MONTHLY PLANNER FOR AUGUST
GRADE-VII (2023-2024)

“Education is One Thing No One Can Take Away From You.”- Elin Nordegren

Dear Parents,

Greetings!!

We hope our students are rejuvenated to ascend the learning curve in UT-2, replete with activities to learn and imbibe the knowledge. Team IHS appreciates your contribution and mindfulness in guiding and encouraging your ward to strive for excellence in academics as well as personality traits. We look forward to a positive, cooperative and productive alliance to identify and harness the potential of the students.

As we celebrated the **French Day, Proficiency Ceremony and Book Week** many activities were planned such as **Inter House Competition, Intra Class Competition, Exhibition etc.**

During the month students were involved in many curricular and co-curricular activities. Students wholeheartedly participated in various class activities and competitions.

French Day Celebrations : Imperial Heritage School celebrated the National Day (Fete Nationale) of France colloquially referred as Bastille Day commemorating the storming of Bastille prison in Paris on 14 July (Le Quatorze Juillet) in 1789. The event marks the start of the French Revolution. The highlight of the event is a grand military parade down the iconic Champs-Elysees. An Indian tri-service contingent participated in Bastille Day with Rafale fighter jets of the Indian Air Force joining the flypast. Celebrating the spirit and enthusiasm of the historical significance and pivotal moment in French history, the students exhibited projects and themes showcasing the rich French culture.

Proficiency Ceremony : The honour board for proficiency/excellence in academics for the year 2022-23 is proudly displaying the following meritorious students : **Samaira Khandelwal , Rajshree Upadhyay, Arnav Thakur.**

Book Week Celebration : Children’s Book Week is an annual celebration of reading for pleasure for the children. Year 2023, marks the 100th anniversary of Children’s Book week underpinned with the theme, “Read, Grow, Inspire”. The idea of Children’s Book Week was conceived by Franklin K Matthews, the librarian of Boy Scouts of America in 1913. **Inter house poster making activity** was conducted to display Life of Shakespeare.

Subject related activities: Students were introduced to various topics in the classroom. In **English** students were introduced to the 'Wonderful World of Alice' through a clipping of the Mad Tea Party. The video made the students understand the 'nonsensical' genre of literature. **In Science** to understand the process of digestion in a better way an experiment was conducted in the **Biology laboratory**, to study the digestive action of saliva on starch, using iodine solution. In **History**, the topic The period of Delhi Sultanate was introduced. The students learned about the main sources of Delhi Sultanate. They had a hands-on activity where they enthusiastically prepared old coins and historical monuments.

Values are an integral part of the curriculum and with the value of the month **COURAGE**, students were engaged in moral based discussion during the teaching learning process. August is a month that evokes feelings of freedom, independence and **patriotism**. Let's unite and pray for the community to overcome all challenges as we move closer to commemorating the month of **India's Independence!**
