

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR FEBRUARY AND MARCH
Grade III (2021-2022)

Success is never final, failure is never fatal. It's courage that counts.

-John Wooden

Dear Parents,
Greetings!

As they say “If you have the courage to begin, you have the courage to succeed” Following this thought once again all students were geared up after the celebration of the New Year and winter break with positive mindset and courage to complete the remaining journey of this academic session.

Republic Day is celebrated every year on 26th January. This year we celebrated the 73rd Republic Day of India, the country marks and celebrates this day on which the Constitution of India came into effect in 1950. To make students understand the importance of this day, students made 3D models of different national symbols which infuse pride and patriotism in every Indian’s heart.

We all know that exercise is important in our daily lives. The importance of exercise lies in the fact that it’s the best thing which can keep us away from doctors for a very long time. Exercise is also very important for our overall stamina improvement. To share the knowledge, students of Grade III had a wonderful class presentation on the topic “Importance of Exercise”. They presented different forms of exercise and their importance in different ways like – Music, dance, rhyme etc.

विश्व हिंदी दिवस प्रति वर्ष 10 जनवरी को मनाया जाता है। इसका उद्देश्य विश्व में हिंदी के प्रचार-प्रसार के लिये जागरूकता पैदा करना तथा हिंदी को अन्तरराष्ट्रीय भाषा के रूप में पेश करना है। विश्व में हिंदी का विकास करने और इसे प्रचारित-प्रसारित करने के उद्देश्य से विश्व हिन्दी सम्मेलनों की शुरुआत की गई और प्रथम विश्व हिंदी सम्मेलन 10 जनवरी 1975 को नागपुर में आयोजित हुआ। हमारे छात्रों ने इस दिन को व्याकरणिक इकाइयों से संबंधित लूडो गतिविधि के द्वारा मनाया था।

