

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR JULY
GRADE II (2025-2026)

"Start where you are. Use what you have. Do what you can." — *Arthur Ashe*

Dear Parents,

Greetings!!

Welcome to a New Beginning!

The new academic session began with smiles, excitement, and fresh hopes. As students stepped into their new class, they were filled with joy and curiosity. New classrooms, new friends, and new teachers marked the start of a wonderful journey. The energy was high, and the spirit of learning was in the air!

The month of April was filled with excitement as students joyfully stepped into their new class. The first day was all about breaking the ice—students interacted with their peers, made new friends, and engaged in a fun partner activity where they described each other. As a sweet gesture, they were welcomed with a beautiful takeaway gift that carried a warm message from the teachers.

A Joyful Welcome by Teachers

The new session began on a cheerful note with a vibrant welcome assembly conducted by the teachers. With singing and dancing, the teachers warmly greeted the students, creating a joyful and comfortable environment from day one. The highlight of the morning was a heartfelt message from the Principal, who welcomed the students with warm wishes and inspiring words. She encouraged them to embrace each day with curiosity, kindness, and confidence, reminding them that the school is a place where they will learn, grow, and create beautiful memories.

One week of recapitulation was done to make the students comfortable in their new class and to help build a rapport with their class teacher and subject teachers.

Vibrant Baisakhi Celebration – A Glimpse into Punjabi Culture

Baisakhi, a vibrant harvest festival, marks the beginning of the new harvest season and is celebrated with joy, dance, and gratitude. Adding to the festive spirit, our students created colourful Baisakhi-themed drawing during their art class, bringing the celebration to life.

Environment Week Celebrations

During Environment Week, students actively participated in various activities that promoted eco-consciousness. Earth Day was observed with a thoughtful class discussion highlighting the importance of our planet. Students took a meaningful pledge to protect the Earth and proudly wrote it down in class. As part of the **‘Each One Plant One’** activity, every child planted a sapling, learning the importance of greenery. They also created

eco-friendly gift wraps using old newspapers. One of the most exciting moments was the **Intra-Class Eco-Friendly Fashion Show**, where students wore outfits made of sustainable materials and confidently shared a few lines about their attire.

World English Day Celebration- To celebrate World English Day, students took part in a fun **Word Scavenger Hunt**. They searched for hidden word cards around the class, read each word aloud, and identified it as a **common** or **proper noun**. The activity made learning grammar exciting and enjoyable for all!

World Dance Day- On **April 29th**, World Dance Day was celebrated with great energy. Students expressed themselves through freestyle dance and thoroughly enjoyed the rhythm and movement.

Mother's Day Activity

"Mothers hold their children's hands for a while, but their hearts forever." As a special gesture for Mother's Day, students made beautiful cards during their art class and gifted a flower pot as a symbol of love and appreciation. It was a simple yet meaningful way to express their heartfelt gratitude towards their mothers.

Academic Highlights

In **English**, students revisited previously learned topics and explored new grammar concepts like nouns. They especially enjoyed the interactive game of *Name, Place, Animal, and Thing*, reinforcing their grammar skills while having fun. They also dived into interesting literature Chapter 1- Caterpillar that sparked their imagination. Students enjoyed a nature walk, rhymes, and role play while exploring the poem *The Caterpillar*. They learned about metamorphosis through a creative craft and brought the life cycle to life with a joyful performance.

In **Math**, students began by revisiting previous concepts and then explored **Place Value** through a creative craft activity. As part of the **Math Lab – Place Value Activity**, they joined blocks to form groups of tens, which helped them visualize how numbers grow and sparked engaging discussions about building numbers up to 100 and beyond. The chapter on **Addition** was also introduced, where students created a vibrant **Number Bond** craft in their notebooks, helping them understand how numbers come together to form a sum. These interactive sessions made math both meaningful and enjoyable.

In **EVS**, students learned about the topic *My Family* and created beautiful Family Trees by pasting or drawing pictures of their family members, helping them relate classroom learning to real life. They also explored the chapters *Our Neighbourhood* and *My Body*, learning about community helpers, places around us, and the importance of taking care of our bodies. These lessons helped students develop a better understanding of themselves and their environment.

Value of the Month – Responsibility

The value for the month was **Responsibility**. Students made a *Responsibility Circle* group craft, where they wrote different ways they demonstrate responsibility at school, home, and in their community.

