

**IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM**  
**MONTHLY PLANNER FOR JULY**  
**GRADE IV (2025-2026)**

*Kindness is perfume of the heart. Keep your heart open to spread its fragrance around.*

**Dear Parents,**

**Welcome Back!**

We hope you had a wonderful summer break filled with fun, adventure, and plenty of sunshine! We've missed you and are thrilled to begin a brand new school year together. Get ready for exciting lessons, fun-filled activities, and making unforgettable memories with your friends. Let's learn, grow, and make this year the best one yet. We're so glad to have you back—let's make it amazing!

The highlight of the morning was a heartfelt message from the Principal, who welcomed the students with warm wishes and inspiring words. She encouraged them to embrace each day with curiosity, kindness, and confidence, reminding them that the school is a place where they will learn, grow, and create beautiful memories. To welcome the students into the new academic session, teachers conducted a special Welcome Assembly in April. On the very first day, students completed a fun worksheet where they drew their picture and wrote about what they love in food, books, TV, and more. The students participated with great enthusiasm and displayed their creativity. Teachers also prepared heartfelt welcome cards and presented them to the students with love and affection.

To help students adjust to their new class and establish a bond with their class and subject teachers, a week-long recapitulation session was conducted.

The month of April was marked by a series of exciting and engaging activities, most notably Environment Week, which holds special significance in today's world by raising awareness about the causes and consequences of global warming and climate change; through various activities and competitions, students not only grasped the severity of the situation but also realized that even small individual efforts, when combined, can lead to significant change.

- **Reduce, Reuse, Recycle, Relay Race:** Students diligently sorted waste into clearly labelled bins, promoting responsible waste management.
- **Each one Plant one Activity:** As part of the activity, students planted saplings in the school garden, fostering a sense of responsibility towards nature and contributing to a greener environment.
- **Trash to treasure crafting challenge:** Students created crafts using waste materials such as cardboard and old newspapers from home, and presented their creations in class, explaining the materials they used, the steps involved in making the craft, and how their work promotes environmental sustainability by reusing and recycling everyday items.
- **Poster Making Intra Class Competition** in which students created a variety of posters focused on ENVIRONMENT.

Position/Class	Grade IV A	Grade IV B	Grade IV C
First Position	Rudra Sangwan , Rachit Singh Adhikari	Shrey Jha	Sparsh Dalmia
Second Position	Dakshita, Kalp Srivastva	Mayra , Riya Dixit	Viraj Singh, Dhruvit
Third Position	Yosita	Raskhit Saini, Suveer Bhasin	Jivisha , Bhavya Burman

**Inter - house Competition** was held on 2nd May. A fashion show was organized in which students from each house participated in a ramp walk, showcasing creative outfits made from waste materials such as cardboard, newspapers, and more.

#### Result of Inter House Competition-

POSITION	HOUSE	GRADE IV A	GRADE IV B
First Position	Challengers	Ira	-
Second Position	Champions	Kalp Srivastva	Yuvaan Gambhir
Third Position	Warriors	Laiba Moidu	Divjot Chhabra

The value of the month was *Responsibility*. To help students understand and reflect on this value, they watched various videos related to responsibility. We also conducted a 'Classroom Job' activity where students wrote their assigned roles—such as discipline monitor, stationery monitor, food monitor, collecting and distributing monitor, uniform monitor, cleanliness monitor and line monitor—on sticky notes and posted them on a chart paper. Another engaging activity involved giving each student an A4 sheet, which they divided into four sections to write about their responsibilities at school, at home, towards themselves, and towards the environment.

The **Proficiency Ceremony** for the academic session 2024–25 was held to honor and celebrate the all-round achievements of our students. Awards were presented for excellence in academics, co-curricular activities, and overall performance. The event was a proud moment for students, teachers, and parents alike, as it recognized the hard work, dedication, and holistic growth of our learners.

POSITION	GRADE IV A	GRADE IV B	GRADE IV C
First Position	Shanaya Seth	Tanaaya Minocha	Dhruvit Sharma
Second Position	Viaan Saini, Kalp Srivastava	Divjot Chhabra	Sparsh Dalmia
Third Position	Ridhaan Singh	Samaira Kaur and Atharv Rana	Hanshika

We are delighted to announce that our school proudly participated in the 4th Gurugram District Fitness Ride Championship 2025. Our talented students deliver outstanding performances in Taekwondo securing numerous medals and bringing great pride to our school community!

Sport	Silver Medal	Bronze Medal
Taekwondo	Tanaaya Minocha (IV-B)	Riya Dixit(IV-B)

To commemorate **World English Day**, students were grouped and given prompt words to spark their imagination. Each group creatively came up with rhyming words, resulting in a lively and engaging activity. This celebration of language not only enhanced students' vocabulary and phonetic skills but also encouraged collaboration and teamwork in a playful environment.

