

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR JULY
GRADE XII COMMERCE (2026-2027)

"Education is our passport to the future, for tomorrow belongs only to the people who prepare for it today."

Dear Parents,

Welcome back! We trust you had a fantastic break with loved ones, recharging your energy for the journey ahead. As we resume, we are excited for the renewed zeal our students will bring to their studies. Let us work together to empower them to reach their fullest potential. We value the partnership between home and school, knowing it is key to our students' success. Together, we can make a real difference in their education.

The Investiture Ceremony was held with great pride and honour on 22nd May, 2026. The occasion marks the official induction of the newly elected Student Council, who step forward to shoulder responsibilities and commit themselves to serving the school community with sincerity and integrity. The ceremony commenced with immense enthusiasm and pride as students, teachers, and parents assembled to witness the young leaders take their oath. Dressed in their sashes and badges, the newly appointed council members stood with confidence and dignity, reflecting the values of discipline, commitment, and teamwork.

The students of Grade XII participated in an educational and recreational **trip to Ranthambore**, organized by the school on 27th and 28th April 2026. The trip aimed to provide students with a close-to-nature learning experience, along with opportunities for exploration, bonding, and recreation. The day included a visit to the famous Ranthambore Fort, offering students a glimpse into the region's cultural and historical heritage. The evening was filled with students enjoying themselves in the pool, including a DJ night and dinner at the resort. On the second day, students embarked on an early morning jungle safari, which was the highlight of the trip. Later, they visited the Wildlife Museum before beginning their return journey.

As part of an educational initiative organized by Times NIE, students were given the opportunity to watch the **movie Project Hail Mary**. The screening turned out to be an exciting and intellectually stimulating experience that perfectly blended entertainment with learning. The film captivated the students with its gripping storyline, scientific concepts, emotional depth, and themes of resilience, teamwork, and problem-solving. Overall, the screening was not only enjoyable but also enriching, leaving students inspired, thoughtful, and eager to explore more such educational and creative experiences in the future.

Rimsha Tasmeeth has participated in the prestigious Model United Nations (MUN) conference hosted by GD Goenka Public School, Sector 48, on May 22 and 23, 2026. The two-day simulation served as an exceptional crucible for experiential learning, bringing together young minds to debate, deliberate, and dissect complex global issues.

Rimsha Tasmeeth has secured **second position** in 4th National Fitness Ride Championship -2026 (U-17) held on 18 April, organised by Made Easy School, Bandwari

In **Business Studies**, students were introduced to various elements of the Marketing Mix. In **Accountancy**, students were introduced to the retirement of a Partner.

The activity strongly reflected the **value of the month – Responsibility**, as students conveyed the importance of individual and collective action in protecting the environment through a powerful Nukkad Natak that seamlessly integrated science and technology to highlight pressing environmental concerns.

IHS NEWS: Our Grade X and XII results are out, and we are delighted to share that our students have successfully passed with excellent performances. This achievement stands as a testament to the hard work of our students, the dedication of our teachers, and the constant support of our parents. Celebrating excellence today and looking forward to many more milestones ahead!
