

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR FEBRUARY & MARCH
Grade II (2021-2022)

"Education is the key to unlock the golden door to freedom."

Dear Parents,
Greetings!!

The month of January proved to be a month full of excitement and learning new concepts. The concept of capacity was introduced, where children learnt about the standard units of capacity, litre and millilitre. They enjoyed the activity of finding out capacity of different objects. The topic of ‘Safety’ was introduced, and they learned about various safety measures need to be taken care of in their daily life. A class competition was conducted on the topic “Our Solar System” in which children made a model of our solar system and gave a presentation on the same. All students made very creative models of Our solar system. The best part of this competition was that the students used waste materials to make the models. The concept of simple present tense and framing of questions was also taught to them. During the month, we celebrated ‘Republic Day’, where children made beautiful army tank using waste materials. To evoke the feeling of nationalism and patriotism children also dressed up as their National Heroes and spoke a few lines about them. Children learnt about the discrimination that used to happen with girl child in earlier times during celebration of ‘Girl Child Day’ and created a collage of aspiring Indian women achievers. For Mathematics Week, they made a painting with different shapes from nature. Grade VA presented a wonderful assembly on Republic Day through which children spread nationalism and patriotism everywhere. A beautiful class presentation was given by children. We look forward to an extremely exciting and engaging February and March.
