

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR JULY
GRADE-VI (2026-27)

**“Every sunset is an opportunity to reset. Every sunrise begins with new eyes.” -
Ritchie Norton**

Dear Parents,

Greetings from Imperial Heritage School!

First Day Activities on 2/4/2026

The first day of school blossomed with excitement and meaningful learning as students stepped into the theme of the month—**Responsibility**. They eagerly solved a lively crossword puzzle filled with value-based words and shared their understanding in thoughtful expressions. Adding a splash of creativity, they coloured a “Thank You” sheet adorned with a charming flower pattern, spreading gratitude all around. It was a joyful and inspiring start, setting the tone for a year of learning and values.

Welcome Assembly by teachers on 8/4/2026

A vibrant blend of music, grace, and inspiration marked the Welcome Assembly presented by the teachers. A soulful welcome song filled the atmosphere with warmth, followed by a serene Saraswati Vandana seeking blessings for wisdom and learning. Lively dance performances added colour and energy to the celebration. The assembly beautifully highlighted the virtues of an ideal student—being responsible, respectful, disciplined, and curious—motivating everyone to begin the new session with positivity and purpose.

Session on Cyber Safety on 10/4/2026

With the growing use of technology in everyday life, a Cyber Safety Workshop was conducted to raise awareness among students about responsible online behaviour. The session highlighted the importance of protecting personal information, using strong passwords, and staying alert while interacting on digital platforms. Through engaging examples and discussions, students learned how to identify potential risks and respond wisely. The workshop was informative and interactive, equipping students with essential skills for safe online practices.

World Heritage Day: Heritage is not just what we inherit, it’s what we understand, celebrate, and carry forward.” On the occasion of World Heritage Day, our students immersed themselves in engaging, creative, and research-driven activities that brought history to life and deepened their appreciation of global cultures. Grade VI students designed artefacts from the Indus Valley Civilization, showcasing pottery and tools.

Jallianwala Bagh Massacre: “Jallianwala Bagh stands as a symbol of Bharat’s unwavering spirit in the face of cruelty and oppression during the freedom struggle. The sacrifice of the innocent lives lost continues to inspire generations.” At Imperial Heritage School, April 13, was observed with meaningful activities that helped students connect deeply with this historic event. The students of Grade VI had a Candle of Peace activity in which they decorated the candles. This initiative was designed to honor the memory of the martyrs while reinforcing the values of unity, peace, and justice among our students.

Parent Orientation: Orientation introduced parents to CBSE’s NEP-aligned changes, including Kaushal Bodh, Computational Thinking, and AI. Emphasis was on skill-based, experiential learning, internal

assessment, and holistic development. Parents were encouraged to support participation, curiosity, and stay updated through ERP for their child's progress.

Environment week:

1. **Each One Plant One:** As part of the “Each One, Plant One” school activity, students enthusiastically planted saplings within the school premises, contributing to a greener environment. This initiative not only encouraged them to care for nature but also instilled a sense of responsibility towards protecting the planet.
2. **Mini Biodiversity Journal:** Students created a Mini Biodiversity Journal, documenting various plants, animals, and natural elements around them. This activity enhanced their observation and research skills while fostering awareness about biodiversity and the importance of conserving the environment.
3. **Water Warriors: Save The Water Audit:** Students participated in the “Water Warriors: Save The Water Audit” activity, where they observed and recorded daily water usage patterns. They identified areas of wastage and suggested practical conservation methods, enhancing awareness about sustainable water use and developing responsibility towards protecting this vital resource.
4. **Intra-Class Quiz Competition:** Students enthusiastically participated in an Intra-Class Quiz Competition during Environment Week. The quiz tested their knowledge on environmental issues, conservation methods, and sustainability, while promoting awareness, and a spirit of healthy competition among learners. Results of the **Intra-Class Quiz Competition** are as follows:

Movie Day: Students enjoyed an exciting cinematic outing to watch the science-fiction film **Project Hail Mary** organized by NIE. Based on the bestselling novel by Andy Weir, the movie follows astronaut Ryland Grace on a thrilling mission to save Earth through science, courage, and teamwork. Ryan Gosling captivated everyone with his brilliant performance, while the stunning visuals and emotional storyline kept students engaged throughout. The trip was filled with laughter, excitement, and learning, inspiring students to dream big and explore the wonders of science and space.

PTM- To discuss the students' performance in Unit Test–I, a Parent-Teacher Meeting (PTM) was scheduled on 16th May. The meeting provided an important platform for parents and teachers to interact, review the academic progress of students, and work together towards their overall growth and improvement.

Student Council Election: The school recently conducted its Student Council Elections, giving students from Grades VI to XII the opportunity to cast their votes and actively participate in the democratic process. The election was carried out with great enthusiasm, fostering a spirit of responsibility and leadership among the students.

Investiture Ceremony: We are proud to announce the newly elected Student Council Members for the academic year 2026–27. These students have been chosen by their peers to represent the student body and take on leadership roles within the school community. Their commitment to responsibility, teamwork, and service sets a strong example for others, and we are confident they will contribute positively to school life throughout the year. Kumar Abhinav, VI A is elected as one of the Leader House Prefects.

Guided by the school gardener and supported through prior research on seasonal crops, the students explored the different types of seeds suitable for sowing in the month of May.

Class party: Students thoroughly enjoyed a cheerful class party organized before they parted for the summer break. The celebration was filled with laughter, games, music, and treats, creating a joyful and memorable conclusion to the academic session.

International Yoga Day: Celebrated annually on **June 21**, it was introduced by the United Nations to raise awareness about the many benefits of practicing yoga. Yoga, an ancient practice rooted in Indian tradition, promotes the harmony of body and mind through physical postures, breathing techniques, and meditation. On this special day, the students of **IHS** enthusiastically participated in yoga sessions. The event highlighted the importance of integrating yoga into daily life to foster a healthy and balanced lifestyle.

Subject Enrichment: In Science, students learnt to check the presence of starch in a given food with the help of iodine solution. **In Mathematics**, students learnt how to distinguish between prime and composite numbers on the basis of their factors with the help of divisibility rules and represented all the prime numbers lying between 1 to 100 pictorially on a tree.

Star Performer of the month: The Star Performer of the Month was recognized for consistently upholding high standards in both academics and behavior. Judged on parameters such as discipline, proper uniform, neat and timely submission of homework and assignments, English speaking, and active participation in class activities, the award celebrates a student who sets an inspiring example for peers.

Month	VI A	VI B
April	Parth Sharma	-
May	Avika Agrawal	Ryansh Verma

Value of the month: This month, our class explored the values of Responsibility and Respect through a series of meaningful activities. Students began by watching a YouTube video that illustrated how these values shape our daily interactions, followed by a reflection session where they shared personal takeaways. To make the learning more engaging, each student created a unique identity by adding an adjective that started with the same letter as their name which helped them connect the values to their own character. Finally, leadership roles were assigned within the class for the month, giving students practical opportunities to demonstrate responsibility and respect in action while contributing to a positive classroom environment.

IHS NEWS: Our Grade X and XII results are out, and we are delighted to share that our students have successfully passed with excellent performances. This achievement stands as a testament to the hard work of our students, the dedication of our teachers, and the constant support of our parents. Celebrating excellence today and looking forward to many more milestones ahead!
