MONTHLY PLANNER FOR AUGUST
Grade III (2023-2024)

“Education is not preparation for life ;education is life itself.”- John Dewey

Dear Parents,
Greetings!!

“Life in summers demands July, and August and, in return, wants all your enthusiasm and energy.” So welcome the month of August with the same energy you had in the previous month. Make sure to say hello to rain this month. August also welcomes in the feeling of patriotism and enthusiasm to do for the country. As we are going to celebrate 77th Independence Day this year, we should feel proud to be a part of an independent nation that has freedom of speech, freedom to live life in our own way.

The month of July celebrated Book Week to immerse the students in the world of books and to inculcate the habit of reading among the young minds and also to raise an awareness on the importance of reading books. Different activities were organized to celebrate the Book Week. Students took active interest and participated in each activity with great enthusiasm and zeal.

- **Read-A-Thon:** In this activity students read various books of famous authors and got to know about their writings and their living lifestyle.
- **Poem Recitation Competition :** The Poem Recitation Competition provided a platform for our young students to express their emotions, and bring the written word to life through their captivating recitations.

The value of the month was **COURAGE**. Discussions were done to encourage students to demonstrate courage by stepping outside their comfort zones and engaging in acts of bravery. My Cup of Courage activity was organized where the students made a cup of courage and they wrote which bravery act they could do alone or they have done.

Children also did a lot of hands-on activities in different subjects to understand various concepts which were introduced to them. In English, they made Common, Proper, Collective and Material Noun Ice Creams to understand the concept of Nouns and its types. They enjoyed doing this activity and understood the concept well.

In E.V.S, students made a poster on Child Labour related to the chapter – Work Around Us. Through this activity, they were sensitized about child labour and how one can stop a child from being exploited through any kind of work. Students also learnt about different types of plants by visiting the school grounds and they enjoyed drawing on paper what they had seen in the ground. In Mathematics students were introduced to the concept of Multiplication through an activity in which students pasted bindis to make multiplication sums and learned that repeated addition is called multiplication. Students also had fun learning multiplication sums through flipping the paper plate activity.
