Dear Parents, Greetings!

“The key to success is to focus on goals, not obstacles.”

The start of a new year provides an ideal time to reflect on where we have been and where we are heading. We hope that the students have enjoyed a restful and restorative break filled with special moments with their friends and family. Students were engaged in a lot of fun-filled activities as the school commenced after the winter break.

As part of the celebration of Azadi Ka Amrit Mahotsav (AKAM), CBSE has announced the third Expression Series wherein the students were encouraged to present their views about their vision for India in the year 2047. To join the Expression Series, students of Grade IV had written a paragraph on the theme “‘My Vision for India @100 Years’.

As a part of “Ek Bharat Shrestha Bharat” Activity, the students of Grade IV were asked to explore the heritage, culture, cuisines, flora and fauna etc about their paired state ‘Telangana’ and present their work creatively during the winter break. The idea was to enrich their knowledge and promote a sustained and structured cultural connect.

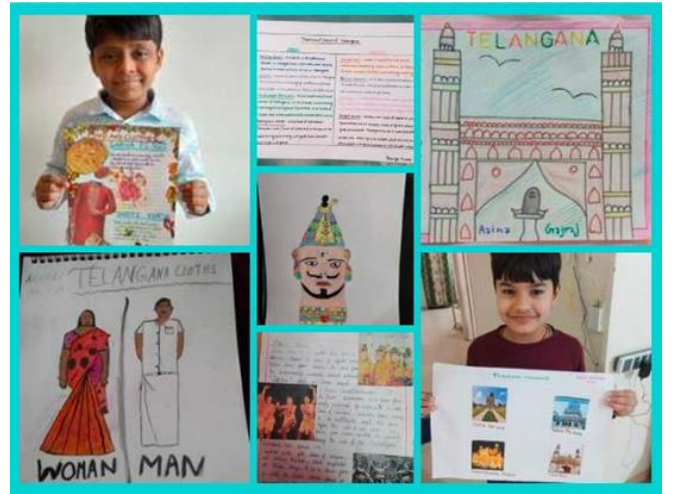

To promote awareness about the rights of the girl child and the importance of female education, health and nutrition, Girl Child Day was celebrated on 24th January wherein the students of Grade IV showcased their talent by making incredible posters on the theme ‘There is no he without she’.

To help children become familiar with fractions, an activity – Fraction Wall was organized during the Mathematics Week. This activity enhanced their fine motor skills and developed their interest in the subject. It was a fun learning experience for the students.

Vishwa Hindi Diwas was celebrated on 10th January, 2022 to commemorate the essence, simplicity and cultural significance of the mother language of India, Hindi. Students of Grade IV were asked to narrate a story depicting a moral value while using hand puppets as their prop. It was an engrossing activity for the students. Students of Grade IV made iconic caps of Netaji Subhash Chandra Bose and wrote his famous slogans to celebrate his birth anniversary on 23rd January. They enjoyed this activity a lot.

Presentation is a fantastic way to contribute to English language learning experience. To develop their presentation skills, students of Grade IV were encouraged to facilitate their presentation on the theme ‘Wildlife Conservation’.

UT – 4 Examination is barely a month away and February month plays a pivotal role in consolidating the preparations and focusing on revision. We wish our students best of luck for their future endeavours.