**World Dance Day** was celebrated with tremendous enthusiasm. Students showcased their talent through dynamic performances and explored the significance of dance as a medium of expression, cultural heritage, and physical fitness. The celebration was filled with rhythm, joy, and a deeper appreciation of this expressive art form.

On **World Day for Safety and Health at Work**, our school focused on raising awareness about workplace safety. Students actively participated by designing and presenting safety gear models for various professions. This thoughtful activity helped them understand the importance of protective equipment and the value of health and safety across different occupations.

The festival of **Baisakhi**, a vibrant celebration marking the harvest season in Punjab, was observed with a special assembly conducted by senior students. To further enrich the cultural experience, students created beautiful cards depicting the spirit and significance of Baisakhi. The event fostered cultural awareness and a spirit of festivity across the school.

In **English**, the students grasped the concept of abstract nouns with the help of emojis. They then engaged in an activity where they converted verbs to abstract nouns and crafted sentences using them. The activity was a fun-filled experience where students learned through hands-on engagement, enjoying the process while grasping the concept. In addition to this as part of the lesson 'The Story of My Experiments with Truth', students enacted different stories that reflected the moral value of honesty.

In **EVS** chapter 'My Family,' students created their family booklets, where they drew and wrote about their family members. This activity helped them understand the roles and importance of each family member. To make the learning experience more interactive and meaningful, the students also participated in a role play, where they acted as different members of their families. Through this activity, they learned how every family member plays a special role and why family is important in our lives. As a part of the chapter 'The Young Ones,' the students worked in groups and created a collage of animals that lay eggs and those that give birth to young ones. This engaging activity helped them understand the differences between the two types of animals. To make the learning experience more enjoyable, they also crafted eggs using paper, inside which they showed animals hatching. Through this fun and hands-on activity, students not only learned about animal reproduction but also developed teamwork and creativity. As part of our lesson on our extended family, students created beautiful posters showcasing special occasions they spent with their extended families. Through pictures and drawings, they shared joyful moments like weddings, festivals, birthdays, and family reunions. This activity helped students appreciate the importance of family bonds and the memories we make together.

In **Mathematics**, students participated in an exciting Number Hunt activity to learn about large numbers and their expanded forms. They searched around the classroom to find hidden numbers and expanded forms assigned to their friends. Each student had to identify who had their matching number or its in expanded form. This fun and interactive game helped them understand big numbers better while improving their teamwork and problem-solving skills. Students enjoyed a creative activity related to Roman Numerals where they made clocks on paper plates using Roman numerals. This helped them learn how to read and write Roman numerals in a fun, hands-on way. They also took part in a Mystery Number activity related to addition and subtraction, where they solved puzzles using addition and subtraction to find hidden numbers.

In **Hindi**, an activity related to the lesson 'Hum sabh bharatwasi hai' was conducted. Through this activity, children were introduced to the traditional attire worn in different states of India. Along with the attire, the children also became familiar with the languages spoken in those states. The children enthusiastically participated and completed the activity.

In a **CBSE** activity, students were informed about the daily sugar intake they consume compared to the recommended limits by the WHO, emphasizing the importance of avoiding unhealthy packaged foods. They also made a sugar board to visually represent the sugar content in common snacks and drinks.

Students who had subscribed to the NIE (Newspaper in Education) program went on an exciting trip during school hours to watch the movie *"Minecraft"* at PVR Cinemas, Ambience Mall. The outing was a fun-filled experience, as students were treated to popcorn and coke inside the movie hall, adding to their enjoyment. The film captivated the audience with its creativity and adventure, leaving the students thrilled and entertained. It was a delightful and memorable break from regular academics, and the students thoroughly enjoyed the outing.

On Bagless Day at school, the students had an unforgettable time filled with fun and laughter. The day began with exciting games on the ground, where they ran, jumped, and played with endless energy. Afterward, they danced joyfully under the sprinklers in a lively rain dance session. This was followed by a heartwarming moment where everyone shared food and created beautiful memories over lunch. Back in the classroom, the fun continued with interactive games played alongside their teachers, strengthening bonds in a playful way. They also expressed their creativity through an art activity using thumb printing, which brought out colorful smiles all around. The energy peaked again during a high-spirited Zumba session that got everyone moving to the beat. The day ended on a cozy note with a movie screening, where the students relaxed and enjoyed a perfect ending to a truly memorable day.