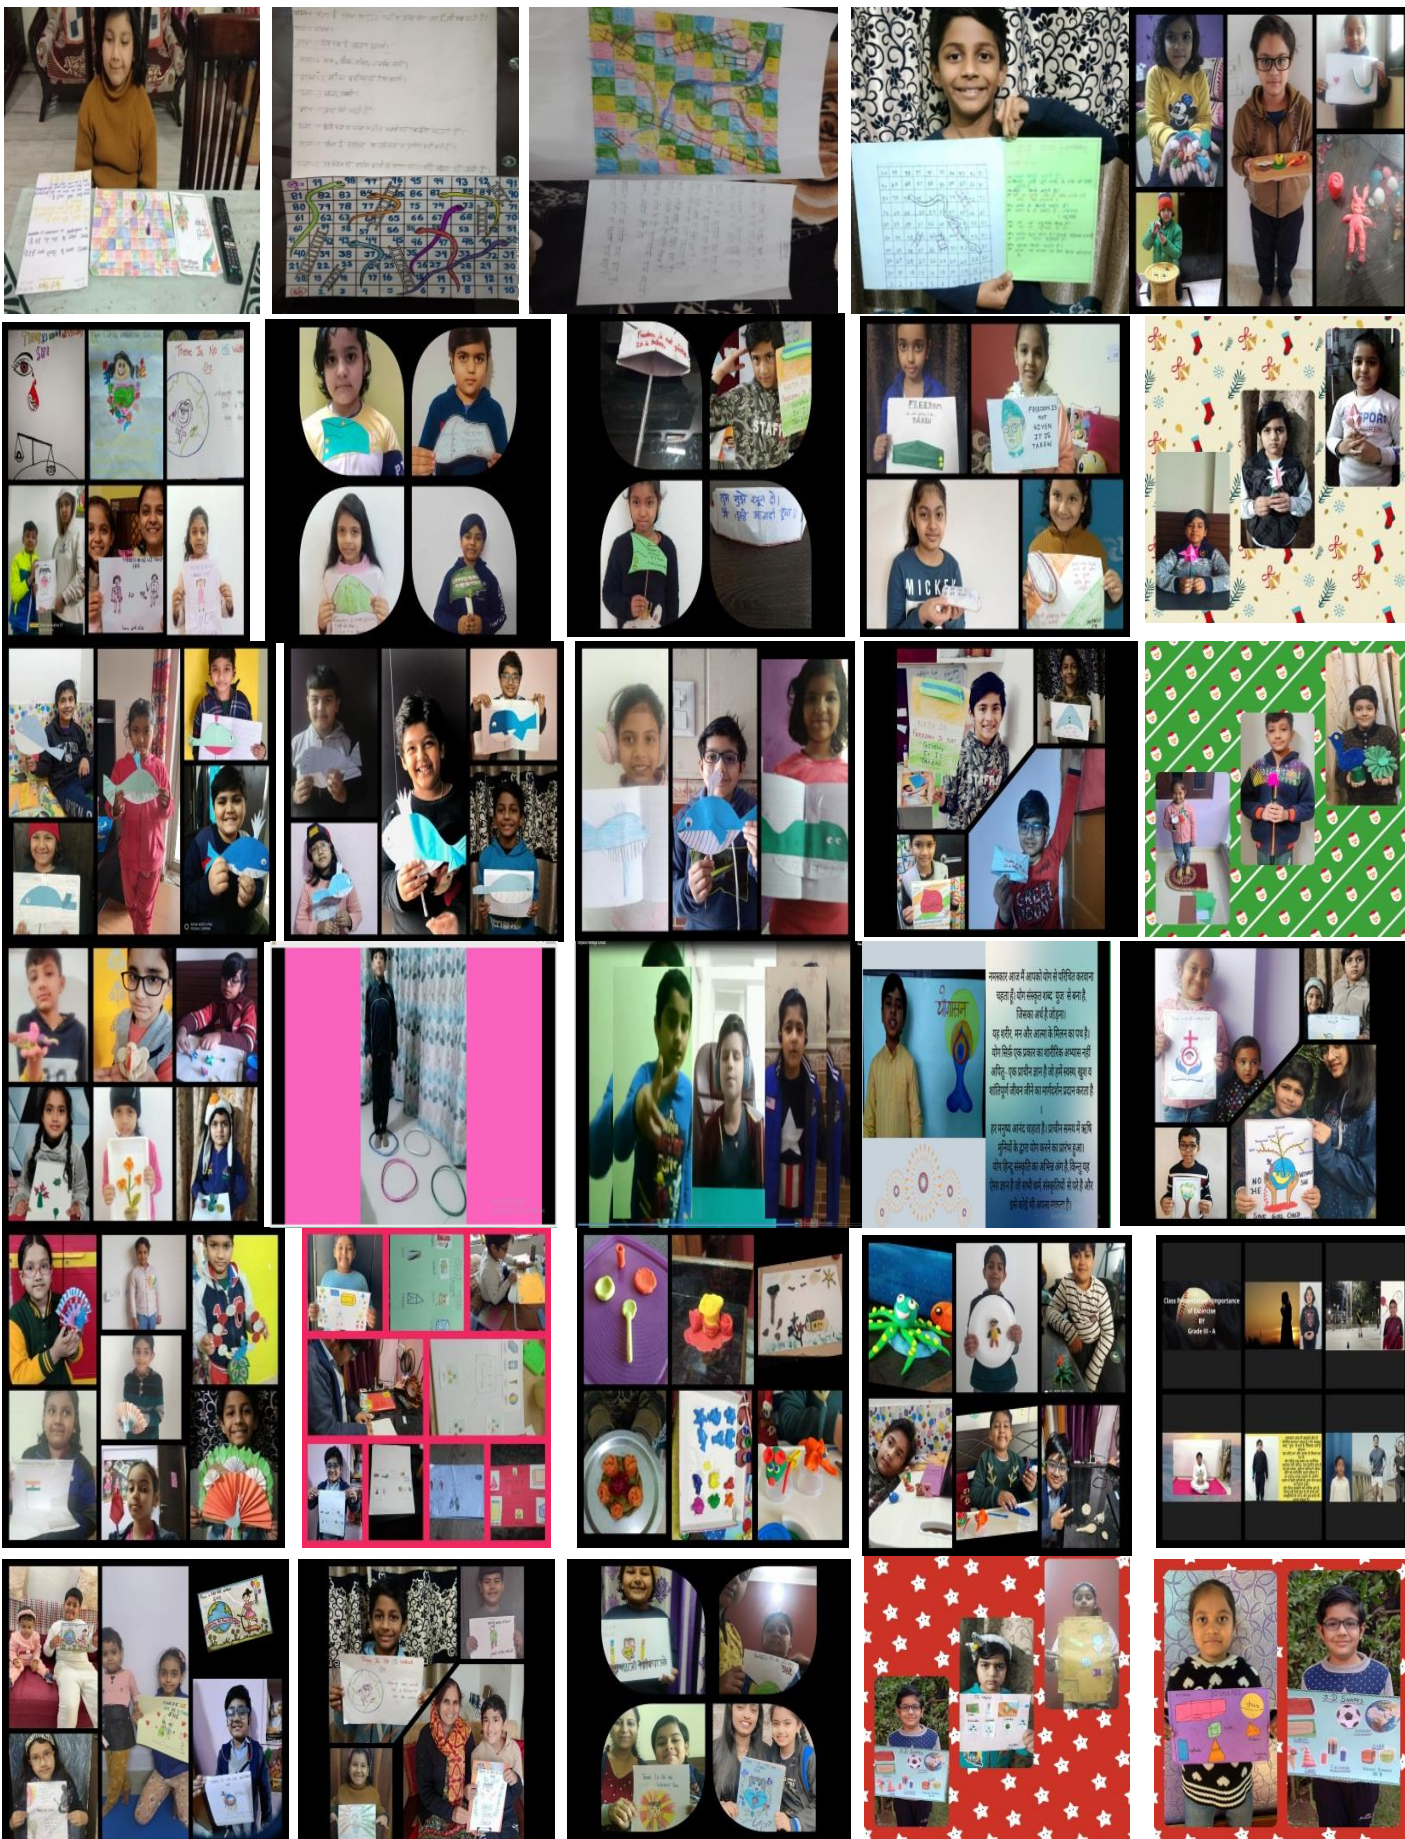

“Give me blood and I will give you freedom!” One of his most quoted lines is from a speech that Netaji delivered to the soldiers of Indian National Army. Subhash Chandra Bose, popularly known as Netaji, was a great freedom fighter and a patriot. In the memory of Netaji, students of Grade III made a placard in the shape of Netaji’s cap and wrote his famous slogans on it.

The National Girl Child Day is celebrated in India every year on 24, January. It was started by the Ministry of Women and Child Development and the Government of India in 2008, with the purpose to spread awareness among people about all the inequalities girls face in the Indian society. To honour the day, students of Grade III had a poster making activity aptly titled “There is no HE without SHE”.

Mathematics is the cradle of all creations, without which the world cannot move an inch. Be it a cook or a farmer, a carpenter or a mechanic, a shopkeeper or a doctor, everyone needs mathematics in their day-to-day life. Certain qualities that are nurtured by mathematics are the power of reasoning, spatial thinking, problem-solving ability etc, which we all use in our daily life. To celebrate the Mathematics week our students made a collage of 3D shapes during their online class, and they enjoyed this activity a lot.

The Blue Whale is the largest animal ever to have lived on earth. Despite being so massive, this giant of the ocean feeds on some of the smallest marine life. To relate the chapter of their coursebook – ‘We saved a whale’, children of Grade III did an activity where they made a blue whale using A4 sheets and color, pasted it in their notebooks. They thoroughly enjoyed the activity.

Pottery, one of the oldest and most widespread of the decorative arts, consisting of objects made of clay and hardened with heat. The objects made are commonly useful ones, such as vessels for holding liquids or plates or bowls from which food can be served. Students of Grade III did play a dough activity related to their EVS chapter – Pottery, in which they made different objects with clay and wheat dough. They showcased their creativity and skill while they learned about an old art form.
