MONTHLY PLANNER FOR JULY
GRADE XII- HUMANITIES (2025-2026)

"Education is what remains after one has forgotten what one has learned in school."

- Albert Einstein

Dear Parents,
Greetings!

I hope our children had an excellent summer vacation and had a good time with their friends, family and loved ones. I also hope that they are more relaxed, recharged and ready to start the session with new excitement. I am delighted that you are part of our amazing learning community, i.e. the IHS Family. I welcome and value your positive energy and dedication towards excellence in education and I look forward to working with you and our child.

With the commencement of another academic session 2025-26 for Grades Nursery- XI, Imperial Heritage School welcomed the students whose long-awaited steps entered the campus with great zeal and zest to unveil the beginning of the new session. A special assembly was conducted by the teachers to give them a warm welcome so that they look forward to an inspiring and fruitful year.

The **Investiture ceremony** signifies the reliance and confidence that the school consigns in the newly invested office bearers. Donning the mantle of accountability our newly elected leaders pledged to bestow their duties to the best of their abilities. Team IHS believes that delegation of responsibility and giving authority to children is important as it teaches them lifelong skills of being powerful and caring at the same time.

As part of NIE educational activity, students were taken to watch the movie ***Mission: Impossible***. The experience was well-received, and students thoroughly enjoyed the outing. The film not only provided entertainment but also sparked engaging discussions. The student found the learning experience engaging through the use of the movie.

As part of the ongoing efforts to guide students towards informed career choices, a **Career Counselling Session on Digital Marketing and the Use of Social Media** was conducted by faculty members from **Amity University**. The session aimed to introduce students to the growing field of digital marketing, its career opportunities, and the responsible and strategic use of social media platforms.

An **Inter House Soccer Competition** was held where all four houses displayed great enthusiasm, making the event an exciting one. **Leaders House** emerged as the undisputed champion of the Inter-House Football competition. The tournament featured spirited performances across age groups. This match not only highlighted the athletic prowess of students but also emphasized the importance of teamwork, leadership, and sportsmanship. Congratulations to all the winners and participants for their dedication and spirit!

In alignment with CBSE's anti-tobacco campaign on **World No Tobacco Day**, we recently organized a compelling set of activities like taking a pledge, poster making, video watching, and an awareness campaign themed "Say No to Tobacco" for the students. This initiative aimed to raise awareness about the harmful effects of tobacco use and to empower young minds to advocate for a healthier lifestyle.

A Fashion Design Bootcamp was organised by Ithe ndian Institute of Art and Design (IIDA) for the students. It was a fun learning experience, where students were informed about the career opportunities in Art & Design.

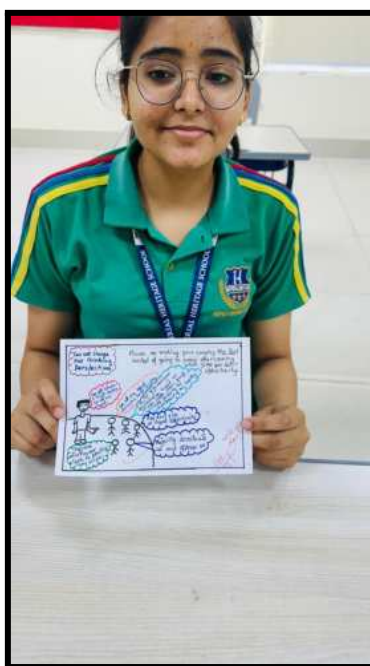

Academically, in **Sociology**, students actively engaged in a role-play activity to explore structural changes in Indian society during the colonial and post-independence periods. By taking on roles like historians and journalists, they gained deeper insights into topics such as urbanization, social reforms, and industrialization. The activity encouraged critical thinking, teamwork, and a stronger connection to understanding of Structural Change in society.

In **Political Science** to engage students in understanding contemporary political issues and national security challenges through creative expression Cartoon sketching was held. The activity aimed to promote awareness, critical thinking, and visual communication skills by allowing students to depict perceived threats to India's security through cartoon sketches. The students were asked to reflect on what they perceive as major threats to India's national security highlighting the Operation Sindoor.

IHS NEWS: Imperial Heritage School Achieves 100% Board Results

We are proud to announce a stellar performance in the CBSE Board Examinations, with **100% pass percentage in both Grade X and XII**. Our students have excelled across subjects, with many securing distinctions. This achievement reflects the hard work of our students, the dedication of our teachers, and the unwavering support of our parents. Congratulations to the entire Imperial family!

Values are an integral part of the curriculum at Imperial Heritage School, and a quote by John Dewey "Education is not preparation for life, education is life itself," resonates the same. The value of the month was **Responsibility** and students were engaged in activities and were shown videos on being responsible citizens.
