

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR JANUARY
GRADE XI: COMMERCE (2023-2024)

“Excellence is a continuous process and not an accident.” -Dr. A. P. J. Abdul Kalam

Dear Parents,
Greetings!

New Year signifies a new beginning while leaving the previous year behind, and tends to bring happiness into people's lives. It is a time for reflection and change. It's the perfect time to make some new resolutions and set goals for the coming year.

December was the month of joy, happiness, and finishing what we started. In this month a rainbow of colors unfurled on the stage as Imperial Heritage School celebrated its **3rd Annual Day** amidst great zest, vibrancy, and elation. The palpating excitement that filled the corridors was the lead-up to the Annual Day. It was not just about entertainment, but the holistic development of students. It highlights the importance of cultural diversity, teamwork, and creativity in the learning environment, thereby playing a crucial role in shaping well-rounded individuals. It fosters a sense of belonging, boosts morale, and instills a sense of pride in the institution. It also provides students with an opportunity to step out of their academic routine and engage in creative, extracurricular activities. The celebration was inaugurated by **Mr. Deepak Kumar**, an Indian sports shooter and Junior Commissioned officer (JCO) in the Indian Air Force, **holder of the World Championship Medal in Shooting**. The atmosphere was electric, filled with applause and cheers that echoed the collective spirit. Overall, the celebration was a grand success and concluded on a happy note encouraging the students to establish further milestones in the journey towards success. The third edition of the school magazine, **Abhyudaya**, was also released by the Chairman, Mr. Satpal Dahiya along with the editorial board.

Fit India School Week was observed from 12th December to 15th December 2023. To promote a healthy and active lifestyle, Imperial Heritage School conducted various popular sports & fun games for the students. Overall, it was a fun-filled week for the students.

National Mathematics Day was celebrated on 22nd December with enthusiasm at our school, commemorating the birthday of the legendary mathematician Srinivasa Ramanujan. Celebrating the day with various mathematical activities and events is a great way to instill interest and appreciation for the subject among students. Intra-class quizzes are excellent for promoting healthy competition and enhancing students' problem-solving skills. It not only tests their knowledge but also encourages them to think critically and apply mathematical concepts. Quizzes were conducted in all the senior grades.

Thorough revision including oral tests, discussions, written tests, and quizzes was conducted in the class for the students to prepare for the UT-III examination in all the subjects.

Values are an integral part of the curriculum at Imperial Heritage School. The value of the month was **Compassion**; the students were engaged in group discussions and were shown videos on the same. They also discussed how the feeling arises when one is faced with another's suffering and feels motivated to relieve the suffering.
