

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR JULY
Grade VIII (2026-2027)

“The more that you read, the more things you will know. The more that you learn,

Dear Parents,

Greetings from Imperial Heritage School!

Welcome to another exciting month at IHS. We are thrilled to have you as an integral part of our school community. Your dedication and support play a crucial role in shaping our students' success and fostering a nurturing and enriching environment for them to thrive. In this month of learning students participated in following activities and competitions.

First Day Activity: The students enthusiastically participated in a creative first-day activity where they imagined their class as a movie. They thoughtfully designed unique movie titles, introduced interesting characters inspired by their classmates, and described joyful and meaningful happy endings. The activity encouraged students to express their imagination, teamwork, and understanding of one another in a fun and engaging manner.

Welcome Assembly by Teachers: The new academic year began with a heartwarming welcome assembly conducted by the teachers, setting a positive and inspiring tone for the days ahead.

Cyber Safety Workshop: Students participated in a Cyber Safety Workshop focusing on digital safety, types of cybercrimes, and ways to report them. The session raised awareness about responsible online behaviour, protecting personal information, and encouraged students to stay alert and safe in the digital world.

Jallianwala Bagh Massacre Activity: To honour the martyrs of the Jallianwala Bagh massacre, a solemn tribute was followed by an engaging article writing activity. Students stepped into the role of reporters, expressing historical insights and awareness while enhancing their writing, analytical thinking, and empathy towards the sacrifices made.

World Heritage Day: Young Minds explored museums and archives of the modern world through a creative PPT presentation. They researched historical artifacts, digital records, and preservation techniques, enhancing their understanding of heritage conservation. The activity developed their research, collaboration, and presentation skills while fostering curiosity about history.

Parent Orientation: Orientation introduced parents to CBSE's NEP-aligned changes, including Kaushal Bodh, Computational Thinking, and AI. Emphasis was on skill-based, experiential learning, internal assessment, and holistic development. Parents were encouraged to support participation, curiosity, and stay updated through ERP for their child's progress.

Environment Week Activities:

- **Mini Biodiversity Journal:** Students created a Mini Biodiversity Journal, documenting various plants, animals, and natural elements around them. This activity enhanced their observation and research skills while fostering awareness about biodiversity and the importance of conserving the environment.
- **Water Warriors: Save The Water Audit:** Students participated in the “Water Warriors: Save The Water Audit” activity, where they observed and recorded daily water usage patterns. They identified areas of wastage and suggested practical conservation methods, enhancing awareness about sustainable water use and developing responsibility towards protecting this vital resource.
- **Intra-Class Quiz Competition:** Students enthusiastically participated in an Intra-Class Quiz Competition during Environment Week. The quiz tested their knowledge on environmental issues, conservation methods, and sustainability, while promoting awareness and a spirit of healthy competition among learners. Results of the **Intra-Class Quiz Competition** are as follows:

NAME OF THE STUDENT	GRADE	POSITION SECURED
Ananya	VIII A	First
Atharv Kesharwani	VIII A	Second
Kumar Utkarsh	VIII A	Third
Akshita Yadav	VIII B	First
Aayan Pathak	VIII B	Second
Manya Tyagi	VIII B	Third

- **Inter-House Kavyabhinay Competition:** Students enthusiastically participated in the Inter-House Kavyabhinay Competition on the theme of the environment, presenting expressive poetic performances. Through voice, gesture, and emotion, they highlighted environmental concerns, spreading awareness about conservation, responsibility, and the need to protect our planet. Results of the **Inter-House Competition** are as follows:

House	Position	Name of the Students
Challengers	I	Ishaan VIII B, Bhuvi VIII A
Warriors	II	Akshita VIII B, Akshat Dubey VIII A
Leaders	II	Tanya VIII B, Pranshu VIII A

Proficiency Ceremony: The ceremony celebrated the achievements of students who excelled academically and displayed all-round development during the past year. The names of the students who are proficiency holders for their remarkable performance in Grade VII last year are-

NAME OF THE STUDENT	GRADE	POSITION SECURED
Yatharth Vicky Golait	VII A	I
Kyna Pathania	VII A	II
Ananya	VII A	III
Aayan Pathak	VII B	I
Arshdeep	VII B	II
Akshita Yadav	VII B	III

General Assembly (Value: Being Responsible): Students of Grade VIII A presented a thoughtful assembly on the value “Being Responsible,” highlighting accountability, discipline, and mindful actions. They emphasized how responsible behaviour shapes character and contributes to a better, more respectful and caring society.

World English Day: To celebrate World English Day, the students enthusiastically participated in an exciting vocabulary-building activity. The class was divided into four groups, and each team was given categories such as Fire, Water, Earth, and Air. The challenge was to frame and write as many meaningful and legible words as possible within the given time.

Unit Test–1 of the academic session 2026–27 commenced on 4th May, providing students with an opportunity to assess their understanding, strengthen conceptual clarity, and evaluate their learning progress across subjects.

Movie Day: Students enjoyed an exciting cinematic outing to watch the science-fiction film Project Hail Mary organized by NIE. Based on the bestselling novel by Andy Weir, the movie follows astronaut Ryland Grace on a thrilling mission to save Earth through science, courage, and teamwork. Ryan Gosling captivated everyone with his brilliant performance, while the stunning visuals and emotional storyline kept students engaged throughout. The trip was filled with laughter, excitement, and learning, inspiring students to dream big and explore the wonders of science and space.

General Assembly (Special Mention of Eid): The assembly by Grade VIII B included a special mention of Eid, highlighting its message of gratitude, compassion, and togetherness. Students shared its significance, promoting respect for diverse traditions and the values of sharing, kindness, and unity within the school community.

