

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR JANUARY
GRADE IX (2023-2024)

“Reading is the key that unlocks the door of creativity.” – Agatha Christie

Dear Parents,
Greetings!

The excitement of the new year comes with promise, hope, and new opportunities. The anticipation of the new year and all it has to offer is magical. It’s a time to reflect on where we have been and set new goals for where we are going.

The much-awaited event of the current academic session- Annual day, ushered in the month of December. **Annual Function** is a vital event by which the students get a chance to display their talents in front of a big audience. A rainbow of colors unfurled on the stage as Imperial Heritage School celebrated its 3rd Annual Day amidst great zest, vibrancy, and joy. The act was a creative depiction of nine life emotions, depicted elegantly through acting and dancing. The grand finale had the parents joining in and the show ended on a very high note. The third edition of the school magazine, **Abhyudaya**, was also released by the Chairman, Mr. Satpal Dahiya along with the editorial board.

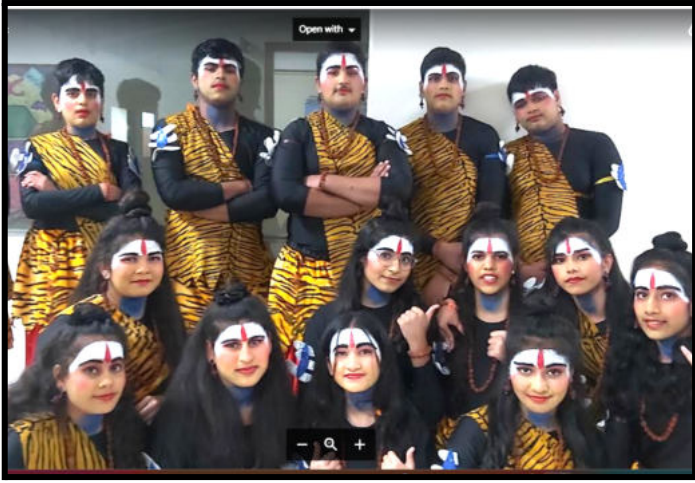

FIT INDIA Movement was launched by the Honourable Prime Minister to make fitness an integral part of our daily lives. The mission of the movement is to bring about behavioral changes and move towards a more physically active lifestyle. The mission encourages sports and spreads awareness of fitness and various physical activities. Games like badminton, pithu and other indigenous games were played and the students were engaged and enjoyed thoroughly.

Unit test is an evaluation tool for the measurement of knowledge, achievement and improvement of the students by giving feedback. After the successful Annual Function, students geared up for academics, and UT III was conducted.

In **Physics** an activity related to conversion of energy was conducted. Through this activity, they learn the concept of energy conservation. Thorough revision including oral tests, discussions, written tests, and quizzes was conducted in the class for the students to prepare for the UT-III examination in all the subjects.

Quizzes are excellent for promoting healthy competition and enhancing students' problem-solving skills. It not only tests their knowledge but also encourages them to think critically and apply mathematical concepts. On 22nd December **National Mathematics Day** was celebrated and students of Grade IX participated in an intra class Quiz Competition.

The value of the month for December was **Compassion**. Students were enlightened towards the importance of compassion as it helps one to connect with others, mend relationships, and move forward while fostering emotional intelligence and well-being.
