“Education is the mother of Leadership” – Wendell Willkie

Dear Parents,

Greetings!!

The month of December was filled with activities and learning of new concepts. Concept of picture addition was introduced using various real objects. Both the sections of KG participated in the theme activity of making Gingerbread boy and girl, where children used brown paper, cotton, glue, marker and decorative items to make Gingerbread boy / girl. Students learnt about mountains, on World Mountain Day through a homebased activity . To celebrate Red Colour Day, children made a red coloured lady bug. Students also dressed up in red colour and they collected red colour objects and displayed them. The significance of ‘Red’ colour is all about Life, Courage, Love and fervor. Throughout the month the students learnt a lot through different activities. It was a fun filled month for students. Looking forward to an extremely exciting January.
