MONTHLY PLANNER FOR DECEMBER
Grade IX (2021- 22)

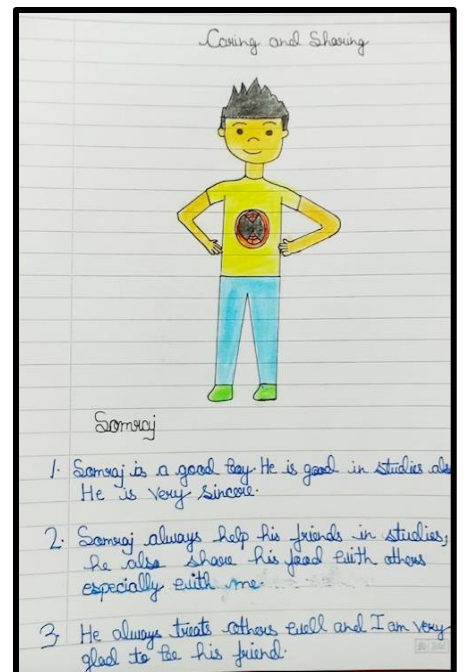

"If we had no winter, the spring would not be so pleasant: if we did not sometimes taste of adversity, prosperity would not be so welcome."

~Anne Bradstreet

Dear Parents,

November marks the onset of winter- with the early morning chill and the nippy evenings. It also ushers in an atmosphere of happiness and cheer.

Students enjoyed the off line classes, albeit for a short period and there was cheerfulness all around in the school building. The month started off with the Diwali Break- students were reminded of being careful about Covid as well as avoiding crackers. The value of the month, *Caring and Sharing*, continued from the previous month and the message shared was about the different ways in which one can show care. The students chose one of the simplest ways to show they care for their peers by making beautiful caricatures of their classmates and writing compliments for them. In continuation with academics, the students presented their thoughts on few questions of the chapter *Packing* from their *Beehive* book. They worked in groups and presented their work through a power point presentation and also spoke about the same. A few students also participated in the CBSE activity *Veer Gatha* where they showcased some gallantry award winners and also wrote about how they were inspired by the winners.

Ques 3. Do you find this story funny? What are the humorous elements in it? (Pick out at least three, think about what happens, as well as how it is described.)

- Yes, this story is definitely funny.
- The way the author narrates all the incidents is also entertaining.
- The first humorous element is that he offered to pack. George and Harris leave the whole matter to him.
- Another humorous incident that took place was when George placed the buffer on the chair.
- Even Montmorency's shenanigans had humour to the story.

Q1. Of the three, Jerome, George and Harris, who do you think is the best or worst packer? Support your answer with details from the text.

The students expressed their opinions on who they found as the best or worst packer. Some thought that all were as chaotic as each other while others thought that Jerome was the best amongst the worst.