Space Explorers, Space Technology, and Education Pvt. Ltd. organised a **Space Workshop** at IHS for Grades I to X. It was a resounding success, featuring engaging hands-on activities like rocket launching and hydro rocket launching, learning about superabsorbents, architecture, telescopes, etc. By emphasizing practical learning through the "learning by doing" methodology, the workshop bridged the gap between theory and practice. This experience will prepare students for national and international events and projects, promoting enhanced understanding of space-related concepts, critical thinking, and problem-solving skills. The workshop also boosted students' confidence and motivation. Kudos to Space Explorers, Space Technology, and Education Pvt. Ltd. for organizing this informative event and to IHS students for their active participation. This initiative fosters interest in space exploration and STEM education, paving the way for future innovators!

**On International Yoga Day**, students were encouraged to celebrate wellness by practicing yoga at home with their families during the holiday break. This initiative aimed to promote mindfulness, togetherness, and healthy living beyond the classroom.

### **IHS NEWS: Imperial Heritage School Achieves 100% Board Results**

We are proud to announce a stellar performance in the CBSE Board Examinations, with **100% pass percentage in both Grade X and XII**. Our students have excelled across subjects, with many securing distinctions. This achievement reflects the hard work of our students, the dedication of our teachers, and the unwavering support of our parents. Congratulations to the entire Imperial family!

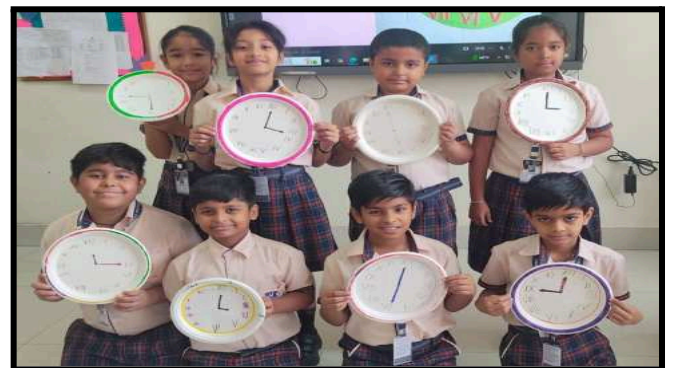

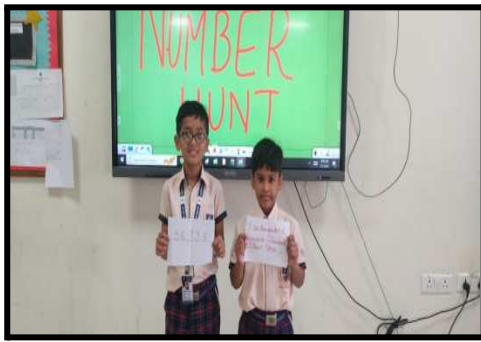

Outstanding performers were honored as Star Performers of the Month in recognition of their consistent efforts and positive attitude. The **Star Performers** for April and May from all the three sections are:

MONTH	GRADE IV A	GRADE IV B	GRADE IV C
April	Laiba Moidu	Mayra	-
May	Kalp Srivastava	Tanaaya	Riddhi

**Congratulations to the winners!!!**

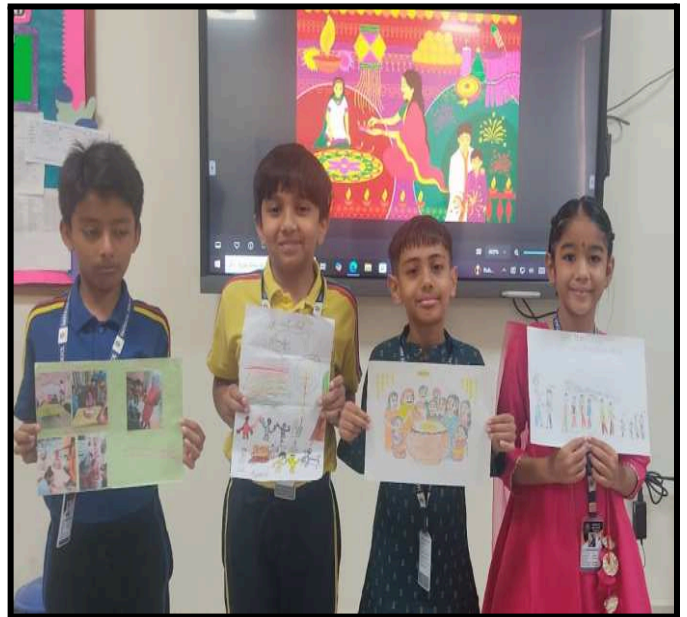

## 1. Syllabus for July

ENGLISH	HINDI	MATH	E.V.S	COMPUTER
