*Believe In Yourself and The World Will Be At Your Feet.*

**Dear Parents**

**Greetings!!!**

The month of January ushered in the cold and also brought in online mode of classes from hybrid mode. The little ones were happy to be with their teachers in the virtual classes and this was reflected in their smiles. To celebrate the season “White Colour” day was celebrated in the class with enthusiasm, where children were dressed up in white clothes and also identified various white colour objects they saw around their homes. They also participated in Angel Craft activity, using glitter sheets. Different cultures have their own unique variety of food and dishes. In Telangana a gravy or curry is called Koora and Pulusu which has tamarind as the main ingredient. To cherish the unique taste of Telangana, food plate was created by kids of KG. The Republic of India has several official symbols. To celebrate Republic Day both the sections of KG participated in a competition, to dress up as National Symbol. To know more about the modes of transport, 3D Car Craft activity was done in class. Students will be exposed to new learning experiences in the months of February and March.
