**Dear Parents,**

Greetings!!

We are extremely excited to welcome a fresh new month of August that brings in showers . July was full of excitement as we kickstarted the month with various activities after summer vacations.

Book Week was celebrated to immerse the students in the world of reading. Different activities were organized to help them to appreciate reading and encourage their imaginative and creative thinking.

**Read-A-Thon:** Reading has countless benefits as it stimulates our cognitive abilities and enhances our vocabulary and sharpens our critical thinking skills. In this activity students read various books of famous authors and got to know about their writings and their living lifestyle.

**Poem Recitation Competition:** The Poem Recitation Competition provided a platform for our young students to express their emotions, and bring the written word to life through their captivating recitations. It was truly a sight to behold as each participant poured their heart and soul into their chosen poems, leaving the audience spellbound.
