

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR AUGUST
GRADE V (2023-2024)

"A country's greatness lies in its undying ideals of love and sacrifice that inspire the mothers of race."

Sarojini Naidu

Dear Parents,

Greetings!

August is here — ushering in the end of summer and painting the world in the warm hues of sunflowers and sunset skies!

For Indians it's also a month that brings a great sense of patriotism, a month which reminds us of the freedom struggle and sacrifices done by our freedom fighters so that we are able to see today's free India. It is the month in which we celebrate Independence Day to show our gratitude towards our nation. To celebrate the festival in its true spirit our school will celebrate Heritage Week in school, various activities and competitions will be conducted to make it a memorable event.

The month of July was full of enthusiasm as the students joined back to school after their summer break, rejuvenated and full of enthusiasm. The school celebrated The Book Week by organising various activities like poem recitation, storytelling and sentence scramble across all the grades. Book Week was celebrated to make students more aware about the importance of reading and education as a whole. The purpose of this was to inculcate the habit of reading amongst the children. Children actively participated in all the activities. They also got an opportunity to be a part of a special assembly on the theme- Importance of Education. A beautiful message of education for all was given to the children through a dance and a Nukkad Natak.

All the students of Grade V participated in the poem recitation, storytelling and scrambled sentences activity with great zeal. They presented their poem along with creative props enlightening the role of reading and importance of books in one's life.

Along with co-curricular activities many academic related activities were also conducted during the class to make the concepts clearer to the students. To understand the circumstances of the character in the story of the English chapter- In Father's Presence in a better way, the students made a connection with the difficulty of understanding Math through a Math puzzle activity. In Science an activity based on solubility of solids and liquids in water was done. Through this activity where the concept of miscible and immiscible substances was explained to them. Celebrating French Day celebrations, students contributed by making posters and attending the special presentation. They were excited to share the richness of French authors, their literature, culture, cuisine and music.

The scholars of our school were also facilitated by Principal ma'am as we celebrated their hard work and excellent result for the year 2022-23 by organising a Proficiency Ceremony. It was a proud moment for our children, parents as well as the school. Congratulations to all the award holders!

POSITION	V A	V B
Proficiency I	Akshat Dubey	Ayan Pathak
Proficiency II	Bhumi Chugh	Shivansh
Proficiency III	Yatharth	Jigyasa Manya
