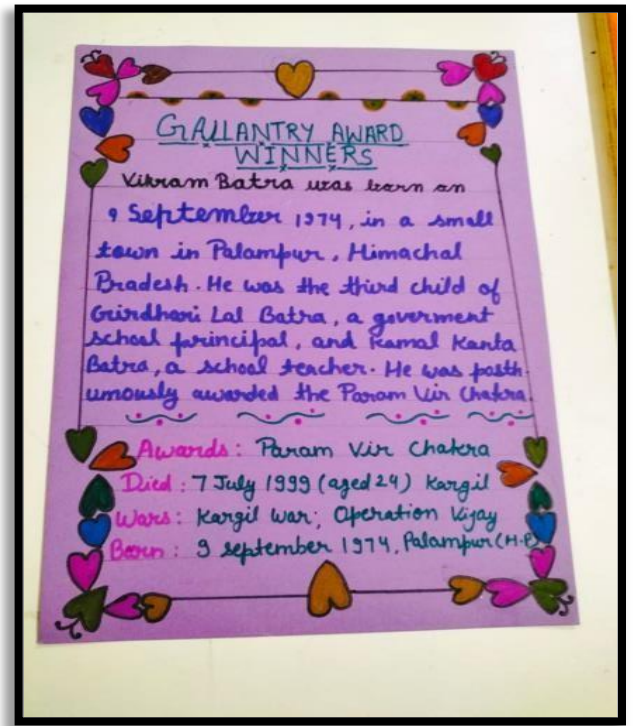

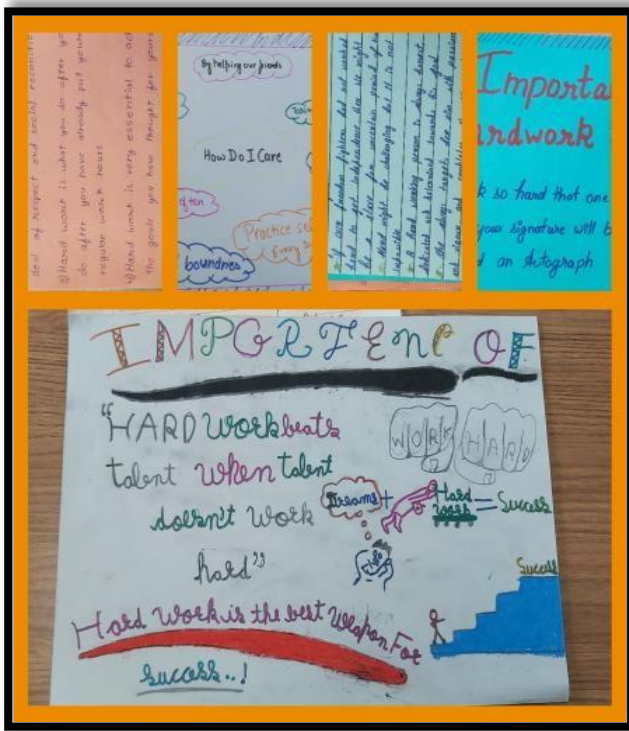

Dear Parents,
Greetings

“It is growing cold. Winter is putting footsteps in the meadow.”

Welcome to the fresh and a new month of December.

In the month of November, students of Grade VIII undertook various activities. The month started off with the Diwali Break. The value of the month, Caring and Sharing, continued from the previous month and the students chose one of the simplest ways to show that they care for their friends by writing compliments for them on a poster. A CBSE activity under the topic “Veer Gaatha” was done by the students in the form of a write up where the students wrote about “The Gallantry Award Winners”. In English the students presented the concept of preposition through Flip Teaching. The class was divided into two groups- off line and on line they collectively recalled prior knowledge of preposition and also explained the different types of prepositions through examples. To check the understanding of their audience, students asked question by different techniques like Fill in the blanks, Quiz and Crossword puzzle. The activity helped the students to work together as a group and also get a deeper understanding of the concept.