PTM- To discuss the students’ performance in Unit Test–1, a Parent-Teacher Meeting (PTM) was scheduled on 16th May. The meeting provided an important platform for parents and teachers to interact, review the academic progress of students, and work together towards their overall growth and improvement.

Investiture Ceremony: We are proud to announce the newly elected Student Council Members for the academic year 2026–27. These students have been chosen by their peers to represent the student body and take on leadership roles within the school community. Their commitment to responsibility, teamwork, and service

sets a strong example for others, and we are confident they will contribute positively to school life throughout the year.

HOUSE PREFECTS	Akshat Dubey VIII A, Vinayak Saini VIII A, Shivansh Yadav VIII B, Ayaan Pathak VIII B, Arshdeep VIII B
-----------------------	--

SPIC MACAY KATHAK LEC-DEM: We are proud to share that Bhoomi and Bhuvi of Grade VIII A participated in the SPIC MACAY Kathak Lec-Dem held at Colonel's Central Academy. The session provided students with a wonderful opportunity to witness the grace, rhythm, and rich cultural heritage of Kathak.

Grade VI–VIII Cricket Match: The match was filled with excitement, energy, and sportsmanship. Students displayed excellent teamwork, batting, and fielding skills throughout the game. The match encouraged healthy competition and strengthened the spirit of cooperation, discipline, and enthusiasm among all participants.

CBSE Activities: As part of **Jal Pakhwada**, students participated in a short and informative discussion during their EVS periods on the topic *Water-Borne Diseases and Safe Handling of Drinking Water*. The discussion highlighted the importance of clean drinking water, proper storage methods, and preventive measures against diseases caused by contaminated water. **Webinar on Earth Day, 2026:** The students attended the Webinar on Earth Day 2026, where they viewed informative PPT presentations on environmental conservation and sustainable practices. The session helped them gain awareness about important global environmental issues such as climate change, pollution, and the need to protect natural resources. Through this enriching experience, the students learned the importance of adopting eco-friendly habits and becoming responsible citizens for a sustainable future.

International Yoga Day: Celebrated annually on **June 21**, it was introduced by the United Nations to raise awareness about the many benefits of practicing yoga. Yoga, an ancient practice rooted in Indian tradition, promotes the harmony of body and mind through physical postures, breathing techniques, and meditation. On this special day, the students of **IHS** enthusiastically participated in yoga sessions **alongside their parents**, embracing the spirit of well-being and togetherness. The event highlighted the importance of integrating yoga into daily life to foster a healthy and balanced lifestyle.

Star Performer: Each month, students who consistently excel in academics, co-curricular activities, discipline, and overall participation are recognised with a Star Performer Certificate. This initiative not only celebrates their hard work and dedication but also encourages others to strive for excellence. The star performers for the month of April from Grade VIII A and VIII B are Ravya Sharma and Kabir Choudhary, respectively. For the month of May, the star performers from Grade VIII A and VIII B are Vinayak Saini and Akshita Yadav, respectively.

Kaushal Bodh Activities: *Kaushal Bodh* is a mandatory skill-based learning initiative introduced by CBSE to help students develop practical life skills through experiential learning. As part of this enriching activity, Grade VIII students enthusiastically participated in a hands-on AI activity. Students learned home automation and basic circuit design using Arduino Uno, sensors, LED lights, and printed circuit boards. They explored circuit connections, coding, and simulation platforms to test projects virtually. The activity developed creativity, logical thinking, and problem-solving skills while introducing students to modern smart technology and electronic system design.

Olympiad Certification: Students were also felicitated for wonderful achievements in the Olympiad examinations. **Yatharth Vicky Golait** and **Kanishk Maan** of Grade VIII A, won gold medal in IMO and **Rajvir** of VIII B, won a gold medal in IMO for their excellence in the pursuit of knowledge.

Subject Enrichment Activities: As part of the SST subject enrichment activity, students created voice-overs for an educational video on Chapter 1- Natural Resources and Their Uses. The activity enhanced understanding, communication skills, and awareness about the importance, conservation, and sustainable use of natural

resources. To recapitulate the concepts of Chapter 3 – Rise of Marathas, students enthusiastically participated in an engaging Bingo activity as a part of the Subject Enrichment Activity in Social Science. The activity helped learners revise important terms, personalities, battles, and events related to the Maratha Empire in an enjoyable and interactive manner. In **Science**, students explored onion peel cells by preparing temporary slides and observing them under a microscope. They also examined animal cell slides to better understand differences between plant and animal cells. In **Hindi**, students participated in an engaging activity on the lesson “Swadesh,” creating portraits of freedom fighters and presenting patriotic slogans to develop respect, patriotism, and awareness about India’s independence movement. They also participated in an engaging debate on “Bird’s Freedom or Golden Cage,” confidently expressing views on freedom, security, and happiness while developing critical thinking, communication, and reasoning skills.

Value of the month: As part of the Value Education programme, students, on the topic of **Responsibility** viewed an inspiring movie clip on "Earth Hour", which emphasized the importance of dedicating just 60 minutes daily to actions that contribute towards saving our planet. One of the most impactful takeaways was the simple yet powerful act of switching off lights for an hour, encouraging mindfulness about energy consumption. Moved by the message, students enthusiastically created awareness banners and pledged to observe a monthly candlelight dinner with their families—choosing to disconnect from technology and reconnect with loved ones, while contributing to energy conservation.

IHS NEWS: Our Grade X and XII results are out, and we are delighted to share that our students have successfully passed with excellent performances. This achievement stands as a testament to the hard work of our students, the dedication of our teachers, and the constant support of our parents. Celebrating excellence today and looking forward to many more milestones ahead!
