Dear Parents,

Greetings and welcome back!

The new session started with a period for students as they were gradually introduced to the new environment, routines, and classmates. This phase aimed to help children feel comfortable and secure in their new surroundings, fostering a sense of belonging and confidence. Activities during this period focused on building social skills, independence, and familiarity with the daily schedule.

Welcome assembly was truly special as our teachers came together to warmly welcome the students back with music and joy! The assembly opened with a graceful Western and classical performance by our talented teachers, filling the atmosphere with elegance and calm. Following this, the teachers surprised the students by singing uplifting songs specially chosen to motivate and encourage them for the days ahead. Their heartfelt singing brought smiles, claps, and cheerful energy. It was a wonderful way to remind students that school is not just a place for learning but also a place where they are celebrated, supported, and surrounded by caring mentors.

Our school joyfully celebrated Baisakhi, marking the harvest festival with lots of enthusiasm! Students engaged in a fun wheat craft activity, creating beautiful artwork that reflected the spirit of the harvest season. They also decorated a vibrant dhol, adding a festive touch with bright colors and designs. The day was filled with excitement, laughter, and cultural pride as everyone came together to celebrate this special festival.

It was a fun and meaningful week, inspiring everyone to care for and protect the environment!

As part of the All About Me theme, our kindergarten students explored the exciting Inside of Me activity! They learned about their internal body parts like the heart, lungs, and stomach in a fun and simple way. The little ones were curious and eager to understand how their bodies work, making it a joyful and engaging learning experience!

To celebrate Green Day in our Colour Burst series, the students enjoyed making a cute quilling turtle craft! Using shades of green, they created beautiful, textured turtles while learning about the color and its connection to nature.
