

IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR FEBRUARY AND MARCH
NURSERY (2025-26)

"Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful."
– Albert Schweitzer

**Dear Parents,
Greetings!**

February and March mark a beautiful time of change, as the cold grip of winter slowly begins to ease and nature prepares for renewal. February, with its crisp days and lingering chill, feels calm and reflective, filled with warmth, care, and quiet moments. As March arrives, gentle sunshine and breezy winds bring signs of new life and growth. Together, these months blend the closing of winter with the fresh beginning of spring—a peaceful farewell followed by a hopeful welcome. It is a season of transformation, when the world gradually awakens from its winter rest and looks forward to brighter days ahead.

On the academic front, students actively participated in a variety of engaging activities designed to deepen their understanding of core concepts. They reviewed the sequence of A to Z, 1 to 10, and shapes through a series of hands-on exercises. The revision included revisiting and reinforcing the pictures associated with each concept, ensuring that students not only recognized but also grasped the significance of each element in a fun and interactive manner.

The children enthusiastically took part in the **Republic Day** celebration, filled with excitement and patriotic pride. They enjoyed creating a bright tricolor ball craft by pasting tricolour circle cutouts, beautifully reflecting the spirit and significance of the occasion.

As part of the **Colour Burst** celebration, students eagerly embraced the colour of peace, white. They arrived dressed in white, bringing white food and toys to match the theme. The day was filled with creativity as the students made polar bear crafts, engaging in a fun and interactive cutout pasting activity to complete their artwork. It was a joyful and peaceful celebration of colour and creativity!

The theme of the month was **Community Helpers**, and the little ones eagerly learned about different helpers through flashcards and pictures. They enthusiastically participated in a theme-based competition, role-playing various community helpers and expressing their understanding creatively. As part of the activities, the children also made a **chef craft** using paper cups and ice-cream sticks, which added to the fun. It was an enjoyable and educational experience that helped them appreciate the important people who serve and support our community.

The **value of the month** was ‘Respect,’ and students learned about its importance through engaging discussions and story narration activities. These activities helped them understand the significance of showing respect to others, fostering a positive and considerate environment. The students actively participated, reflecting on how respect plays a crucial role in their daily interactions.

Bagless Day was a truly wonderful experience for our little ones. They enjoyed a variety of engaging activities that helped reinforce letters, numbers, and shapes in a fun and playful way. The children especially loved the number game with balloons and *Search the Number* activity, where they eagerly identified numbers from a group. To make the day even more exciting, a shape activity was also included. The children participated in *Shape Hunt* activity, where they searched around the classroom to find and match objects with different shapes such as circles, squares, triangles, and rectangles. This hands-on activity made learning shapes interactive and enjoyable while improving their observation skills and shape recognition.

To encourage consistent efforts, we have introduced the **Star Performer of the Month**, awarded monthly. Criteria include speaking in English, maintaining discipline, adhering to the uniform code, and active class participation. The Star Performer for January was **Bhavika Choudhary**. Congratulations to our achiever! Keep shining! 🌟

Winners of I am a Community Helper Intra Class Competition

Position	Nursery
I	Taksh Kumar
II	Kiaan chanda and Bhavika Choudhary
III	Gurbani Sharma and Zaeem Bin Moidu

📰 IHS News –

- Our School Principal, Ms. Neelu Sharma, was presented a **Certificate of Appreciation** by NIIT University for her active participation in the session *Technology in Transformative Leadership leveraging AI* during the Principals’ Conclave on 17 January. The recognition highlights her contribution to the evolving landscape of learning and leadership.
- Our school is gearing up to celebrate **Parents’ Day** for students from **Nursery to Grade II**. The young learners are excitedly preparing performances, activities, and surprises to show their love and appreciation for their parents. This celebration aims to strengthen the bond between students and their families while making the day joyful and memorable for everyone.
- **Term II Examination**

Your continued involvement and encouragement play a vital role in shaping each child's school experience. With a strong focus on care, curiosity, and holistic development, we strive to create a space where children feel supported, confident, and eager to learn. We extend our warm wishes to you and your family for well-being, joy, and many fulfilling moments ahead.
