MONTHLY PLANNER FOR AUGUST
GRADE I (2023-2024)

“Conserve your cultural diversity, preserve it for future identities.”

Dear Parents,

The month of July was full of excitement where the students were engaged in different activities to keep them occupied. The month began with welcoming the students with a beautiful **Welcome Back Activity**. The students took pride in presenting their holiday homework that they had done with a lot of enthusiasm and creativity. The concept of ‘Doing Words’ was introduced through the activity Learn and Act for better understanding. The concept of ‘Addition’ was introduced with the help of different objects and abacus. In EVS students did a small talk on different people who help us. They were well prepared and were keen to share their knowledge.

Father’s Day celebration was the highlight of the month. The enthusiasm of students and exciting expressions of their fathers was very visible. It was a busy and noisy class as fathers made lemonade with their wards. The healthy spirit was evident as each father presented the lemonade in the most creative and eye catching way. The fun races were enjoyed by all. As part of the celebration, greeting cards were made by kids wherein they expressed their love, affection, and respect for their fathers.

Book Week is an annual celebration for students dedicated towards the importance of reading. Students of Grade I were engaged in **Story Come Alive** activity through props and participated in an Intra Class Competition where they spoke about their favorite character from their favorite story. They also participated in Weave a Story activity. The objective of the activity was to help build their confidence, sharpen their presentation skills and enrich their vocabulary. The students came up with striking stories, full of innovative ideas and a high level of imaginative skills. Students got an opportunity to ruminate and enjoyed creating interesting stories. They also made a beautiful bookmark with origami sheets as a takeaway.

The value of the month for July was **Courage**. The meaning of the same was explained to the students and they participated in Courage Jar activity where they wrote short incidents of them being courageous.