Assemblies that Inspire – Led by Grade II A and II B. Grade II A conducted a special assembly on Rabindranath Tagore, where they shared insightful facts about his life and contributions to literature, music, and education. Meanwhile, Grade IIB led the morning assembly with prayers, thought of the day, news, and a moral story, encouraging discipline, unity, and confidence in public speaking. Both assemblies provided valuable learning experiences and helped students grow as responsible and expressive individuals.

Bagless Day – A Joyful Start to Summer Break! Students enjoyed a lively Bagless Day filled with fun and excitement. They participated in exercise sessions, danced in the rain, explored their creativity in art class, and grooved to Zumba beats. It was the perfect way to welcome the summer holidays with smiles and laughter.

Storytime Magic - Before the summer break, a delightful storytelling session on The Monkeys and the Cap Seller was conducted by the Pre-Primary teachers. The engaging narrations and expressive storytelling captivated the young learners, fostering imagination and a love for listening and learning through stories.

Summer Break Time! As the first term came to a close, students eagerly awaited the summer break, scheduled from **24th May to 30th June**. Students are assigned holiday homework designed to reinforce learning through fun and engaging activities. Parents are encouraged to participate and support their children in these tasks.

Enjoy your summer break and come back with full zeal! Happy Summer Vacations!

We are thrilled to announce the outstanding achievements of our students in Skating and Taekwondo Championships

Winners of Skating Championship

Name	Class	Position
Aarna Daksh	II A	II – Silver medal
Poojita	II A	III- Bronze medal
AnvIt	II B	II – Silver medal
Naisha Bora	II B	I – Gold medal
Devansh	II C	I – Gold medal
Navya	II C	I – Gold medal

Winners of Taekwondo Championship

Name	Class	Position
Naina Gaur	II A	III- Bronze medal
Adamyia Chaudhary	II A	III- Bronze medal
Ditya	II B	III- Bronze medal
Aadhya Shree	II C	I – Gold medal
Garvit	II C	I – Gold medal
Dharmik	II C	II– Silver medal

Additionally, **Dakshith Dudeja** (Grade II A) bagged 2nd position in the *Legends Come to Life: Global Folk Parade* Inter-School Competition.

Space Explorers, Space Technology, and Education Pvt. Ltd. organised a **Space Workshop** at IHS for Grades I to X. It was a resounding success, featuring engaging hands-on activities like rocket launching and hydro rocket launching, learning about superabsorbents, architecture, telescopes, etc. By emphasizing practical learning through the "learning by doing" methodology, the workshop bridged the gap between theory and practice. This experience will prepare students for national and international events and projects, promoting enhanced understanding of space-related concepts, critical thinking, and problem-solving skills. The workshop also boosted students' confidence and motivation. Kudos to Space Explorers, Space Technology, and Education Pvt. Ltd. for organizing this informative event and to IHS students for their active participation. This initiative fosters interest in space exploration and STEM education, paving the way for future innovators!

On International Yoga Day, students were encouraged to celebrate wellness by practicing yoga at home with their families during the holiday break. This initiative aimed to promote mindfulness, togetherness, and healthy living beyond the classroom.

Celebrating Talent and Effort

Students enthusiastically participated in various Intra-Class Competitions and showcased their skills and creativity. Outstanding performers were also recognized as *Star Performers* of the month for their consistent efforts and positive attitude. Additionally, students from the previous class, who demonstrated exceptional academic talent and earned proficiency certificates, were celebrated for their excellence. Below are the names of the winners — congratulations to all!

Congratulations to the Proficiency Holders for Academic session 2024-25:

Position	Name of the Students
I	Dakshith Dudeja, Anaaya Thakur
II	Medha Srivastava, Siddhi
III	Adamyia Chaudhary, Boudhayan Saha, Aadya Shree

Star Performers of the month

Month	II A	II B	II C
April	Aavyan Arya	Siddhi	Aadya Shree
May	-	Naisha Bora	-

Winners of Intra Class Eco Friendly Fashion Show Competition

Position	II A	II B	II C
I	Aavyan Arya Dakshith Dudeja	Vyan Kharbanda	Aadya Shree
II	Anush Kumar Poojita Vaskuri	Medha Srivastava	Dharmik
III	Navya Sharma	Anvit Kesharwani	Riyanshi

Congratulations to our achievers! Keep shining! 🌟

IHS NEWS: Imperial Heritage School Achieves 100% Board Results

We are proud to announce a stellar performance in the CBSE Board Examinations, with 100% pass percentage in both Grade X and XII. Our students have excelled across subjects, with many securing distinctions. This achievement reflects the hard work of our students, the dedication of our teachers, and the unwavering support of our parents. Congratulations to the entire Imperial family!

1.Syllabus for July
